Nothing in this section shall prevent an agent not affiliated with an agency from charging for services that constitute the practice of law at the customary fee charged by such person for legal services. To the extent the premium fails to compensate the agent at such rate, the agent may render an additional bill for such services on behalf of the agent's law practice or law firm. The acceptance of any part of the premium by the law firm of said agent shall not be a violation of any provision of the Missouri Title Insurance Act or the general insurance statutes, regulations or bulletins regarding payment of commissions to nonlicensed entities.

2. The director may establish rules, including rules providing statistical plans, for use by all title insurers, title agencies and title agents in the recording and reporting of revenue, loss and expense experience in such form and detail as is necessary to aid the director in the establishment of rates and fees.

3. The director may require that the information provided pursuant to this section be verified by oath of the insurer's or agency's president or vice president or secretary or actuary, as applicable. The director may further require that the information required pursuant to this section be subject to an audit conducted at the expense of the title insurer or title agency by an independent certified public accountant. The director shall have the authority to establish a minimum threshold level at which an audit would be required.

4. Information filed with the director relating to the experience of a particular agency shall be kept confidential unless the director finds it in the public interest to disclose the information required of title insurers or title agencies pursuant to this section. Prior to any such disclosure of confidential information, the director

shall provide notice and opportunity to be heard to the title insurers and title agencies who would be affected thereby.

381.035. No title insurance company, title agency or title agent shall willfully withhold information from, or knowingly give false or misleading information to the director, or to any title insurance rating organization, of which the title insurance company is a member or subscriber, which will affect the rates or fees chargeable pursuant to this chapter. Each violation of this section is a class A violation as that term is defined in section 381.045.

381.038. 1. Evidence of the examination of title and determination of insurability generated by a title insurer engaged in direct operations, title agency or title agent shall be preserved and maintained by such insurer, agency or agent for as long as appropriate to the circumstances but, in no event less than fifteen years after the title insurance policy has been issued.

2. Records relating to escrow and security deposits shall be preserved and retained by a title insurer engaged in direct operations, title agency and title agent for as long as appropriate to the circumstances but, in no event less than five years after the escrow or security deposit account has been closed.

3. This section shall not apply to a title insurer acting as coinsurer if one of the other coinsurers has complied with this section.

4. Each violation of any provision of this section is a class C violation as that term is defined in section 381.045.

[381.041. **1.** No person other than a domestic, foreign, or alien title insurer organized on the stock plan and duly licensed by the director shall transact title insurance business as an insurer in this state.

2. Each title insurer may engage in the title insurance business in this state if licensed to do so by the director and provide any other service related or incidental to the sale and transfer or financing of property.

3. A title insurer shall maintain a minimum paid-in capital of not less than four hundred thousand dollars and, in addition, paid-in initial surplus of at least four hundred thousand dollars.]

381.042. 1. The director may issue rules, regulations and orders necessary to carry out the provisions of this chapter.

2. No rule or portion of a rule promulgated pursuant to the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo.

381.045. 1. If the director determines that the title insurer or any other person has violated this chapter, or any regulation or order promulgated thereunder, after notice and opportunity to be heard, the director may order:

(1) For each violation a monetary penalty which shall take into account the harm the violation caused or could have caused or potential harm to the public and which shall not exceed:

- (a) One thousand dollars per violation for a class A violation;
 - (b) Five hundred dollars per violation for a class B violation; and
 - (c) One hundred dollars per violation for a class C violation;
- (2) Revocation or suspension of the title insurer's license; or
- (3) Both monetary penalty and revocation or suspension.

2. Nothing contained in this section shall affect the right of the director to impose any other penalties provided for in the insurance code.

3. Nothing contained in this chapter is intended to or shall in any other manner limit or restrict the rights of policyholders, claimants and creditors.

381.048. The director may bring an action in a court of competent jurisdiction to enjoin violations of the Real Estate Settlement Procedures Act, 12 U.S.C. Section 2607, as amended.

[381.051. **1.** A title insurer, before issuing any title insurance policy covering property located in this state, shall deposit with the director of the department of insurance, hereinafter referred to as the director, a sum of four hundred thousand dollars, which shall be held for the security and protection of the holders or beneficiaries under its title insurance policies.

2. Assets deposited pursuant to this section may, with the approval of the director, be exchanged from time to time for other assets that qualify under subsection 3 of this section.

3. The depositing title insurer shall receive the income, interests, and dividends on any assets deposited. The deposit required under this section may be made in legal tender or in investments now or hereafter permitted to domestic life insurers with regard to their capital, reserve and surplus. For capital and reserve deposits, sums deposited pursuant to this section shall be valued at their market value.

4. A title insurer that has deposited assets pursuant to this section may, with the approval of the director, withdraw any part of the assets so deposited. If any such title insurer continues to engage in the business of title insurance, it shall not be permitted to withdraw assets that would reduce the amount of its deposits below the amount required by subsection 1 of this section.

5. In lieu of such a deposit maintained in this state, the director shall accept a certificate or certificates in proper form of the public officer or officers having general supervision of title insurers in its state of domicile to the effect that a deposit or total deposits, in an equal or greater amount, in classes of investment authorized in such state, are being maintained for like purposes in public custody or control pursuant to the laws of such state on behalf of the title insurer.

6. If sections 381.011 to 381.241 require a greater amount of capital and surplus or deposits than that required of a title insurer prior to September 28, 1987, such title insurer shall have three years after September 28, 1987, to comply with any such increased requirement.

7. The provisions of sections 375.950 to 375.990, RSMo, shall apply to the impairment of capital, liquidation, and rehabilitation of title insurers.]

381.052. No person other than a domestic, foreign or non-U.S. title insurer organized on the stock plan and duly licensed by the director shall transact title insurance business as an insurer in this state.

381.055. Subject to the exceptions and restrictions contained in this chapter, a title insurer shall have the power to:

- (1) Do only title insurance business;
- (2) Reinsure title insurance policies; and
- (3) Perform ancillary activities, unless prohibited by the director, including examining titles to real property and any interest in real property and procuring and furnishing related information and information about relevant personal property, when not in contemplation of, or in conjunction with, the issuance of a title insurance policy.

381.058. 1. No insurer that transacts any class, type or kind of business other than title insurance shall be eligible for the issuance or renewal of a license to transact the business of title insurance in this state nor shall title insurance be transacted, underwritten or issued by any insurer transacting or licensed to transact any other class, type or kind of business.

2. A title insurer shall not engage in the business of guaranteeing payment of the principal or the interest of bonds or mortgages.

3. (1) Notwithstanding subsection 1 of this section, and to the extent such coverage is lawful within this state, a title insurer is expressly authorized to issue closing or settlement protection to a proposed insured upon request if the title insurer issues a commitment, binder or title insurance policy. Such closing or settlement protection shall conform to the terms of coverage and form of instrument as required by the director and may indemnify a proposed insured solely against loss of settlement funds only because of the following acts of a title insurer's named title agency or title agent:

- (a) Theft of settlement funds; and
- (b) Failure to comply with written closing instructions by the proposed insured when agreed to by the title agency or title agent relating to title insurance coverage;
- (2) The director may promulgate or approve a required charge for providing the coverage;
- (3) A title insurer shall not provide any other coverage which purports to indemnify against improper acts or omissions of a person with regard to escrow, settlement, or closing services.

[381.061. 1. The net retained liability of a title insurer for a single risk on property located in this state, whether assumed directly or as reinsurance, may not exceed fifty percent of the sum of its total surplus to policyholders and unearned premium reserve, less the admitted asset value assigned to title plants, as shown in the most recent annual statement of the title insurer on file in the office of the director.

2. The director may waive the limitation of this section for a particular risk upon application of the title insurer and for good cause shown.]

381.062. Before being licensed to do an insurance business in this state, a title insurer shall establish and maintain a minimum paid-in capital of not less than four hundred thousand dollars and, in addition, paid-in initial surplus of at least four hundred thousand dollars.

381.065. 1. The net retained liability of a title insurer for a single risk in regard to property located in this state, whether assumed directly or as reinsurance, shall not exceed the aggregate of fifty percent of surplus as regards policyholders plus the statutory premium reserve less the company's investment in title plants, all as shown in the most recent annual statement of the insurer on file with the director.

2. For purposes of this chapter:

(1) A single risk shall be the insured amount of any title insurance policy, except that, where two or more title insurance policies are issued simultaneously covering different estates in the same real property, a single risk shall be the sum of the insured amounts of all the title insurance policies; and

(2) A policy under which a claim payment reduces the amount of insurance under one or more other title insurance policies shall be included in computing the single risk sum only to the extent that its amount exceeds the aggregate amount of the policy or policies whose amount of insurance is reduced.

3. A title insurer may obtain reinsurance for all or any part of its liability under its title insurance policies or reinsurance agreements and may also reinsure title insurance policies issued by other title insurers on single risks located in this state or elsewhere. Reinsurance on policies issued on properties located in this state may be obtained from any title insurers licensed to transact title insurance business in this state, any other state, or the District of Columbia and which have a combined capital and surplus of at least eight hundred thousand dollars.

4. The director may waive the limitation of this section for a particular risk upon application of the title insurer and for good cause shown.

381.068. In determining the financial condition of a title insurer doing business pursuant to this chapter, the general investment provisions of sections 376.300 to 376.305, RSMo, shall apply; except that, an investment in a title plant or plants in an amount equal to the actual cost shall be allowed as an admitted asset for title insurers. The aggregate amount of the investment shall not exceed fifty percent of surplus to policyholders, as shown on the most recent annual statement of the title insurer on file with the director.

381.072. In determining the financial condition of a title insurer doing business pursuant to this chapter, the general provisions of the insurance code requiring the establishment of reserves sufficient to cover all known and unknown liabilities including allocated and unallocated loss adjustment expense, shall apply; except that, a title insurer shall establish and maintain:

(1) (a) A known claim reserve in an amount estimated to be sufficient to cover all unpaid losses, claims and allocated loss adjustment expenses arising under title insurance policies for which the title insurer may be liable, and for which the insurer has discovered or received notice by or on behalf of the insured or escrow or security depositor;

(b) Upon receiving notice from or on behalf of the insured of a title defect in or lien or adverse claim against the title of the insured that may result in a loss or cause expense to be incurred in the proper disposition of the claim, the title insurer shall determine the amount to be added to the reserve, which amount shall reflect a careful estimate of the loss or loss expense likely to result by reason of the claim;

(c) Reserves required pursuant to this section may be revised from time to time and shall be redetermined at least once each year;

(2) A statutory or unearned premium reserve established and maintained as follows:

(a) A domestic title insurer shall establish and maintain an unearned premium reserve computed in accordance with this section, and all sums attributed to such reserve shall at all times and for all purposes be considered and constitute unearned portions of the original premiums. This reserve shall be reported as a liability of the title insurer in its financial statements;

(b) The unearned premium reserve shall be maintained by the title insurer for the protection of holders of title insurance policies. Except as provided in this section, assets equal in value to the reserve are not subject to distribution among creditors or stockholders of the title insurer until all claims of policyholders or claims under reinsurance contracts have been paid in full, and all liability on the policies or reinsurance contracts has been paid in full and discharged or lawfully reinsured;

(c) The unearned premium reserve shall consist of:

a. The amount of the unearned premium reserve on the effective date of sections 381.003 to 381.125; and

b. A sum equal to fifteen cents for each one thousand dollars of net retained liability under each title insurance policy, excluding mortgagee's policies simultaneously issued with owner's policies or owner's leasehold policies of the same or greater amount, on a single risk written on properties located in this state and issued after the effective date of sections 381.003 to 381.125;

(d) Amounts placed in the unearned premium reserve in any year in accordance with paragraph (c) of subdivision (2) of this section shall be deducted in determining the net profit of the title insurer for that year;

(e) A title insurer shall release from the unearned premium reserve a sum equal to ten percent of the amount added to the reserve during a calendar year on July first of each of the five years following the year in

which the sum was added, and shall release from the unearned premium reserve a sum equal to three and one-third percent of the amount added to the reserve during that year on each succeeding July first until the entire amount for that year has been released. The amount of the unearned premium reserve or similar unearned premium reserve maintained before the effective date of sections 381.003 to 381.125 shall be released in accordance with the law in effect immediately before the effective date of sections 381.003 to 381.125;

(f) a. Each domestic and foreign title insurer shall file annually with the audited financial report required pursuant to section 375.1032, RSMo, an actuarial certificate made by a member in good standing of the American Academy of Actuaries, or by an actuary permitted to make such certificate by the commissioner, superintendent or director of the department of insurance of the state of incorporation of a foreign title insurer;

b. The actuarial certification shall conform to the annual statement instructions for title insurers adopted by the National Association of Insurance Commissioners and shall include the actuary's professional opinion of the insurer's reserves as of the date of the annual statement. The reserves analyzed pursuant to this section shall include reserves for known claims, including adverse developments on known claims, and reserves for incurred but not reported claims;

(g) a. Each domestic and foreign title insurer shall establish a supplemental reserve in the amount by which the actuarially certified reserves exceed the total of the known claim reserve and statutory premium reserve as set forth in the title insurer's annual financial report, subject to subdivision (2) of this section;

b. The supplemental reserve required pursuant to this section shall be phased in as follows:

i. Twenty-five percent of the otherwise applicable supplemental reserve is required until December thirty-first of the year next following the effective date of sections 381.003 to 381.125;

ii. Fifty percent of the otherwise applicable supplemental reserve is required until December thirty-first of the second year following the effective date of sections 381.003 to 381.125;

iii. Seventy-five percent of the otherwise applicable supplemental reserve is required until December thirty-one of the third year following the effective date of sections 381.003 to 381.125;

iv. One hundred percent of the supplemental reserve is required after December thirty-first of the fourth year following the effective date of sections 381.003 to 381.125.

381.075. 1. Sections 375.570 to 375.750 and sections 375.1150 to 375.1246 shall apply to all title insurers subject to the title insurance act, except as otherwise provided in this section. In applying such sections, the court shall consider the unique aspects of title insurance and shall have broad authority to fashion relief that provides for the maximum protection of the title insurance policyholders.

2. Security and escrow funds held by or on behalf of the title insurer shall not become general assets and shall be administered as secured claims as defined in section 375.1152, RSMo.

3. Title insurance policies that are in force at the time an order of liquidation is entered shall not be canceled except upon a showing to the court of good cause by the liquidator. The determination of good cause shall be within the discretion of the court. In making this determination, the court shall consider the unique aspects of title insurance and all other relevant circumstances.

4. The court may set appropriate dates that potential claimants must file their claims with the liquidator. The court may set different dates for claims based upon the title insurance policy than for all other claims. In setting dates, the court shall consider the unique aspects of title insurance and all other relevant circumstances.

5. As of the date of the order of insolvency or liquidation, all premiums paid, due or to become due under policies of the title insurers, shall be fully earned. It shall be the obligation of title agencies, title agents, insureds or representatives of the title insurer to pay fully earned premium to the liquidator or rehabilitator.

381.078. A title insurer shall only declare or distribute a dividend to shareholders with the prior written approval of the director, as would be permitted pursuant to subdivision (1) of subsection 1 of section 382.210, RSMo.

[381.081. 1. A domestic title insurer shall establish and maintain an unearned premium reserve computed in accordance with this section, and all sums attributed to such reserve shall at all times and for all purposes be considered and constitute unearned portions of the original premiums. This reserve shall be reported as a liability of the title insurer in its financial statements.

2. The unearned premium reserve shall be maintained by the title insurer for the protection of holders of title insurance policies. Except as provided in this section, assets equal in value to the reserve are not subject to distribution among creditors or stockholders of the title insurer until all claims of policyholders or claims under reinsurance contracts have been paid in full, and all liability on the policies or reinsurance contracts has been paid in full and discharged or lawfully reinsured.

3. A foreign or alien title insurer licensed to transact title insurance business in this state shall maintain at least the same reserves on title insurance policies issued on properties located in this state as are required of domestic title insurers, unless the laws of the jurisdiction of domicile of the foreign or alien title insurer require a higher amount.

4. The unearned premium reserve shall consist of:

(1) The amount of the unearned premium reserve on September 28, 1987; and
(2) A sum equal to fifteen cents for each one thousand dollars of net retained liability under each title insurance policy, excluding mortgagee's policies simultaneously issued with owner's policies or owner's leasehold policies of the same or greater amount, on a single risk written on properties located in this state and issued after September 28, 1987.

5. Amounts placed in the unearned premium reserve in any year in accordance with subdivision (2) of subsection 4 of this section shall be deducted in determining the net profit of the title insurer for that year.

6. A title insurer shall release from the unearned premium reserve a sum equal to ten percent of the amount added to the reserve during a calendar year on July first of each of the five years following the year in which the sum was added, and shall release from the unearned premium reserve a sum equal to three and one-third percent of the amount added to the reserve during that year on each succeeding July first until the entire amount for that year has been released. The amount of the unearned premium reserve or similar unearned premium reserve maintained before September 28, 1987, shall be released in accordance with the law in effect immediately before September 28, 1987.]

381.085. 1. A title insurer or authorized rate service organization shall not deliver or issue for delivery or permit any of its authorized title agencies or title agents to deliver in this state, any form, in connection with title insurance written, unless it has been filed with the director and approved by the director or thirty days have elapsed and it has not been disapproved as misleading or violative of public policy. Each violation of this subsection is a class C violation as that term is defined in section 381.045.

2. Forms covered by this section shall include:

(1) Title insurance policies, including standard form endorsements; and
(2) Title insurance commitments issued prior to the issuance of a title insurance policy.

3. After notice and opportunity to be heard are given to the insurer or rate service organization which submitted a form for approval, the director may withdraw approval of the form on finding that the use of the form is contrary to the legal requirements applicable at the time of withdrawal. The effective date of withdrawal of approval shall not be less than ninety days after notice of withdrawal is given.

4. Any term or condition related to an insurance coverage provided by an approved title insurance policy or any exception to the coverage, except those ascertained from a search and examination of records relating to a title or inspection or survey of a property to be insured, may only be included in the policy after the term, condition or exception has been filed with the director and approved as herein provided.

381.088. 1. A title insurer may satisfy its obligation to file premium rates, rating manuals and forms as required by this chapter by becoming a member of, or a subscriber to, a rate service organization, organized and licensed pursuant to the provisions of this chapter, where the organization makes the filings, and by authorizing the director in writing to accept the filings on the insurer's behalf.

2. Nothing in this chapter shall be construed as requiring any title insurer, title agency or title agent to become a member of, or a subscriber to, any rate service organization. Nothing in this chapter shall be construed as prohibiting the filing of deviations from rate service organization filings by any member or subscriber.

[381.091. 1. If a domestic title insurer becomes insolvent, is in the process of liquidation or dissolution, or is in the possession of the director:

(1) Such amount of the assets of such title insurer equal to the unearned premium reserve then remaining may be used by or with the written approval of the director to pay for reinsurance of the liability of such title insurer upon all outstanding title insurance policies or reinsurance agreements to the extent to which claims for losses by the holders thereof are not then pending. The balance of assets, if any, equal to the unearned premium reserve, may then be transferred to the general assets of the title insurer;

(2) The net assets of the unearned premium reserve shall be available to pay claims for losses sustained by holders of title insurance policies then pending or arising up to the time reinsurance is effected. If claims for losses exceed such other assets of the title insurer, such claims, when established, shall be paid pro rata out of the surplus assets attributable to the unearned premium reserve to the extent of such surplus, if any.

2. If reinsurance is not obtained, assets equal to the unearned premium reserve and assets constituting minimum capital, or so much as remains thereof after outstanding claims have been paid, shall constitute a trust fund to be held and invested by the director for twenty years, out of which claims of policyholders shall be paid as they arise. The

balance, if any, of the trust fund shall, at the expiration of twenty years, revert to the general assets of the title insurer.]

381.092. 1. Every title insurer that shall propose its own premium rates and every title insurance rating organization shall propose premium rates that are not excessive nor inadequate for the safety and soundness of any title insurer, which do not unfairly discriminate between risks in this state which involve essentially the same exposure to loss and expense elements, and which shall give due consideration to the following matters:

- (1) The desirability for stability and responsiveness of rate structures;
- (2) The necessity of assuring the financial solvency of title insurance companies in periods of economic depression;
- (3) The necessity for paying dividends on the capital stock of title insurance companies sufficient to induce capital to be invested therein; and
- (4) A reasonable level of profit for the insurer.

2. Every title insurer that shall propose its own rates and every title insurance rating organization may adopt basic classifications of policies or contracts of title insurance which shall be used as the basis for rates.

381.095. 1. If the director shall find in his review of rate filings that the filings provide for, result in, or produce rates that are not unreasonably high, and are not inadequate for the safety and soundness of the insurer, and are not unfairly discriminatory between risks in this state involving essentially the same hazards and expense elements, the director shall approve such rates. Prior to such approval the director may conduct a public hearing with respect to a rate filing. An approval shall continue in effect until the director shall issue an order of disapproval pursuant to the requirements and procedure provided for in subsections 2 and 3 of this section.

2. Upon the review at any time by the director of a rate filing, the director shall, before issuing an order of disapproval, hold a hearing upon not less than ten days' written notice, specifying in reasonable detail the matters to be considered at such hearing, to every title insurer and title insurance rating organization which made such filing, and if, after such hearing, the director finds that such filing or a part thereof does not meet the requirements of this chapter, the director shall issue an order specifying in what respects the director finds that it so fails, and stating when, within a reasonable period thereafter, such filing or a part thereof shall be deemed no longer effective. A title insurer or title insurance rating organization shall have the right at any time to withdraw a filing or a part thereof, subject to the provisions of section 381.102, in the case of deviation filing. Copies of the order shall be sent to every title insurer and title insurance rating organization affected. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

3. Any person or organization aggrieved with respect to any filing which is in effect may make written application to the director for a hearing thereon. The title insurance company or title insurance rating organization that made the filing shall not be authorized to proceed pursuant to this subsection. Such application shall specify in reasonable detail the grounds to be relied upon by the applicant. If the director shall find that the application is made in good faith, that the applicant would be so aggrieved if his or her grounds are established, and that such grounds otherwise justify holding such a hearing, the director shall, within thirty days after receipt of such application, hold a hearing upon not less than ten days' written notice to the applicant and to every title insurance company and title insurance rating organization which made such a filing. If, after such hearing, the director finds that the filing or a part thereof does not meet the requirements of this chapter, the director shall issue an order specifying in what respects the director finds that such filing or a part thereof fails to meet the requirements of this chapter, stating when within a reasonable period thereafter, such filing or a part thereof shall be deemed no longer effective. Copies of such order shall be sent to the applicant and to every such title insurer and title insurance rating organization. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

381.098. 1. A corporation, an unincorporated association, a partnership or an individual, whether located within or outside this state, may make application to the director for license as a rating organization for title insurers, and shall file therewith:

- (1) A copy of its constitution, its articles of agreement or association or its certificate of incorporation, and of its bylaws, rules and regulations governing the conduct of its business;
- (2) A list of its members and subscribers;
- (3) The name and address of a resident of this state upon whom notices or orders of the director or process affecting such rating organization may be served; and
- (4) A statement of its qualifications as a title insurance rating organization.

2. If the director finds that the applicant is competent, trustworthy and otherwise qualified to act as a

rating organization, and that its constitution, articles of agreement or association or certificate of incorporation, and its bylaws, rules and regulations governing the conduct of its business, conform to requirements of law, the director shall issue a license authorizing the applicant to act as a rating organization for title insurance. Licenses issued pursuant to this section shall remain in effect for three years unless sooner suspended or revoked by the director or withdrawn by the licensee. The fee for such license shall be one thousand five hundred dollars. Licenses issued pursuant to this section may be suspended or revoked by the director, after hearing upon notice, in the event the rating organization ceases to meet the requirements of this subsection. Every rating organization shall notify the director promptly of every change in:

- (1) Its constitution, its articles of agreement or association or its certificate of incorporation, and its bylaws, rules and regulations governing the conduct of its business;
- (2) Its list of members and subscribers; and
- (3) The name and address of the resident of this state designated by it upon whom notices or orders of the director or process affecting such rating organization may be served.

3. Subject to rules and regulations which have been approved by the director as reasonable, each title insurance rating organization shall permit any title insurance company not a member to be a subscriber to its rating services. Notices of proposed changes in such rules and regulations shall be given to subscribers. Each such rating organization shall furnish its rating services without discrimination to its members and subscribers. The reasonableness of any rule or regulation in its application to subscribers, or the refusal of any such rating organization to admit a title insurance company as a subscriber, shall at the request of any subscriber or any such title insurance company, be reviewed by the director at a hearing held upon at least ten days' written notice to such rating organization and to such subscriber. If the director finds that such rule or regulation is unreasonable in its application to subscribers, the director shall order that such rule or regulation shall not be applicable to subscribers. If the rating organization fails to grant or reject an application of a title insurance company for subscribership within thirty days after it was made, the title insurance company may request a review by the director as if the application had been rejected. If the director finds that the title insurance company has been refused admittance to the title insurance rating organization as a subscriber without justification, the director shall order such rating organization to admit the title insurance company as a subscriber. If the director finds that the action of the title insurance rating organization was justified, the director shall make an order affirming its action.

[381.101. 1. All title insurers licensed in this state shall establish and maintain reserves against unpaid losses and loss expenses.

2. Upon receiving notice from or on behalf of the insured of a title defect in or lien or adverse claim against the title of the insured that may result in a loss or cause expense to be incurred in the proper disposition of the claim, the title insurer shall determine the amount to be added to the reserve, which amount shall reflect a careful estimate of the loss or loss expense likely to result by reason of the claim.

3. Reserves required under this section may be revised from time to time and shall be redetermined at least once each year.]

381.102. Every member of or subscriber to a title insurance rating organization shall adhere to the filings made on its behalf by such organization, except that any title insurance company which is a member of or subscriber to such a rating organization may file with the director a uniform percentage of decrease or increase to be applied to any or all elements of the fees produced by the rating system so filed for a class of title insurance which is found by the director to be a proper rating unit for the application of such uniform decrease or increase, or to be applied to the rates for a particular area, or otherwise deviate from the rating plans, policy forms or other matters which are the subject of filings pursuant to this chapter. Such deviation filing shall specify the basis for the modification and shall be accompanied by the data or historical pattern upon which the applicant relies. A copy of the deviation filing and data shall be sent simultaneously to such rating organization. Deviation filings shall be subject to the provisions of section 381.095.

381.105. 1. Any member of or subscriber to a title insurance rating organization may appeal to the director from any action or decision of such rating organization in approving or rejecting any proposed change in or addition to the filings of such rating organization, and the director shall, after a hearing held upon not less than ten days' written notice to the appellant and to such rating organization, issue an order approving the action or decision of such rating organization or directing it to give further consideration to such proposal and to take action or make a decision upon it within thirty days. If such appeal is from the action or decision of the title insurance rating organization in rejecting a proposed addition to its filings, the director may, in the event

the director finds that such action or decision was unreasonable, issue an order directing the rating organization to make an addition to its filings, on behalf of its members and subscribers, in a manner consistent with the director's findings, within a reasonable time after the issuance of such order. If the appeal is from the action of the title insurance rating organization with regard to a rate or a proposed change in or addition to its filings relating to the character and extent of coverage, the director shall approve the action of the rating organization or such modification thereof as shall have been suggested by the appellant if either be made in accordance with this chapter.

2. The failure of a title insurance rating organization to take action or make a decision within thirty days after submission to it of a proposal pursuant to this section shall constitute a rejection of such proposal within the meaning of this section. If such appeal is based upon the failure of the rating organization to make a filing on behalf of such member or subscriber which is based on a system of expense allocation which differs from the system of expense allocation included in a filing made by such rating organization, the director shall, if the director grants the appeal, order the rating organization to make the requested filing for use by the appellant. In deciding such appeal, the director shall apply the standards set forth in section 381.032.

381.108. 1. The director shall promulgate reasonable rules and statistical plans, reasonably adapted to each of the rating systems on file with the department, which may be modified from time to time, and which shall be used thereafter by each title insurer, in the recording and reporting of the composition of its business, its loss and countrywide expense experience and those of its title insurance underwriters in order that the experience of all title insurer may be made available, at least annually, in such form and detail as may be necessary to aid him or her in determining whether rating systems comply with the standards set forth in this chapter. Such rules and plans may also provide for the recording of expense experience items which are specially applicable to this state and are not susceptible of determination by a prorating of countrywide expense experience. In promulgating such rules and plans, the director shall give due consideration to the rating systems on file with the department, and in order that such rules and plans may be as uniform as is practicable among the several states, to the rules and to the form of the plans used for such rating systems in other states. Such rules and plans shall not place an unreasonable burden of expense on any title insurer. No title insurer shall be required to record or report its expense and loss experience on a classification basis that is inconsistent with the rating system filed by it, nor shall any title insurer be required to report the experience to any agency of which it is not a member or subscriber. The director may designate one or more rating organizations or other agencies to assist the director in gathering such experience and making compilations thereof, and such compilations shall be made available, subject to reasonable rules promulgated by the director, to title insurers and rating organizations. The director shall give preference in such designation to entities organized by and functioning on behalf of title insurers operating in this state. If the director, in his or her judgment, determines that one or more of such organizations designated as statistical agent is unable or unwilling to perform its statistical functions according to reasonable requirements established from time to time by the director, he or she may, after consultation with such statistical agent and upon twenty days' notice to any affected companies, designate another person to act on the director's behalf in the gathering of statistical experience. The director shall in such case establish the fee to be paid to such designated person by the affected companies in order to pay the total cost of gathering and compiling such experience. Agencies designated by the director shall assist the director in making compilations of the reported data and such compilations shall be made available, subject to reasonable rules and regulations promulgated by the director, to insurers, rating organizations and any other interested parties.

2. Reasonable rules and plans may be promulgated by the director for the interchange of data necessary for the application of rating plans.

3. In order to further uniform administration of rate regulatory laws, the director and every title insurer and rating organization may exchange information and experience data with insurance supervisory officials, title insurers and rating organizations in other states, and may consult with them with respect to rate making and the application of rating systems.

4. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo.

[381.111. A title insurer may obtain reinsurance for all or any part of its liability under its title insurance policies or reinsurance agreements and may also reinsure title insurance policies issued by other title insurers on single risks located in this state or elsewhere. Reinsurance on policies issued on properties located in this state may be obtained from any title insurers licensed to transact title insurance business in this state, any other state, or the District of Columbia and which have a combined capital and surplus of at least eight hundred thousand dollars.]

381.112. For purposes of the premium tax imposed by sections 148.320 and 148.340, RSMo, the premium income received by a title insurer shall mean the amount of premium actually remitted to the title insurer and shall exclude any amount of premium retained by the title agent within the definition of "premium" contained in section 381.009.

381.115. 1. A person shall not act in the capacity of a title agency or title agent and a title insurer may not contract with any person to act in the capacity of a title agency or title agent with respect to risks located in this state unless the person is a licensed title agency or title agent in this state.

2. An individual employed by a licensed title agency or title agent to whom the agency or agent delegates authority to act on that agency's or agent's behalf shall be either individually licensed or be named on the employing agent's license if such employee performs any of the functions defined in paragraph (a) of subdivision (25) of section 381.009. Each person named on the license shall possess all qualifications determined by the director to be appropriate. The director may adopt rules, regulations, and requirements relating to licensing and practices of persons acting in the capacity of title agencies or agents. These persons may include title agencies, title agents, employees of either, and persons acting on behalf of title agencies or title agents. This subsection is not intended to include persons performing clerical functions.

3. Every title agency licensed in this state shall:

(1) Exclude or eliminate the word insurer or underwriter from its business name, unless the word agency is also included as part of the name; and

(2) Provide, in a timely fashion, each title insurer with which it places business any information the title insurer requests in order to comply with reporting requirements of the director.

4. A title agency or title agent licensed in this state prior to the effective date of this chapter shall have ninety days after the effective date of this chapter to comply with the requirements of this section.

5. If the title agency or title agent delegates the title search to a third party, such as an abstract company, the agency or agent must first obtain proof that the third party is operating in compliance with rules and regulations established by the director and the third party shall provide the agency or agent and the insurer with access to and the right to copy all accounts and records maintained by the third party with respect to business placed with the title insurer. Proof from the third party may consist of a signed statement indicating compliance, and shall be effective for a three-year period. Each violation of this subsection is a class C violation as that term is defined in section 381.045.

381.118. 1. Each title agent licensed to sell title insurance in this state, unless exempt pursuant to subsection 8 of this section, shall successfully complete courses of study as required by this section. Any person licensed to act as a title agent shall, during each two years, attend courses or programs of instruction or attend seminars equivalent to a minimum of eight hours of instruction. The initial such two-year period shall begin January first of the year next following the effective date of this chapter.

2. Subject to approval by the director, the courses or programs of instruction which shall be deemed to meet the director's standards for continuing educational requirements shall include, but not be limited to, the following:

(1) An insurance-related course taught by an accredited college or university or qualified instructor who has taught a course of insurance law at such institution;

(2) A course or program of instruction or seminar developed or sponsored by any authorized insurer, recognized agents' association or insurance trade association. A local agents' group may also be approved if the instructor receives no compensation for services;

(3) Courses approved for continuing legal education credit by the Missouri Bar.

3. A person teaching any approved course of instruction or lecturing at any approved seminar shall qualify for the same number of classroom hours as would be granted to a person taking and successfully completing such course, seminar or program.

4. Excess classroom hours accumulated during any two-year period may be carried forward to the two-year period immediately following the two-year period in which the course, program or seminar was held.

5. For good cause shown, the director may grant an extension of time during which the educational requirements imposed by this section may be completed, but such extension of time shall not exceed the period of one calendar year. The director may grant an individual waiver of the mandatory continuing education requirement upon a showing by the licensee that it is not feasible for the licensee to satisfy the requirements prior to the renewal date. Waivers may be granted for reasons including, but not limited to:

(1) Serious physical injury or illness;

- (2) Active duty in the armed services for an extended period of time;
- (3) Residence outside the United States; or
- (4) Licensee is at least seventy years of age and is currently licensed as a title agent.

6. Every person subject to the provisions of this section shall furnish in a form satisfactory to the director, written certification as to the courses, programs, or seminars of instruction taken and successfully completed by such person. A filing fee shall be paid by the person furnishing the report as determined by the director to be necessary to cover the administrative cost related to the handling of such certification reports, subject to the limitations imposed in subsection 9 of this section.

7. The provisions of this section shall not apply to those natural persons holding or applying for a license to act as a title agent in Missouri who reside in a state that has enacted and implemented a mandatory continuing education law or regulation pertaining to the title agents. However, those natural persons holding or applying for a Missouri agent license who reside in states which have no mandatory continuing education law or regulations shall be subject to all the provisions of this section to the same extent as resident Missouri title agents.

8. Rules necessary to implement and administer this section shall be promulgated by the director of the department of insurance, including, but not limited to, rules regarding the following:

(1) The insurance advisory board established by section 375.019, RSMo, shall be utilized by the director to assist the director in determining acceptable content of courses, programs and seminars to include classroom equivalency;

(2) Every applicant seeking approval by the director of a continuing education course pursuant to this section shall pay to the director a filing fee of fifty dollars per course, except that such total fee shall not exceed two hundred fifty dollars per year for any single applicant. Fees shall be waived for local agents' groups if the instructor receives no compensation for services. Such fee shall accompany any application form required by the director. Courses shall be approved for a period of no more than one year. Applicants holding courses intended to be offered for a longer period must reapply for approval;

(3) The director has the authority to determine the amount of the filing fee to be paid by title agents at the time of license renewal, which shall be set at an amount to produce revenue which shall not substantially exceed the cost of administering this section, but in no event shall such fee exceed ten dollars per biennial report filed.

9. All funds received pursuant to the provisions of this section shall be transmitted by the director of the department of insurance to the department of revenue for deposit in the state treasury to the credit of the department of insurance dedicated fund. All expenditures necessitated by this section shall be paid from funds appropriated from the department of insurance dedicated fund by the legislature.

10. When a title agent pays his or her biennial renewal fee, such agent shall also furnish the written certification and filing fee required by this section.

11. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo.

[381.121. 1. The deposit required by section 381.051 and the capital, surplus and unearned premium reserve of domestic title insurers shall be held in either cash or investments now or hereafter permitted to domestic life insurers with regard to their capital, reserve and surplus for reserve deposit.

2. A domestic title insurer may invest in title plants. For purposes of determining the financial condition of such title insurer, title plants will be treated as an asset valued at actual cost to the title insurer, not to exceed fifty percent of the surplus as to policyholders as shown on the most recent annual statement of the title insurer.

3. Any investment of a domestic title insurer acquired before September 28, 1987, and which under such sections, would be considered ineligible as an investment on that date, shall be disposed of within five years of September 28, 1987. The director, upon application and proof that forced sale of any such investment would be contrary to the best interests of the title insurer or its policyholders, may extend the period for disposal of the investment for a reasonable time.]

381.122. The director may during normal business hours examine, audit and inspect any and all books and records maintained by a title agency pursuant to this chapter.

381.125. 1. Whenever the business to be written constitutes affiliated business, prior to commencing the transaction, the title agency or title agent shall ensure that its customer has been provided with disclosure of the existence of the affiliated business arrangement and a written estimate of the charge or range of charges generally made for the title services provided by the title agency or agent.

2. The director may establish rules for use by all title agencies in the recording and reporting of the

agency's owners and of the agency's ownership interests in other persons or businesses and of material transactions between the parties.

3. The director may require each title agency to file on forms prescribed by the director reports setting forth the names and addresses of those persons, if any, that have a financial interest in the agency and who the agency knows or has reason to believe are producers of title insurance business or associates of producers.

4. Nothing in this chapter shall be construed as prohibiting affiliated business arrangements in the provision of title insurance business so long as:

(1) The title agency, title agent or party making a referral constituting affiliated business, at or prior to the time of the referral, discloses the arrangement and, in connection with the referral, provides the person being referred with a written estimate of the charge or range of charges likely to be assessed and otherwise complies with the disclosure obligations of this section;

(2) The person being referred is not required to use a specified title insurance agency, agent or insurer; and

(3) The only thing of value that is received by the title agency, title agent or party making the referral, other than payments otherwise permitted, is a return on an ownership interest. For purposes of this subsection, the terms "required use" and "return on an ownership interest" shall have the meaning accorded to them under the Real Estate Settlement Procedures Act (RESPA), 12 U.S.C. Section 2607, as amended and Regulation X, 24 C.F.R. Section 3500, et seq.

5. Each violation of any provision of this section is a class C violation as that term is defined in section 381.045.

[381.131. Any person who shall be appointed or who shall act as title insurance agent or agency for any title insurance company within this state, or who shall, as title insurance agent or agency, solicit applications, deliver policies and collect premiums thereon, or who shall receive or collect moneys from any source or on any account whatsoever, as agent or agency, for a title insurance company doing business in this state, shall be held responsible in a trust or fiduciary capacity to the company for any money so collected or received by him for such company.]

[381.141. 1. No title insurer or title agent or agency shall:

(1) Pay, directly or indirectly, to the insured or to any other person any commission, any part of its premiums, fees, or other charges; or any other consideration as inducement or compensation for the referral of title business or for performance of any escrow or other service by the title agent or agency; or

(2) Issue any title insurance policy or perform any service in connection with any transaction in which it has paid or intends to pay any commission, rebate or inducement which it knows to be in violation of this section.

2. Nothing in this section shall be construed as prohibiting reasonable payments, other than for the referral of title insurance business, for services actually rendered to either a title insurer or a title agent or agency in connection with title insurance business.

3. Nothing in sections 381.011 to 381.241 shall prohibit any producer or any associate of a producer from referring title business to any title insurer or title insurance agent or agency of his, her or its choice, and if such producer or associate producer has any financial, franchise, or ownership interest in the title insurer, the title insurance agent or agency, from receiving income or profits produced or realized from such financial, franchise or ownership interest so long as the purchaser is made aware in writing of the relationship between the producer or associate producer and the title agent or agency.]

[381.151. Nothing in sections 381.011 to 381.241 shall be construed as prohibiting the division of premiums and charges between or among a title insurer and its title agent or agency, two or more title insurers, one or more title insurers and one or more title agents or agencies or two or more title agents or agencies, provided such division of premiums and charges does not constitute:

(1) An unlawful rebate or inducement under the provisions of sections 381.011 to 381.241; or

(2) Payment of a forwarding fee or finder's fee.]

[381.161. 1. No producer or other person, except the person paying the premium for the title insurance, shall require, directly or indirectly, or through any trustee, director, officer, agent, employee, or affiliate, as a condition, agreement, or understanding to selling or furnishing any other person any loan, or extension thereof, credit, sale, property, contract, lease or service, that such other person shall place, any contract of title insurance of any kind through any particular title agent, agency, or title insurer. No title agent, agency, or title insurer shall knowingly participate in any such prohibited plan or transaction. No person shall fix a price charged for such thing or service, or discount from or rebate upon price, on the condition, agreement, or understanding that any title insurance is to be obtained through a particular agent, agency, or title insurer.

2. Any person who violates the provisions of this section, or any title insurer, title agent, or agency who accepts an order for title insurance knowing that it is in violation of the provision of this section shall, in addition to any other action which may be taken by the director, be subject to a fine in an amount equal to five times the premium for the title insurance.]

[381.171. 1. Premiums shall not be inadequate, excessive or unfairly discriminatory.

2. Premiums are excessive if, in the aggregate, they are likely to produce a long run profit that is unreasonably high in relation to the riskiness of the business or if expenses are unreasonably high in relation to the services rendered.

3. Premiums are inadequate if they are clearly insufficient, together with investment income attributable to them, to sustain projected losses and expenses or if continued use of such premiums will have the effect of substantially lessening competition or the effect of tending to create a monopoly.

4. Premiums are unfairly discriminatory if the premium charged for a policy of any particular face amount of liability is higher than the premium for an indetential policy within the same classification where such policy has a like face amount or a higher face amount of liability. Premiums within each premium classification may, in the discretion of the title insurer, to a reasonable degree be less than the expenses incurred and the risks assumed in the case of policies of lower face amount of liability and the excess may be charged against policies of higher face amount of liability without rendering the premiums unfairly discriminatory.

5. Premiums may be grouped by classifications into the various types of title policies and endorsements offered. The classifications may be further divided to produce premiums for individual risks or services within a classification. Those classifications or further divisions may be established based upon any one or more of the following:

(1) The size of a transaction and its effect upon the continuing solvency of the title insurer using the rate in question if a loss should occur;

(2) Expense elements, including management time that would ordinarily be expended in a typical transaction of a particular size;

(3) The geographic location of a transaction, including variation in risk and expense elements attributable thereto;

(4) The individual experience of the insurer and title insurance agent or agency using the rate in question; and

(5) Any other reasonable considerations which may include but not be limited to builder/developer quantity discounts and multiple policy discounts on an individual parcel of property. Those classifications or further divisions thereof shall apply to all risks and services in the business of title insurance under the same or under substantially the same circumstances or conditions.

6. In making or reviewing premiums due consideration shall be given to past and prospective loss experience, to exposure to loss, to underwriting practice and judgment, to past and prospective expenses including amounts paid to or retained by title agents or agencies, to a reasonable margin for profit and contingencies taking into account the need for a reasonable return on capital committed to the enterprise, and to all other relevant factors both within and outside of this state.

7. The director may promulgate rules or regulations setting forth guidelines for the evaluation of premiums. Such regulations may include consideration of:

(1) Cost of underwriting risks assumed by the insurer;

(2) Amounts paid to or retained by title agents;

(3) Operating expenses of the insurer other than underwriting and claims expense;

(4) Payment of claims and claim related expenses;

(5) Investment income;

(6) Reasonable profit;

(7) Premium taxes; and

(8) Any other factors the director deems relevant.]

[381.181. 1. Every title insurer shall file with the director its premium schedules it proposes to use in any county of this state. Every filing shall set forth its effective date, which shall not be earlier than the thirtieth day following its receipt by the director, and shall indicate the character and extent of the coverages and services contemplated. Filings that the director has not disapproved within thirty days of filing shall be deemed effective.

2. No title insurer or title agent or agency may use or collect any premium after September 28, 1987, except in accordance with the premium schedules filed with the director as required by subsections 1 and 2 of this section. The director may provide by regulation for interim use of premium schedules in effect prior to September 28, 1987.

3. Every title insurer shall establish basic classifications of coverages to be used as the basis for determining premiums.]

[381.191. In order to further uniform administration of rate regulatory laws, the director and every title insurer, title agent, or agency in the state may exchange information and experience data with insurance supervisory officials of this and other states and rating organizations in other states and may consult with them with respect to such information and data.]

[381.201. 1. No title insurer, title agent, or agency shall use any premium in the business of title insurance prior to its effective date nor prior to the filing with respect to such premium having been publicly displayed and made readily available to the public for a period of not less than thirty days in each office of the title insurer, title agent, or agency in the county to which such rates apply, and no premium increase shall apply to title policies which have been contracted for prior to such effective date.

2. Premium charges in excess of those set forth in a premium filing which has become effective may be made when such filing includes a statement that such premiums may be made in the event unusual insurance risks are assumed or unusual services performed in the transaction of the business of title insurance, provided that such premiums are reasonably commensurate with the risks assumed for the costs of the services performed.

3. Copies of the schedules of premiums which are required to be filed with the director under the provisions of sections 381.011 to 381.241, showing their effective date or dates, shall be kept at all times available to the public and prominently displayed in a public place in each office of a title insurer, title agent, or agency in the county to which such rates apply while such rates are effective.]

[381.211. Every title insurer shall file with the director copies of the following forms it proposes to use in this state, including:

- (1) Title insurance policies;
- (2) Standard form endorsements; and
- (3) Preliminary reports, commitments, binders, or any other reports issued prior to the issuance of a title insurance policy.]

[381.221. For purposes of the premium tax imposed by sections 148.320 and 148.340, RSMo, the premium income received by a title insurer shall be one hundred percent of the amounts paid by or on behalf of the insured as "premiums" within the definition of that term contained in sections 381.011 to 381.241.]

[381.231. In addition to any other powers granted under sections 381.011 to 381.241, the director may adopt rules or regulations to protect the interests of the public including, but not limited to, regulations governing sales practices, escrow, collection, settlement, closing procedures, policy coverage standards, rebates and inducements, controlled business, the approval of agency contracts, unfair trade practices and fraud, statistical plans for data collection, consumer education, any other consumer matters, the business of title insurance, or any regulations otherwise implementing or interpreting the provisions of sections 381.011 to 381.241. No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024, RSMo.]

[381.241. 1. The director of insurance or his duly authorized representative may at any time and from time to time, inspect and examine the records, books and accounts of any title insurer, and may require such periodic and special reports from any title insurer, as may be reasonably necessary to enable the director to satisfy himself that such title insurer is complying with the requirements of sections 381.011 to 381.241. No person shall be authorized to inspect and examine the records, books and accounts of any title insurer unless such person has five years experience in the title insurance business. It shall be the duty of the director at least once every four years to make or cause to be made an examination of every title insurer. The reasonable expense of any examination shall be paid by the title insurer.

2. The purpose of such examination is to enable the director to ascertain whether there is compliance with the provisions of sections 381.011 to 381.241. If as a result of such examination the director has reason to believe that any rate, rating plan or rating system made or used by an insurer does not meet the standards and provisions of sections 381.011 to 381.241, applicable to it, the director may hold a public hearing. Within a reasonable period of time, which shall be not less than ten days before the date of such hearing, he shall mail written notice specifying the matters to be considered at such hearing to every person, insurer or organization believed by him not to be in compliance with the provisions of sections 381.011 to 381.241.

3. If the director, after such hearing, for good cause finds that such rate, rating plan or rating system does not meet the provisions of sections 381.011 to 381.241, he shall issue an order specifying in what respects any such rate, rating plan or rating system fails to meet such provisions, and stating when, within a reasonable period of time, the further use of such rate, rating plan or rating system by the title insurer which is the subject of the examination shall be prohibited. A copy of such order shall be sent to such title insurer.]

381.410. As used in sections 381.410 and 381.412, the following terms mean:

(1) "Cashier's check", a check, however labeled, drawn on the financial institution, which is signed only by an officer or employee of such institution, is a direct obligation of such institution, and is provided to a customer of such institution or acquired from such institution for remittance purposes;

(2) "Certified funds", U.S. currency, funds conveyed by a cashier's check, certified check, teller's check, as defined in Federal Reserve Regulations CC, or wire transfers, including written advice from a financial institution that collected funds have been credited to the settlement agent's account;

(3) "Director", the director of the department of insurance, unless the settlement agent's primary regulator is another division in the department of economic development. When the settlement agent is regulated by such division, that division shall have jurisdiction over sections 381.410 and 381.412;

(4) "Financial institution":

a. A mortgage loan company which is subject to licensing, supervision or auditing by the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation, or the United States Veterans Administration, or the Government National Mortgage Association, or the United States Department of Housing and Urban Development, or a successor of any of the foregoing agencies or entities, as an approved seller or servicer; [or

b. A person or entity acting as a mortgage loan company pursuant to court order;]

(5) "Settlement agent", a person, corporation, partnership, or other business organization which accepts funds and documents as fiduciary for the buyer, seller or lender for the purposes of closing a sale of an interest in real estate located within the state of Missouri, and is not a financial institution, or a member in good standing of the Missouri Bar [Association], or a person licensed under chapter 339, RSMo.

381.412. 1. A settlement agent who accepts funds of more than ten thousand dollars[, but less than two million dollars,] for closing a sale of an interest in real estate shall require a buyer, seller or lender who is not a financial institution to convey such funds to the settlement agent as certified funds. shall be exempt from the provisions of this section.

2. No title insurer, title insurance agency or title insurance agent, as defined in section [381.031] **381.009**, shall make any payment, disbursement or withdrawal in excess of ten thousand dollars from an escrow account which it maintains as a depository of funds received from the public for the settlement of real estate transactions unless a corresponding deposit of funds was made to the escrow account for the benefit of the payee or payees:

(1) At least ten days prior to such payment, disbursement or withdrawal;

(3) Consisted of a check made exempt from this section by the provisions of subsection 1 of this section.

3. If the director finds that a settlement agent, title insurer, title insurance agency or title insurance agent has violated any provisions of this section, the director may assess a fine of not more than two thousand dollars for each violation, plus the costs of the investigation. Each separate transaction where certified funds are required shall constitute a separate violation. In determining a fine, the director shall consider the extent to which the violation was a knowing and willful violation, the corrective action taken by the settlement agent to ensure that the violation will not be repeated, and the record of the settlement agent in complying with the provisions of this section.

For the purpose of promoting health, safety, morals, comfort or the general welfare of the unincorporated portion of counties, to conserve and protect property and building values, to secure the most economical use of the land, and to facilitate the adequate provision of public improvements all in accordance with a comprehensive plan, the county commission in all counties of the first class, as provided by law, except in counties of the first class not having a charter form of government, is hereby empowered to regulate and restrict, by order, in the unincorporated portions of the county, the height, number of stories and size of buildings, the percentage of lots that may be occupied, the size of yards, courts and other open spaces, the density of population, the location and use of buildings, structures and land for trade, industry, residence or other purposes, including areas for agriculture, forestry and recreation.

2. The provisions of this section shall not apply to the incorporated portions of the counties, nor to the raising of crops, livestock, orchards, or forestry, nor to seasonal or temporary impoundments used for rice farming or flood irrigation. As used in this section, the term "rice farming or flood irrigation" means small berms of no more than eighteen inches high that are placed around a field to hold water for use for growing rice or for flood irrigation. This section shall not apply to the erection, maintenance, repair, alteration or extension of farm structures used for such purposes in an area not within the area shown on the flood hazard area map. This section shall not apply to underground mining where entrance is through an existing shaft or shafts or through a shaft or shafts not within the area shown on the flood hazard area map.

3. The powers by sections 64.010 to 64.160 given shall not be exercised so as to deprive the owner, lessee or tenant of any existing property of its use or maintenance for the purpose to which it is then lawfully devoted except that reasonable regulations may be adopted for the gradual elimination of nonconforming uses, nor shall anything in sections 64.010 to 64.160 interfere with such public utility services as may have been or may hereafter be specifically authorized or permitted by a certificate of public convenience and necessity, or order issued by the public service commission, or by permit of the county commission.

The classification of single-family dwelling or single-family residence shall also include any private residence licensed by the division of family services or department of mental health to provide foster care to one or more but less than seven children who are unrelated to either foster parent by blood, marriage or adoption. A zoning regulation may require that the exterior appearance of the home and property be in reasonable conformance with the general neighborhood standards and may also establish reasonable standards regarding the density of such individual homes in any specific single-family dwelling or single-family residence area. Should a single-family dwelling or single-family residence as defined in this subsection cease to operate for the purposes specified in this subsection, any other use of such dwelling or residence, other than that allowed by the zoning regulations, shall be approved by the county board

of zoning adjustment. Nothing in this subsection shall be construed to relieve the division of family services, the department of mental health or any other person, firm or corporation occupying or utilizing any single-family dwelling or single-family residence for the purposes specified in this subsection from compliance with any ordinance or regulation relating to occupancy permits except as to number and relationship of occupants or from compliance with any building or safety code applicable to actual use of such single-family dwelling or single-family residence.

The tax authorized by this section shall be in addition to any and all other sales tax allowed by law; except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose such tax.

2. The ballot of submission shall contain, but need not be limited to the following language:

Shall the county of (county's name) impose a countywide sales tax of (insert rate) percent?

G Yes

G No

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the county shall have no power to impose the sales tax as herein authorized unless and until the governing body of the county submits another proposal to authorize the governing body of the county to impose the sales tax under the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon.

3. The sales tax may be imposed at a rate of **one-eighth of one percent**, one-fourth of one percent, three-eighths of one percent, or one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525, RSMo.

4. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under this section.

6. In any first class county having a charter form of government and having a population of nine hundred thousand or more, no tax shall be imposed pursuant to this section for the purpose of funding in whole or in part the construction, operation or maintenance of a sports stadium, field house, indoor or outdoor recreational facility, center, playing field, parking facility or anything incidental or necessary to a complex suitable for any type of professional sport or recreation, either upon, above or below the ground.

7. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

67.582. 1. The governing body of any county, except a county of the first class with a charter form of government with a population of greater than four hundred thousand inhabitants, is hereby authorized to impose, by ordinance or order, a sales tax in the amount of up to one-half of one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525, RSMo, for the purpose of providing law enforcement services for such county. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

G Yes

G No

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal submitted pursuant to subdivision (1) of this subsection, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second quarter immediately following the election approving the proposal. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. All revenue received by a county from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely for providing law enforcement services for such county for so long as the tax shall remain in effect. **Revenue placed in the special trust fund may also be utilized for capital improvement projects for law enforcement facilities and for the payment of any interest and principle on bonds issued for said capital improvement projects.**

6. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law.

an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the county shall have no power to impose the sales tax authorized by sections 67.700 to 67.727 unless and until the governing body of the county shall again have submitted another proposal to authorize it to impose the sales tax under the provisions of sections 67.700 to 67.727 and such proposal is approved by a majority of the qualified voters voting thereon.

3. All revenue received by a county from the tax authorized by sections 67.700 to 67.727 which has been designated for a certain capital improvement purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. Upon the expiration of the period of years approved by the voters under subsection 2 of this section or if the tax authorized by sections 67.700 to 67.727 is repealed under section 67.721, all funds remaining in the special trust fund shall continue to be used solely for such designated capital improvement purpose **including the payment of principle and interest on any bonds issued to pay for such capital improvement**. Such reduction shall be in an amount sufficient to decrease the property taxes it will collect by not less than fifty percent of the sales tax revenue collected in the tax year for which the property taxes are being levied. If in the immediately preceding year a county actually collected less sales tax revenue than was projected for purposes of reducing its property tax levy or levies, the county shall adjust its property tax levy or levies for the current year to reflect such decrease. Any such county seeking voter approval of the sales tax alternative authorized in this subsection shall include in the ballot of submission authorized in subsection 2 of this section language clearly stating the appropriate percentage of the sales tax revenue shall be used for property tax reduction as provided herein. For purposes of this subsection, the term "sales tax revenue collected" shall have the meaning provided in section 67.500."; and

For the purposes of this section, the proration factor shall be equal to the sum of the total appropriation for distribution under subsections 1 and 2 of this section; and the state total of the deductions as calculated in subsection 2 of this section which do not exceed the district entitlements as adjusted by the same proration factor; divided by the amount of the state total of district entitlements before proration as calculated pursuant to this subsection; provided that, if the proration factor so calculated is greater than one, the proration factor for line 1(b) shall be the greater of one or the proration factor for line 1(a) minus five hundredths, and provided that if the proration factor so calculated is less than one, the proration factor for line 1(a) shall be the lesser of one or the proration factor for line 1(b) plus five hundredths.

2. From the district entitlement for each district there shall be deducted the following amounts: an amount determined by multiplying the district equalized assessed valuation by the district's equalized operating levy for school purposes times the district income factor plus ninety percent of any payment received the current year of protested taxes due in prior years no earlier than the 1997 tax year minus the amount of any protested taxes due in the current year and for which notice of protest was received during the current year **and minus the total amount of increased commissions certified to the district by county collectors and treasurer ex officio collectors pursuant to sections 52.260 and 52.315, RSMo**; one hundred percent of the amount received the previous year for school purposes from intangible taxes, fines, forfeitures and escheats, payments in lieu of taxes and receipts from state assessed railroad and utility tax, except that any penalty paid after July 1, 1995, by a concentrated animal feeding operation as defined by the department of natural resources rule shall not be included; one hundred percent of the amounts received the previous year for school purposes from federal properties pursuant to sections 12.070 and 12.080, RSMo; federal impact aid received the previous year for school purposes pursuant to P.L. 81-874 less fifty thousand dollars multiplied by ninety percent or the maximum percentage allowed by federal regulation if that percentage is less than ninety; fifty percent, or the percentage otherwise provided in section 163.087, of Proposition C revenues received the previous year for school purposes from the school district trust fund pursuant to section 163.087; one hundred percent of the amount received the previous year for school purposes from the fair share fund pursuant to section 149.015, RSMo; and one hundred percent of the amount received the previous year for school purposes from the free textbook fund, pursuant to section 148.360, RSMo.

3. School districts which meet the requirements of section 163.021 shall receive categorical add-on revenue as provided in this subsection. There shall be individual proration factors for each categorical entitlement provided for in this subsection, and each proration factor shall be determined by annual appropriations, but no categorical proration

factor shall exceed the entitlement proration factor established pursuant to subsection 1 of this section, except that the vocational education entitlement proration factor established pursuant to line 16 of subsection 6 of this section and the educational and screening program entitlements proration factor established pursuant to line 17 of subsection 6 of this section may exceed the entitlement proration factor established pursuant to subsection 1 of this section. The categorical add-on for the district shall be the sum of: seventy-five percent of the district allowable transportation costs pursuant to section 163.161 multiplied by the proration factor; the special education approved or allowed cost entitlement for the district, provided for by section 162.975, RSMo, multiplied by the proration factor; seventy-five percent of the district gifted education approved or allowable cost entitlement as determined pursuant to section 162.975, RSMo, multiplied by the proration factor; the free and reduced lunch eligible pupil count for the district, as defined in section 163.011, multiplied by twenty percent, for a district with an operating levy in excess of two dollars and seventy-five cents per one hundred dollars assessed valuation, or twenty-two percent, otherwise times the guaranteed tax base per eligible pupil times two dollars and seventy-five cents per one hundred dollars assessed valuation times the proration factor plus the free and reduced lunch eligible pupil count for the district, as defined in section 163.011, times thirty percent times the guaranteed tax base per eligible pupil times the following quantity: ((the greater of zero or the district's operating levy for school purposes minus two dollars and seventy-five cents per one hundred dollars assessed valuation) times one or, beginning in the fifth year following the effective date of this section, the quotient of the district's fiscal instructional ratio of efficiency for the prior year divided by the fiscal year 1998 statewide average fiscal instructional ratio of efficiency, if the district's prior year fiscal instructional ratio of efficiency is at least five percent below the fiscal year 1998 statewide average) times the proration factor, minus court-ordered state desegregation aid received by the district for operating purposes; the career ladder entitlement for the district, as provided for in sections 168.500 to 168.515, RSMo, multiplied by the proration factor; the vocational education entitlement for the district, as provided for in section 167.332, RSMo, multiplied by the proration factor and the district educational and screening program entitlements as provided for in sections 178.691 to 178.699, RSMo, times the proration factor.

4. Each district's apportionment shall be the prorated categorical add-ons plus the greater of the district's prorated entitlement minus the total deductions for the district or zero.

5. (1) In the 1993-94 school year and all subsequent school years, pursuant to section 10(c) of article X of the state constitution, a school district shall adjust upward its operating levy for school purposes to the extent necessary for the district to at least maintain the current operating expenditures per pupil received by the district from all sources in the 1992-93 school year, except that its operating levy for school purposes shall not exceed the highest tax rate in effect subsequent to the 1980 tax year, or the minimum rate required by subsection 2 of section 163.021, whichever is less.

(2) The revenue per eligible pupil received by a district from the following sources: line 1 minus line 10, or zero if line 1 minus line 10 is less than zero, plus line 14 of subsection 6 of this section, shall not be less than the revenue per eligible pupil received by a district in the 1992-93 school year from the foundation formula entitlement payment amount plus the amount of line 14 per eligible pupil that exceeds the line 14 per pupil amount from the 1997-98 school year, or the revenue per eligible pupil received by a district in the 1992-93 school year from the foundation formula entitlement payment amount plus the amount of line 14(a) per eligible pupil times the quotient of line 1 minus line 10, divided by the number of eligible pupils, or zero if line 1 minus line 10 is less than zero, divided by the revenue per eligible pupil received by the district in the 1992-93 school year from the foundation formula entitlement payment amount, whichever is greater. The department of elementary and secondary education shall make an addition in the payment amount of line 19 of subsection 6 of this section to assure compliance with the provisions contained in this section. **Beginning with the November 2001 state aid payment, and for each November state aid payment thereafter, each district receiving an additional payment amount pursuant to this subdivision shall also receive an additional state aid payment equal to the total amount certified to the district pursuant to the provisions of subsection 2 of section 52.315, RSMo, for the preceding year.**

(3) For any school district which meets the eligibility criteria for state aid as established in section 163.021, but which under subsections 1 to 4 of this section, receives no state aid for two successive school years, other than categorical add-ons, by August first following the second such school year, the commissioner of education shall present a plan to the superintendent of the school district for the waiver of rules and the duration of said waivers, in order to promote flexibility in the operations of the district and to enhance and encourage efficiency in the delivery of instructional services. The provisions of other law to the contrary notwithstanding, the plan presented to the superintendent shall provide a summary waiver, with no conditions, for the pupil testing requirements pursuant to section 160.257, RSMo. Further, the provisions of other law to the contrary notwithstanding, the plan shall detail a means for the waiver of requirements otherwise imposed on the school district related to the authority of the state board of education to classify school districts pursuant to section 161.092, RSMo, and such other rules as determined by the

commissioner of education, except that such waivers shall not include the provisions established pursuant to sections 160.514 and 160.518, RSMo.

(4) In the 1993-94 school year and each school year thereafter for two years, those districts which are entitled to receive state aid under subsections 1 to 4 of this section, shall receive state aid in an amount per eligible pupil as provided in this subsection. For the 1993-94 school year, the amount per eligible pupil shall be twenty-five percent of the amount of state aid per eligible pupil calculated for the district for the 1993-94 school year pursuant to subsections 1 to 4 of this section plus seventy-five percent of the total amount of state aid received by the district from all sources for the 1992-93 school year for which the district is entitled and which are distributed in the 1993-94 school year pursuant to subsections 1 to 4 of this section. For the 1994-95 school year, the amount per eligible pupil shall be fifty percent of the amount of state aid per eligible pupil calculated for the district for the 1994-95 school year pursuant to subsections 1 to 4 of this section plus fifty percent of the total amount of state aid received by the district from all sources for the 1992-93 school year for which the district is entitled and which are distributed in the 1994-95 school year pursuant to subsections 1 to 4 of this section. For the 1995-96 school year, the amount of state aid per eligible pupil shall be seventy-five percent of the amount of state aid per eligible pupil calculated for the district for the 1995-96 school year pursuant to subsections 1 to 4 of this section plus twenty-five percent of the total amount of state aid received by the district from all sources for the 1992-93 school year for which the district is entitled and which are distributed in the 1995-96 school year pursuant to subsections 1 to 4 of this section. Nothing in this subdivision shall be construed to limit the authority of a school district to raise its district operating levy pursuant to subdivision (1) of this subsection.

(5) If the total of state aid apportionments to all districts pursuant to subdivision (3) of this subsection is less than the total of state aid apportionments calculated pursuant to subsections 1 to 4 of this section, then the difference shall be deposited in the outstanding schools trust fund. If the total of state aid apportionments to all districts pursuant to subdivision (1) of this subsection is greater than the total of state aid apportionments calculated pursuant to subsections 1 to 4 of this section, then funds shall be transferred from the outstanding schools trust fund to the state school moneys fund to the extent necessary to fund the district entitlements as modified by subdivision (4) of this subsection for that school year with a district entitlement proration factor no less than one and such transfer shall be given priority over all other uses for the outstanding schools trust fund as otherwise provided by law.

6. State aid shall be determined as follows:

House Amendment No. 19

AMEND House Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 894, Page 73, Section 135.481, Line 17, by inserting after all of said line the following:

“135.484. 1. Beginning January 1, 2000, tax credits shall be allowed pursuant to section 135.481 in an amount not to exceed sixteen million dollars per year. Of this total amount of tax credits in any given year, eight million dollars shall be set aside for projects [involving eligible residences] in areas described in subdivision (6) of section 135.478 and eight million dollars for projects [involving qualifying residences] in areas described in subdivision (10) of section 135.478. The maximum tax credit for a project consisting of multiple- unit qualifying residences in a distressed community shall not exceed three million dollars.

2. Any amount of credit which exceeds the tax liability of a taxpayer for the tax year in which the credit is first claimed may be carried back to any of the taxpayer's three prior tax years and carried forward to any of the taxpayer's five subsequent tax years. A certificate of tax credit issued to a taxpayer by the department may be assigned, transferred, sold or otherwise conveyed. Whenever a certificate of tax credit is assigned, transferred, sold or otherwise conveyed, a notarized endorsement shall be filed with the department specifying the name and address of the new owner of the tax credit and the value of the credit.

3. The tax credits allowed pursuant to sections 135.475 to 135.487 may not be claimed in addition to any other state tax credits, with the exception of the historic structures rehabilitation tax credit authorized pursuant to sections

253.545 to 253.559, RSMo, which insofar as sections 135.475 to 135.487 are concerned may be claimed only in conjunction with the tax credit allowed pursuant to subsection 4 of section 135.481. In order for a taxpayer eligible for the historic structures rehabilitation tax credit to claim the tax credit allowed pursuant to subsection 4 of section 135.481, the taxpayer must comply with the requirements of sections 253.545 to 253.559, RSMo, and in such cases, the amount of the tax credit pursuant to subsection 4 of section 135.481 shall be limited to the lesser of twenty percent of the taxpayer's eligible costs or forty thousand dollars.

135.403. 1. Any investor who makes a qualified investment in a Missouri small business shall be entitled to receive a tax credit equal to forty percent of the amount of the investment or, in the case of a qualified investment in a Missouri small business in a distressed community as defined by section 135.530, a credit equal to sixty percent of the amount of the investment, and any investor who makes a qualified investment in a community bank or a community development corporation shall be entitled to receive a tax credit equal to fifty percent of the amount of the investment if the investment is made in a community bank or community development corporation for direct investment [into a targeted area as defined in section 135.400]. The total amount of tax credits available for qualified investments in Missouri small businesses shall not exceed thirteen million dollars and at least four million dollars of the amount authorized by this section and certified by the department of economic development shall be for investment in Missouri small businesses in distressed communities. Authorization for all or any part of this four million dollar amount shall in no way restrict the eligibility of Missouri small businesses in distressed communities, as defined in section 135.530, for the remaining amounts authorized within this section. No more than twenty percent of the tax credits available each year for investments in community banks or community development corporations for direct investment [into a targeted area] shall be certified for any one project, as defined in section 135.400. The tax credit shall be evidenced by a tax credit certificate in accordance with the provisions of sections 135.400 to 135.430 and may be used to satisfy the state tax liability of the owner of the certificate that becomes due in the tax year in which the qualified investment is made, or in any of the ten tax years thereafter. When the qualified small business is in a distressed community, as defined in section 135.530, the tax credit may also be used to satisfy the state tax liability of the owner of the certificate that was due during each of the previous three years in addition to the year in which the investment is made and any of the ten years thereafter. No investor may receive a tax credit pursuant to sections 135.400 to 135.430 unless that person presents a tax credit certificate to the department of revenue for payment of such state tax liability. The department of revenue shall grant tax credits in the same order as established by subsection 1 of section 32.115, RSMo. Subject to the provisions of sections 135.400 to 135.430, certificates of tax credit issued in accordance with these sections may be transferred, sold or assigned by notarized endorsement thereof which names the transferee.

2. [The amount of qualified investments which can be made is limited so that the aggregate of all tax credits authorized pursuant to the provisions of sections 135.400 to 135.430 shall not exceed nineteen million dollars. Six million] **Five hundred thousand** dollars in tax credits shall be available **annually from the total amount of tax credits authorized by section 32.110 and subdivision 4 of subsection 2 of section 32.115** as a result of investments in community banks or community development corporations. Aggregate investments eligible for tax credits in any one Missouri small business shall not be more than one million dollars. Aggregate investments eligible for tax credits in any one Missouri small business shall not be less than five thousand dollars as of the date of issuance of the first tax credit certificate for investment in that business.”; and

Further amend said bill, Page 18, Section 135.516, Line 19, by inserting after all of said line the following:

“[135.766. An eligible small business, as defined in Section 44 of the Internal Revenue Code, shall be allowed a credit against the tax otherwise due pursuant to chapter 143, RSMo, not including sections 143.191 to 143.265, RSMo, in an amount equal to any amount paid by the eligible small business to the United States Small Business Administration as a guaranty fee pursuant to obtaining Small Business Administration guaranteed financing and to programs administered by the United States Department of Agriculture for rural development or farm service agencies.]”; and

Further amend said bill, Page 161, Section E, by inserting the following after all of said line:

“620.1039. 1. As used in this section, the term "taxpayer" means an individual, a partnership, or a corporation as described in section 143.441, 143.471, RSMo, or section 148.370, RSMo, and the term "qualified research expenses" has the same meaning as prescribed in 26 U.S.C. 41.

2. **For tax years beginning on or after January 1, [1994,] 2001, the director of the department of economic development may authorize a taxpayer [may be allowed] to receive a tax credit against the tax otherwise due pursuant**

to chapter 143, RSMo, or chapter 148, RSMo, other than the taxes withheld pursuant to sections 143.191 to 143.265, RSMo,[if approved by the director of the department of economic development,] in an amount up to six and one-half percent of the excess of the taxpayer's qualified research expenses, as certified by the director of the department of economic development, within this state during the taxable year over the average of the taxpayer's qualified research expenses within this state over the immediately preceding three taxable years; except that, no tax credit shall be allowed on that portion of the taxpayer's qualified research expenses incurred within this state during the taxable year in which the credit is being claimed, to the extent such expenses exceed two hundred percent of the taxpayer's average qualified research expenses incurred during the immediately preceding three taxable years. [In order to receive a tax credit pursuant to this section, certification by the director of the department of economic development shall be required as proof that the taxpayer made qualified research expenses during the taxable year.]

3. The director of economic development shall prescribe the manner in which the tax credit may be [claimed] **applied for**. The tax credit [allowed] **authorized** by this section may be claimed by the taxpayer to offset the tax liability imposed by chapter 143, RSMo, or chapter 148, RSMo, that becomes due in the tax year during which such qualified research expenses were incurred. Where the amount of the credit exceeds the tax liability, the difference between the credit and the tax liability may only be carried forward for the next five succeeding taxable years or until the full credit has been claimed, whichever first occurs. The application for [claiming] tax credits [allowed in] **authorized by the director pursuant to** subsection 2 of this section shall be made [in] **no later than the end of** the taxpayer's tax period immediately following the tax period for which the credits are being claimed. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo. All rulemaking authority delegated prior to June 27, 1997, is of no force and effect and repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to June 27, 1997, if such rule complied with the provisions of chapter 536, RSMo. The provisions of this section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, including the ability to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule, are subsequently held unconstitutional, then the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void.

[4.] **6.** The aggregate of all tax credits authorized pursuant to this section shall not exceed [ten] **nine** million **seven hundred thousand** dollars in any [taxable] year.

Section F. Sections 135.403 and 620.1039 will become effective on January 1, 2001.”; and

3. (1) The community comeback trust board shall be composed of seven members as provided in this subsection. (4) Upon the passage of an ordinance by the governing body of the county establishing the community comeback trust program, the governing body of the county shall, within ten days, send by United States mail written notice of the passage of the ordinance to the chief elected officials of each municipality wholly in the county.

(5) Each of the nominating authorities described in subdivision (2) of this subsection shall, within forty-five days of the passage of the ordinance establishing the program or within fourteen days of being notified of a board vacancy by the county executive, submit its list of nominees to the county executive. The county executive shall appoint members within sixty days of the passage of the ordinance or within thirty days of being notified by the board of a vacancy on the board. If a list of nominees is not submitted by the time specified, the county executive shall appoint the members using the criteria set forth in this section.

(6) At the first meeting of the board appointed after the effective date of the ordinance, the members shall choose by lot the length of their terms. Three shall serve for one year, two for two years, and two for three years. All succeeding members shall serve terms of three years. Terms shall end on December thirty-first of the respective year. No member shall serve more than two consecutive full terms. Full terms shall include any term longer than two years.

4. The board, its employees and subcontractors shall be subject to the regulation of conflicts of interest as defined in sections 105.450 to 105.498, RSMo, and to the requirements for open meetings and records pursuant to chapter 610, RSMo. The board shall enact and adopt all rules, regulations and procedures that are reasonably necessary to achieve the objectives of sections 67.478 to 67.493, and not inconsistent therewith, no sooner than twenty-seven calendar days after notifying all municipalities and the county of the proposed rule, regulation or procedure enactment or change. Notice may be given by ordinary mail, electronic mail or by publishing in at least one newspaper of general circulation qualified to publish legal notices. No new or amended rule, regulation or procedure shall apply retroactively to any proposal pending before the board without the agreement of the petitioner. The board shall have the exclusive control of the expenditures of all money collected to the credit of the trust fund, subject to annual appropriations by the governing body of the county. The county government shall provide the program staff. No more than five percent of the program's annual budget shall be used for the program's annual administrative expenses.

5. The board is authorized to issue bonds, notes or other obligations for any proposal, and to refund such bonds, notes or obligations, as provided in subsection 3 of this section; and to receive and liquidate property, both real and personal, or money which has been granted, donated, devised or bequeathed to the district. The trust shall not have any power of eminent domain.

6. (1) Bonds issued pursuant to this section shall be issued pursuant to a resolution adopted by five-sevenths of the board which shall set out the estimated cost of the proposed improvements, and shall further set out the amount of the bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment and all other details in connection with such bonds. Any such bonds may be subject to such provision for redemption prior to maturity, with or without premium, and at such times and upon such conditions as may be provided by the resolution.

(2) Notwithstanding the provisions of section 108.170, RSMo, such bonds shall bear interest at rate or rates determined by the board, shall mature within a period not exceeding twenty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount of such bonds. Bonds issued by the board shall possess all of the qualities of negotiable instruments pursuant to the laws of this state.

(3) Such bonds may be payable to the bearer, may be registered or coupon bonds, and, if payable to bearer, may contain such registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing such bonds, which resolution may also provide for the exchange of registered and coupon bonds. Such bonds and any coupons attached thereto shall be signed in such manner and by such officers of the district as may be provided by the resolution authorizing the bonds. The board may provide for the replacement of any bond which has become mutilated, destroyed or lost.

(4) Bonds issued by the board shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the trust fund, including revenues derived from use taxes. Neither the board members nor any person executing the bonds shall be personally liable on such bonds by reason of the issuance of such bonds. Bonds issued pursuant to this section shall not constitute a debt, liability or obligation of this state, or any political subdivision of this state, nor shall any such obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets managed by the board to the credit of the trust fund. The issuance of bonds pursuant to this section shall not directly, indirectly or contingently obligate this state or any political subdivision of this state to levy any form of taxation for such bonds or to make any appropriation for their payment. Each obligation or bond issued pursuant to this section shall contain on its face a statement to the effect that the board shall not be obligated to pay such bond nor interest on such bond except from the revenues received by the board or assets of trust lawfully pledged for such trust fund, and that neither the faith or credit nor the taxing power of this state or of any political subdivision of this state is pledged to the payment of the principal of or the interest on such obligation or bond. The proceeds of such bonds shall be disbursed in such manner and pursuant to such restrictions as the board may provide in the resolution authorizing the issuance of such bonds.

(5) The board may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of such bonds then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities or land to be acquired, leased or subleased by the board, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest on such bonds to the date of such refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The board shall provide for the payment of interest and principal of such refunding bonds in the same manner as was provided for the payment of interest and principal of the bonds refunded.

(6) In the event that any of the members or officers of the board whose names appear on any bonds or coupons shall cease to be on the board or cease to be an officer before the delivery of such bonds, such signatures shall remain valid and sufficient for all purposes, the same as if such board members or officers had remained in office until such delivery.

(7) The board is hereby declared to be performing a public function and bonds of the board are declared to be issued for an essential public and governmental purpose, and, accordingly, interest on such bonds and income from such bonds shall be exempt from income taxation by this state. All purchases in excess of ten thousand dollars shall be made pursuant to the lowest and best bid standard as provided in section 34.040, RSMo, or pursuant to the lowest and best proposal standard as provided in section 34.042, RSMo. The board shall have the same discretion, powers and duties as the commissioner of administration has in sections 34.040 and 34.042, RSMo.

67.487. 1. Within fourteen days of the first meeting of the first board appointed following the effective date of the ordinance, the board shall notify by mail the chief elected officials of all municipalities wholly within

the county, the chief elected official of the county and all the members of the governing body of the county of the requirement to conduct a planning process and adopt a community comeback plan.

2. The board shall solicit full citizen, county and municipal involvement in developing the plan. The board shall conduct public hearings throughout the county to seek input regarding the plan, and may convene meetings with the appropriate staff of the county and municipalities in order to seek input and to coordinate the logistics of producing the plan. A copy of the plan shall be sent to the chief elected official of every municipality wholly within the county, the chief elected official of the county and each member of the governing body of the county.

3. The board and the governing body of the county shall annually revise and adopt a plan.

4. Each plan shall include a map of the county, as well as a text enumerating the efforts expected each year in the various subregions of the county. Each plan shall address the factors that are causing or are likely to cause one or more of the following:

Each plan shall include an analysis of the condition of the housing stock in the various subregions of the county, a market analysis of the home-buying market with a focus on the impediments to attracting home buyers to those subregions and an analysis of the physical infrastructure needs that prevent economic growth.

6. The board may consider the following factors when determining the appropriate areas and strategies for investment:

- (1) Buildings that are unsafe or unhealthy for occupancy due to code violations, dilapidation, defective design, faulty utilities or any other negative conditions;
- (2) Factors that prevent or substantially hinder the economically viable use of buildings or lots, such as substandard design, inadequate size, lack of parking or any other conditions;

- (7) The existence of conditions that are not conducive to public safety; and
- (8) The lack of necessary commercial facilities normally found in neighborhoods.

7. Each plan shall outline specific strategies to address the problems facing the various subregions and neighborhoods within the county. The plan shall also discuss the partnerships that can be made with federal, state and local governments, as well as businesses, labor organizations, nonprofit groups, religious and other groups and citizens to help implement the plan. These strategies shall include estimated costs and time lines for completion.

8. The board shall produce an annual report focusing on the accomplishments of the program relative to the goals set forth in the plan, the goals for the next year and the challenges facing the board. The annual report shall be given to the chief elected officials of all the municipalities wholly within the county, the chief elected official of the county, the members of the governing board of the county and the public libraries within the county, and shall be posted on the county Internet web site.

9. Every year, the board shall commission an independent financial audit, the report of which shall be distributed in the same manner as the annual report pursuant to subsection 8 of this section.

10. Every five years, the board shall commission an independent management audit. The management audit shall include a comprehensive analysis of development trends, factors and practices along with specific recommendations to improve the board's ability to achieve its mission. The management audit shall be reviewed by the advisory committee which may offer constructive advice on enhancing practices in order to achieve the goals of the program. The management audit shall be distributed in the same manner as the annual report pursuant to subsection 8 of this section. The board is authorized to take any necessary and proper steps to

address the issues and recommendations contained within the management audit.

11. (1) The board shall establish an eleven member advisory committee that shall meet four times each year and shall advise petitioners, staff and the board. The advisory committee members shall be appointed by the county executive. At least six of the advisory committee's members shall be nominated by a not-for-profit organization which is primarily concerned with the affairs of the local governments within the county and at least three shall be nominated by the members of the governing body of the county. No advisory committee member shall receive compensation for performance of duties as a committee member.

(2) At least one of the advisory committee members shall be a university professor well-versed in regional development issues. At least two of the advisory committee members shall be municipal officials from communities that have undertaken redevelopment programs as part of larger planning efforts. At least one of the advisory committee members shall be an attorney with experience in redevelopment activities. At least one of the advisory committee members shall be a private professional familiar with the factors influencing business location decisions. At least one of the advisory committee members shall be an individual familiar with education and training practices and workforce needs, with an understanding of how labor availability impacts business location decisions. At least one of the advisory committee members shall be a planner from the private sector knowledgeable in the area of strategic planning and the principles of multiyear rolling plans.

(3) The advisory committee shall promptly notify the county executive of the pending expiration of any member's term or any vacancy on the advisory committee. A member whose term has expired shall continue to serve until his or her successor is appointed and qualified.

(4) The board shall establish the advisory committee by resolution at the board's first meeting. The board shall, within ten days of the passage of the resolution establishing the advisory committee, send by United States mail written notice of the passage of the resolution to a not-for-profit organization which is primarily concerned with the affairs of the local governments and the members of the governing body of the county. The not-for-profit organization which is primarily concerned with the affairs of the local governments and the members of the governing board of the county shall, within forty-five days of the passage of the resolution establishing the advisory committee or within fourteen days of being notified of a vacancy by the county executive, submit its list of nominees to the county executive. The county executive shall appoint members within sixty days of the passage of the resolution or within thirty days of being notified by the committee of a vacancy on the advisory committee. If a list of nominees is not submitted by the time specified, the county executive shall appoint the members using the criteria set forth in this section before the sixtieth day from the passage of the resolution or before the thirtieth day from being notified of a vacancy on the existing advisory committee.

(5) At the advisory committee's first meeting, the members shall choose by lot the length of their terms. Two shall serve for one year, three for two years, three for three years and three for four years. All succeeding committee members shall serve for four years. Terms shall end on December thirty-first of the respective year.

(6) The committee members shall be subject to the regulation of conflicts of interest as defined in sections 105.450 to 105.498, RSMo, and to the requirements for open meetings and records pursuant to chapter 610, RSMo.

67.490. 1. The board shall in a timely manner adopt rules setting forth basic guidelines for acceptance and evaluation of petitions, including a common understandable format, as well as appropriate supporting material, maps, plans and data. The board shall begin to accept petitions one month after the adoption of the plan by the governing body of the county pursuant to section 67.487. The board shall review all petitions submitted by any petitioner. Review shall begin no later than thirty days after submission of the petition to the commission. In order to qualify as a proposal, a petition shall address the criteria set forth in subsection 4 of this section. For the purposes of this subsection, the term "pending" means any proposal submitted to the board which has not yet been approved by the board.

2. When practical, a petition shall be initially submitted to the advisory committee for constructive review and comment in a manner likely to result in a proposal that addresses a strategy outlined in the plan.

3. The board shall hold a public hearing concerning the petition, which may be on the same day as a scheduled meeting of the board.

4. (1) In reviewing any petition for funding, the board shall first determine if funds are sought for eligible expenses for a neighborhood reinvestment project. If the petition seeks such funds, the board shall certify such petition as a proposal subject to further review unless the board finds that the petition seeks funds for expenses

that do not qualify as eligible expenses, or seeks funds for an endeavor other than a neighborhood reinvestment project. If the board finds that funds are sought for ineligible expenses or for an ineligible endeavor, the board need not take any further action and shall notify the petitioner in writing of all deficiencies that prevent the petition from being a proposal. If the board determines that there is a minor error or discrepancy in a petition, the board, with the petitioner's concurrence, may make such changes to the petition as are necessary to rectify the error that prevents the petition from being certified as a proposal subject to further review. Within six months of certification of a petition as a proposal, the board shall issue a finding approving or disapproving such proposal. In disapproving any proposal, the board shall issue a document indicating the reasons that the proposal was disapproved.

(2) If the board determines that a proposal is a priority comeback project consistent with the strategies and priorities set forth in the community comeback plan and that the project is well planned, realistic, creative, resourceful, benefits the local community and is cost-effective, then the board shall award funding. If the board determines that a proposal is a priority comeback project, but is inconsistent with the strategies and priorities in the community comeback plan, the board may award funding if it finds that the project is well planned, realistic, creative, resourceful, benefits the local community, is cost-effective and addresses the reinvestment needs of neighborhoods by one or more of the following:

- (a) Reducing or removing impediments to attracting home buyers;
- (b) Providing the necessary physical infrastructure needed to promote significant job growth;
- (c) Reducing or removing any such factor or factors that constitute an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use.

(3) If the board determines that a proposal, which is not a priority comeback project, is consistent with the strategies and priorities set forth in the community comeback plan and is well planned, realistic, creative, resourceful, benefits the local community and is cost-effective, the board may award funding if the board adds such proposal to the plan. If the board determines that a proposal, which is not a priority comeback project, is inconsistent with the strategies and priorities in the community comeback plan, the board may award funding if it finds that the project is well planned, realistic, creative, resourceful, benefits the local community, is cost-effective and addresses the reinvestment needs of neighborhoods by one or more of the following:

- (a) Reducing or removing impediments to attracting home buyers;
- (b) Providing the necessary physical infrastructure needed to promote significant job growth;
- (c) Reducing or removing any such factor or factors that constitute an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use.

(4) The board, the advisory committee and the staff of both may advise petitioners on issues related to petitions or proposals. The board may meet informally, subject to the requirements of chapter 610, RSMo, with representatives of potential petitioners with regard to future petitions and plans.

5. The board shall establish a select neighborhood action program. SNAP applicants shall provide a ten-percent cash or in-kind match to be eligible for a SNAP grant. Project categories eligible for SNAP grant funding shall be:

(1) Neighborhood beautification projects which enhance the appearance of the overall neighborhood. Such projects include, but are not limited to, tree and flower plantings, cleanups, entranceway landscaping, community gardens, public art and neighborhood identification signs/banners;

(2) Neighborhood organization or capacity projects which create or increase membership in a neighborhood organization promoting community betterment. Such projects include, but are not limited to, neighborhood newsletters, neighborhood marketing brochures, neighborhood meetings and special events, and technology such as web site development;

(3) Neighborhood-school partnership projects which benefit a school and the adjacent neighborhood. Involvement of both the school and the neighborhood in planning, implementation and maintenance must be substantiated. Partnership projects include, but are not limited to, youth and community programs that promote safety, culture or the environment and that are beneficial to both the school and the neighborhood;

(4) Capital purchase projects which include the acquisition of equipment or property. Such projects include, but are not limited to, land acquisition, playground equipment, bicycle racks and major supplies;

(5) Neighborhood improvement projects which benefit the local infrastructure in a neighborhood, and include construction of sidewalks or installation of street lights.

6. Project categories ineligible for SNAP grant funding shall be:

- (1) Projects accomplished in more than twelve months;

- (2) Projects that duplicate existing private or public programs;
- (3) Projects that require ongoing services, or requests to support continual operating budgets; and
- (4) Projects that conflict with the community comeback plan.

7. Should a single-family dwelling or single-family residence as defined in this subsection cease to operate for the purposes specified in this subsection, any other use of such dwelling or residence, other than that allowed by the zoning regulations, shall be approved by the county board of zoning adjustment. Nothing in this subsection shall be construed to relieve the division of family services, the department of mental health or any other person, firm or corporation occupying or utilizing any single-family dwelling or single-family residence for the purposes specified in this subsection from compliance with any ordinance or regulation relating to occupancy permits except as to number and relationship of occupants or from compliance with any building or safety code applicable to actual use of such single-family dwelling or single-family residence.

2. Before being issued a license under this act, a Missouri entity that proposes to apply for a license or that applies for a license may perform, under a name that indicates that the entity is a business and industrial development entity, the acts necessary to apply for and obtain a license and to otherwise prepare to commence transacting business as a licensee. Such an entity shall not represent that it is a licensee until after the license has

been obtained.

3. A licensee shall not misrepresent the meaning or effect of its license.

4. The name of each licensee shall include the word "BIDCO". A licensee shall not transact business under any other name.

620.1763. 1. After complying with subsection 2 a licensee may apply to the director to have the director accept the surrender of the licensee's license. 2. Not less than sixty days before filing an application with the director under subsection 1, a licensee shall notify all of its creditors of its intention to file the application.

620.1766. 1. 2. The managers of each licensee described in subsection 1 of this section shall hold a meeting not less than once each calendar quarter.

3. Within thirty days after the death, resignation, or removal of a director, officer, partner, or manager, the election of a director or manager or the appointment of an officer, or the admission of a partner, the licensee shall notify the director in writing of the event and shall provide any additional information which the director may require.

620.1769. 1. A licensee shall maintain not less than one office in this state.

2. A licensee shall post in a conspicuous place at each of its offices a sign which bears the corporate name of the licensee.

3. Upon written notice to the director, a licensee may establish, relocate, or close an office.

620.1772. 1. The business of a licensee shall be to provide financing assistance and management assistance to business firms. A licensee shall not engage in a business other than providing financing assistance and management assistance to business firms.

2. The powers of a licensee include, but are not limited to, all of the following:

(1) To borrow money and otherwise incur indebtedness for its purposes, including issuance of corporate bonds, debentures, notes, or other evidence of indebtedness. A licensee's indebtedness may be secured or unsecured, and may involve equity features including, but not limited to, provisions for conversion to stock and warrants to purchase stock;

(2) To make contracts;

(3) To incur and pay necessary and incidental operating expenses;

(4) To purchase, receive, hold, lease, or otherwise acquire, or to sell, convey, mortgage, lease, pledge, or otherwise dispose of, real or personal property, together with rights and privileges that are incidental and appurtenant to these transactions of real or personal property, if the real or personal property is for the licensee's use in operating its business or if the real or personal property is acquired by the licensee from time to time in satisfaction of debts or enforcement of obligations;

(5) To make donations for charitable, educational, research, or similar purposes;

(6) To implement a reasonable and prudent policy for conserving and investing its money before the money is used to provide financing assistance to business firms or so pay the expenses of the licensee; and

(7) To lend money upon such terms and conditions as it deems reasonable.

620.1775. 1. A licensee may determine the form and the terms and conditions for financing assistance provided by that licensee to a business firm including, but not limited to, forms such as loans; purchase of debt instruments; straight equity investments such as purchase of common stock, preferred stock, or membership interests, debt with equity features such as warrants to purchase stock or membership interests, convertible debentures, or receipt of a percent at net income or sales royalty based financing; guaranteeing of debt; or leasing of property. If a licensee participates in a program referred to in this subsection, the license shall comply with the requirements of that program.

2. Management assistance provided by a licensee to a business firm may encompass both management or technical advice and management or technical services.

3. Financing assistance or management assistance provided by a licensee to a business firm shall be for the business purposes of that business firm.

4. A licensee may exercise the incidental powers that are necessary or convenient to carry on the business of, or are reasonably related to the business of, providing financing assistance and management assistance to business firms.

620.1778. 1. A licensee shall transact its business in a safe and sound manner and shall maintain itself in a safe and sound condition.

2. In determining whether a licensee is transacting business in a safe and sound manner or has committed an unsafe or unsound act, the director shall not consider the risk of a provision of financing assistance to a business firm, unless the director determines that the risk is so great compared with the realistically expected return as to demonstrate gross mismanagement.

3. Subsection 2 of this section authorizes but does not limit the authority of the director to do any of the following:

(1) Determine that a licensee's financing assistance to a single business firm or a group of affiliated business firms is in violation of subsection 1 of this section or constitutes an unsafe or unsound act, if the amount of that financing assistance is unduly large in relation to the total assets or the total shareholders equity of the licensee;

(2) Require that a licensee maintain a reserve in the amount of anticipated losses; and

(3) Require that a licensee have in effect a written financing assistance policy, approved by its board of directors, including credit evaluation and other matters. The director shall not require that a licensee adopt a financing assistance policy that contains standards which prevent the licensee from exercising needed flexibility in evaluating and structuring financing assistance to business firms on a deal by deal basis.

620.1781. 1. Without the prior approval of the director, a person shall not acquire control of a licensee.

2. With respect to an application for approval to acquire control of a licensee, if the director determines, that the applicant and the directors, officers, and managers of the applicant are of good character and sound financial standing, that it is reasonable to believe that, if the applicant acquires control of the licensee, the applicant will comply with this act, and that the applicant's plans, if any, to make a major change in the business, corporate structure, or management of the licensee are not detrimental to the safety and soundness of the licensee, the director shall approve the application. If, after notice and a hearing, the director determines otherwise, the director shall deny the application.

3. For purposes of this section, the director may determine any of the following:

(1) That an applicant or a director, officer, or manager of an applicant is not of good character if that person has been convicted of, or has pleaded nolo contendere to, a crime involving fraud or dishonesty;

(2) That an applicant's plan to make a major change in the management of a licensee is detrimental to the safety and soundness of the licensee if the plan provides for a person to become a director, officer, or manager of the licensee and that person has been convicted of, or has pleaded nolo contendere to, a crime involving fraud or dishonesty; and

(3) The conditions described in subsection 3 of this section are not the only conditions upon which the commissioner may determine that an applicant or a director, officer, or manager of an applicant is not of good character or that an applicant's plan to make a major change in the management of a licensee is detrimental to the safety and soundness of the licensee.

620.1784. 1. A licensee shall not merge with another entity:

(1) If the licensee is the surviving entity, the merger is approved by the director; or

(2) If the licensee is a disappearing entity, the surviving entity is a licensee and the merger is approved by the director.

2. A licensee shall not purchase all or substantially all of the business of another person unless the purchase is approved by the director.

3. A licensee shall not sell all or substantially all of its business or of the business of any of its offices to another person unless that other person is a licensee and the sale is approved by the director.

4. The director shall approve an application for approval of a merger, purchase, or sale, if, and only if, the director determines all of the following:

(1) That the merger, purchase, or sale will be safe and sound with respect to the acquiring licensee;

(2) That, upon consummation of the merger, purchase, or sale, it is reasonable to believe that the acquiring

licensee will comply with this act; and

(3) That the merger, purchase, or sale will not have a major detrimental impact on competition in the providing of financial assistance or management assistance to business firms, or if there will be such a detrimental impact, that the merger, purchase, or sale is necessary in the interests of the safety and soundness of any of the parties to the merger, purchase, or sale, or is otherwise, on balance, in the public interest.

620.1787. 1. If in the opinion of the director, a person violates, or there is reasonable cause to believe that a person is about to violate this act, the director may bring an action in the name of the people of this state in a circuit court to enjoin the violation or to enforce compliance with this act. Upon a proper showing, a restraining order, preliminary or permanent injunction, or writ of mandamus shall be granted, and a receiver or a conservator may be appointed for the defendant or the defendant's assets. The court shall not require the director to post a bond in an action brought under this act.

2. A person having custody of any of the books, accounts, or other records of a licensee shall not willfully refuse to allow the director, upon request, to inspect or make copies of any of those books, accounts, or other records.”; and

620.052. 1. Prior to submitting proposed rules for adoption, amendment, or repeal pursuant to chapter 536, RSMo, the agency shall determine whether the proposed rules affect small business, and if so, the availability and practicability of less restrictive alternatives that could be implemented. This section shall not apply to emergency rulemaking as set forth in section 536.025, RSMo. This section shall be in addition to the fiscal note requirement of sections 536.200 to 536.210, RSMo.

2. If the proposed rules affect small business, the agency shall consider creative, innovative, or flexible methods of compliance for small businesses and prepare a small business impact statement to be submitted with

the proposed rules. The statement may provide a reasonable determination of the following:

(2) Description of the small businesses that will be required to comply with the proposed rules and how they may be adversely affected;

(8) Whether other states or entities have similar rules, and if determinable, what alternatives were implemented, along with associated costs.

3. Any small business may offer to the agency alternatives to the proposed rule to reduce the impact of the proposed rule upon small business.

4. This section shall not apply to proposed rules adopted by an agency to implement a statute that does not require an agency to interpret or describe the requirements of the statute such as federally mandated regulations which affords the agency no discretion to consider less restrictive alternatives, nor shall this section apply to any agency that considers the same or similar impact as contained in this section, provided that such agency publish the same or similar statement as part of its rulemaking process.

620.054. 1. There shall be established within the department of economic development a small business regulatory review board to consider any request from small business owners for review of any rule adopted by a state agency and to make recommendations to the agency or the general assembly regarding the need for a rule change or legislation. The establishment of the small business regulatory review board shall be a type I agency as defined in appendix B, RSMo.

2. The small business regulatory review board shall consist of five members, who shall be appointed or serve by designation as follows:

(2) One member to be appointed by the speaker of the house of representatives; and

(3) One member to be appointed by the president pro tempore of the senate.

The lieutenant governor shall be an ex officio nonvoting member of the board. All nonlegislative appointments made pursuant to this subsection shall be made from a list of nominees, submitted to each appointing authority, by any nonprofit organization formed under the laws of this state the principal purpose of which is to function as a business membership service organization.

3. The appointments shall reflect representation of a variety of small businesses in the state, provided that no more than two members shall be representatives from the same type of small business.

4. All nonlegislative members of the small business regulatory review board shall be either a current or former owner or officer of a small business and shall not be an officer or employee of the federal, state, or county government. The governor shall appoint the initial chairperson of the board and a majority of the board shall elect subsequent chairpersons. The chairperson shall serve a term of not more than one year, unless removed earlier by a two-thirds vote of all members of the board.

5. A majority of all the members of the board shall constitute a quorum to do business and the concurrence of a majority of all the members of the board present and voting shall be necessary to make any action of the board valid.

620.056. 1. In addition to the basis for filing a petition provided in section 536.041, RSMo, any affected small business may file a written petition with the agency that has adopted rules objecting to all or part of any rule affecting small business on any of the following grounds:

(1) The actual effect on small business was not reflected in, or significantly exceeded, the small business impact statement submitted prior to the adoption of the rules;

(2) The small business impact statement did not consider new or significant economic information that reveals an undue impact on small business;

(3) The rules create an undue barrier to the formation, operation, and expansion of small businesses in a manner that significantly outweighs its benefit to the public;

(4) The rules duplicate, overlap, or conflict with rules adopted by another agency or violate the substantive authority under which the rules were adopted; or

(5) The technology, economic conditions, or other relevant factors justifying the purpose for the rules have changed or no longer exist.

2. Upon submission of the petition, the agency shall forward a copy of the petition to the small business regulatory review board and the joint committee on administrative rules, as required by section 536.041, RSMo, as notification of a petition filed pursuant to the provisions of sections 620.050 to 620.060. The agency shall promptly consider the petition and may seek advice and counsel regarding the petition. Within sixty days after the submission of the petition, the agency shall determine whether the impact statement or the public hearing addressed the actual and significant impact on small business. The agency shall submit a written response of the agency's determination to the small business regulatory review board within sixty days after receipt of the petition. If the agency determines that the petition merits the adoption, amendment, or repeal of a rule, it may initiate proceedings in accordance with the applicable requirements of chapter 536, RSMo.

3. If the agency determines that the petition does not merit the adoption, amendment, or repeal of any rule, any affected small business may seek a review of the decision by the small business regulatory review board. The board may convene a meeting for the purpose of soliciting testimony that will assist in its determination whether to recommend that the agency initiate proceedings in accordance with chapter 536, RSMo. The board shall not consider a successive petition on the same rule for a period of one year. For rules adopted after August 28, 2000, the board may base its recommendation on any of the following reasons:

(1) The actual effect on small business was not reflected in, or significantly exceeded, the impact statement submitted prior to the adoption of the rules;

(2) The impact statement did not take into account new or significant economic information that reveals an undue impact on small business;

(3) The rules created an undue barrier to the formation, operation, and expansion of small businesses in the state in a manner that significantly outweighs its benefit to the public;

(4) The rules duplicate, overlap, or conflict with rules adopted by another agency or violate the substantive authority under which the rules were adopted; or

(5) The technology, economic conditions, or other relevant factors justifying the purpose for the rules have changed or no longer exist.

4. If the small business regulatory review board recommends that an agency initiate rulemaking proceedings for any reason provided in subsection 2 or 3 of this section, it shall submit to the general assembly an evaluation report and the agency's response as provided in this section. The general assembly may subsequently take such action in response to the evaluation report and the agency's response as it finds appropriate.

620.058. 1. Each agency having rules that affect small business in effect on August 28, 2000, shall submit by June thirtieth of each odd-numbered year, a list of those rules to the small business regulatory review board.

2. The small business regulatory review board shall provide to the head of each agency a list of any rules adopted by the agency that affect small business and have generated complaints or concerns, including any rules that the board determines may duplicate, overlap, or conflict with other rules, or exceed statutory authority. The board may request a response from the agency regarding any specific rule so submitted. Within forty-five days after being notified by the board of any specific rule at issue, the agency shall submit a written report to the board in response to the complaints or concerns. The agency shall also state whether the agency has considered the continued need for the rules and the degree to which technology, economic conditions, and other relevant factors may have diminished or eliminated the need for maintaining the rules.

3. The board may solicit testimony from the public and any agency regarding any report submitted by the agency under this section at a public meeting. Upon consideration of any report submitted by an agency under this section and any public testimony, the small business regulatory review board shall submit an evaluation report to each regular session of the general assembly in even-numbered years. The evaluation report shall

include an assessment as to whether the public interest significantly outweighs a rule's effect on small business and any legislative proposal to eliminate or reduce the effect on small business. The evaluation report may include assessments of the regulatory agencies, and make such recommendations regarding small business regulatory fairness. The general assembly may take such action in response to the report as it finds appropriate.

620.060. 1. Except where a penalty is assessed pursuant to a program approved, authorized, or delegated under a federal law, any agency authorized to assess administrative penalties as allowed by federal or state law upon a small business shall waive or reduce any penalty for a violation of any statute or rules by a small business under the following conditions:

(3) A violation results in serious health, safety, or environmental impact.”; and

The governing body of any county, except a county of the first class with a charter form of government with a population of greater than four hundred thousand inhabitants, is hereby authorized to impose, by ordinance or order, a sales tax in the amount of up to one-half of one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525, RSMo, for the purpose of providing law enforcement services for such county. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

(1) If the proposal submitted involves only authorization to impose the tax authorized by this section the ballot

shall contain substantially the following:

Shall the county of (county's name) impose a countywide sales tax of (insert amount) for the purpose of providing law enforcement services for the county?

G Yes

G No

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No"; or

(2) If the proposal submitted involves authorization to enter into agreements to form a regional jail district and obligates the county to make payments from the tax authorized by this section the ballot shall contain substantially the following:

Shall the county of (county's name) be authorized to enter into agreements for the purpose of forming a regional jail district and obligating the county to impose a countywide sales tax of (insert amount) to fund dollars of the costs to construct a regional jail and to fund the costs to operate a regional jail, with any funds in excess of that necessary to construct and operate such jail to be used for law enforcement purposes?

G Yes

G No

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No". If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal submitted pursuant to subdivision (1) of this subsection, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second quarter immediately following the election approving the proposal. If the constitutionally required percentage of the voters voting thereon are in favor of the proposal submitted pursuant to subdivision (2) of this subsection, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second quarter immediately following the election approving the proposal. If a proposal receives less than the required majority, then the governing body of the county shall have no power to impose the sales tax herein authorized unless and until the governing body of the county shall again have submitted another proposal to authorize the governing body of the county to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. All revenue received by a county from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely for providing law enforcement services for such county for so long as the tax shall remain in effect. **Revenue placed in the special trust fund may also be utilized for capital improvement projects for law enforcement facilities and for the payment of any interest and principal on bonds issued for said capital improvement projects.**

4. Once the tax authorized by this section is abolished or is terminated by any means, all funds remaining in the special trust fund shall be used solely for providing law enforcement services for the county. Any funds in such special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other county funds.

5. The moneys in the county law enforcement sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust and which was collected in each county imposing a sales tax under this section, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax; such funds shall be deposited with the county treasurer of each such county, and all expenditures of funds arising from the county law enforcement sales tax trust fund shall be by an appropriation act to be enacted by the governing body of each such county. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice

to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

7. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under this section.

67.700. 1. Any county, as defined in section 67.724, may, by ordinance or order, impose a sales tax on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525, RSMo, for any capital improvement purpose designated by the county in its ballot of submission to its voters; provided, however, that no ordinance or order enacted pursuant to the authority granted by sections 67.700 to 67.727 shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary, or special election, a proposal to authorize the governing body of the county to impose a tax under the provisions of sections 67.700 to 67.727. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law.

2. The ballot of submission shall contain, but need not be limited to, the following language:

G YES

G NO

If you are in favor of the question, place an “X” in the box opposite “YES”. If you are opposed to the question, place an “X” in the box opposite “NO”. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the county shall have no power to impose the sales tax authorized by sections 67.700 to 67.727 unless and until the governing body of the county shall again have submitted another proposal to authorize it to impose the sales tax under the provisions of sections 67.700 to 67.727 and such proposal is approved by a majority of the qualified voters voting thereon.

3. All revenue received by a county from the tax authorized by sections 67.700 to 67.727 which has been designated for a certain capital improvement purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. Upon the expiration of the period of years approved by the voters under subsection 2 of this section or if the tax authorized by sections 67.700 to 67.727 is repealed under section 67.721, all funds remaining in the special trust fund shall continue to be used solely for such designated capital improvement purpose, **including the payment of principle and interest on any bonds issued to pay for such capital improvement**. Any funds in such special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other county funds.

4. The sales tax may be imposed at a rate of **one-eighth of one percent**, one-fourth of one percent, three-eighths of one percent, or one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the county adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525, RSMo.

5. In addition to the rates provided in subsection 4 of this section, any county of the first class without a charter form of government which adjoins a county of the first class containing part of a city containing more than three hundred fifty thousand inhabitants and which also adjoins a county of the third class having a township form of government shall also be authorized to (1) levy such sales tax at a rate of one-eighth of one percent; or (2) levy such sales tax at a rate of one-fourth of one percent in conjunction with a reduction in its property tax levy or levies for general revenues or for funding the maintenance of roads and bridges, or both, for each year in which the sales tax is imposed. Such reduction shall be in an amount sufficient to decrease the property taxes it will collect by not less than fifty percent of the sales tax revenue collected in the tax year for which the property taxes are being levied. If in the immediately preceding year a county actually collected less sales tax revenue than was projected for purposes of reducing its property tax levy or levies, the county shall adjust its property tax levy or levies for the current year to reflect such decrease. Any such county seeking voter approval of the sales tax alternative authorized in this subsection shall include in the ballot of submission authorized in subsection 2 of this section language clearly stating the appropriate percentage of the sales tax revenue shall be used for property tax reduction as provided herein. For purposes of this subsection, the term “sales tax revenue collected” shall have the meaning provided in section 67.500.”; and

Further amend the title and enacting clause accordingly.

- (8) The tax on net deposits, net premiums or net assets of insurance carriers as determined in section 287.690, RSMo.**

2. For proposals approved pursuant to section 32.100:

(1) The amount of the tax credit shall not exceed fifty percent of the total amount contributed during the taxable year by the business firm or, in the case of a financial institution, where applicable, during the relevant income period in programs approved pursuant to section 32.110;

(2) Except as provided in subsection 2 or 5 of this section, a tax credit of up to seventy percent may be allowed for contributions to programs where activities fall within the scope of special program priorities as defined with the approval of the governor in regulations promulgated by the director of the department of economic development;

(3) Except as provided in subsection 2 or 5 of this section, the tax credit allowed for contributions to programs located in any community shall be equal to seventy percent of the total amount contributed where such community is a city, town or village which has fifteen thousand or less inhabitants as of the last decennial census and is located in a county which is either located in:

- (a) An area that is not part of a standard metropolitan statistical area;
- (b) A standard metropolitan statistical area but such county has only one city, town or village which has more than fifteen thousand inhabitants; or
- (c) A standard metropolitan statistical area and a substantial number of persons in such county derive their income from agriculture.

Such community may also be in an unincorporated area in such county as provided in subdivision (1), (2) or (3) of this subsection. Except in no case shall the total economic benefit of the combined federal and state tax savings to the taxpayer exceed the amount contributed by the taxpayer during the tax year;

(4) Such tax credit allocation, equal to seventy percent of the total amount contributed, shall not exceed four million dollars in fiscal year 1999 and six million dollars in fiscal year 2000 and any subsequent fiscal year. When the maximum dollar limit on the seventy percent tax credit allocation is committed, the tax credit allocation for such programs shall then be equal to fifty percent credit of the total amount contributed. Regulations establishing special program priorities are to be promulgated during the first month of each fiscal year and at such times during the year as the public interest dictates. Such credit shall not exceed two hundred and fifty thousand dollars annually except as provided in subdivision (5) of this subsection. No tax credit shall be approved for any bank, bank and trust company, insurance company, trust company, national bank, savings association, or building and loan association for activities that are a part of its normal course of business. Any tax credit not used in the period the contribution was made may be carried over the next five succeeding calendar or fiscal years until the full credit has been claimed. Except as otherwise provided for proposals approved pursuant to section 32.111, 32.112 or 32.117, in no event shall the total amount of all other tax credits allowed pursuant to sections 32.100 to 32.125 exceed thirty-two million dollars in any one fiscal year, of which six million shall be credits allowed pursuant to section 135.460, RSMo. If six million dollars in credits are not approved, then the remaining credits may be used for programs approved pursuant to sections 32.100 to 32.125;

section 32.105, is rendered in an area defined by federal or state law as an impoverished, economically distressed, or blighted area or as a neighborhood experiencing problems endangering its existence as a viable and stable neighborhood, or if the community services, crime prevention, education, job training, physical revitalization or economic development is limited to impoverished persons.

3. For proposals approved pursuant to section 32.111:

(1) The amount of the tax credit shall not exceed fifty-five percent of the total amount invested in affordable housing assistance activities or market rate housing in distressed communities as defined in section 135.530, RSMo, by a business firm. Whenever such investment is made in the form of an equity investment or a loan, as opposed to a donation alone, tax credits may be claimed only where the loan or equity investment is accompanied by a donation which is eligible for federal income tax charitable deduction, and where the total value of the tax credits herein plus the value of the federal income tax charitable deduction is less than or equal to the value of the donation. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. If the affordable housing units or market rate housing units in distressed communities for which a tax is claimed are within a larger structure, parts of which are not the subject of a tax credit claim, then expenditures applicable to the entire structure shall be reduced on a prorated basis in proportion to the ratio of the number of square feet devoted to the affordable housing units or market rate housing units in distressed communities, for purposes of determining the amount of the tax credit. The total amount of tax credit granted for programs approved pursuant to section 32.111 for the fiscal year beginning July 1, 1991, shall not exceed two million dollars, to be increased by no more than two million dollars each succeeding fiscal year, until the total tax credits that may be approved reaches ten million dollars in any fiscal year;

(2) For any year during the compliance period indicated in the land use restriction agreement, the owner of the affordable housing rental units for which a credit is being claimed shall certify to the commission that all tenants renting claimed units are income eligible for affordable housing units and that the rentals for each claimed unit are in compliance with the provisions of sections 32.100 to 32.125. The commission is authorized, in its discretion, to audit the records and accounts of the owner to verify such certification;

(3) In the case of owner-occupied affordable housing units, the qualifying owner occupant shall, before the end of the first year in which credits are claimed, certify to the commission that the occupant is income eligible during the preceding two years, and at the time of the initial purchase contract, but not thereafter. The qualifying owner occupants shall further certify to the commission, before the end of the first year in which credits are claimed, that during the compliance period indicated in the land use restriction agreement, the cost of the affordable housing unit to the occupant for the claimed unit can reasonably be projected to be in compliance with provisions of sections 32.100 to 21.125. Any succeeding owner occupant acquiring the affordable housing unit during the compliance period indicated in the land use restriction agreement shall make the same certification;

(4) If any time during the compliance period the commission determines a project for which a proposal has been approved is not in compliance with the applicable provisions of sections 32.100 to 21.125 or rules promulgated therefor, the commission may within one hundred fifty days of notice to the owner either seek injunctive enforcement action against the owner, or seek legal damages against the owner representing the value of the tax credits, or foreclose on the lien in the land use restriction agreement, selling the project at a public sale, and paying to the owner the proceeds of the sale, less the costs of the sale and less the value of all tax credits allowed herein. The commission shall remit to the director of revenue the portion of the legal damages collected or the sale proceeds representing the value of the tax credits. However, except in the event of intentional fraud by the taxpayer, the proposal's certificate of eligibility for tax credits shall not be revoked.

4. For proposals approved pursuant to section 32.112, the amount of the tax credit shall not exceed fifty-five percent of the total amount contributed to a neighborhood organization by business firms. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. The total amount of tax credit granted for programs approved pursuant to section 32.112 shall not exceed one million dollars for each fiscal year.

5. The total amount of tax credits used for market rate housing in distressed communities pursuant to sections 32.100 to 32.125 shall not exceed thirty percent of the total amount of all tax credits authorized pursuant to sections 32.111 and 32.112.

6. The provisions of subdivision (8) of subsection 1 of this section shall apply to all tax years beginning on or after January 1, 2000.”.

(9) Purchase, sell, exchange, transmit, treat, dispose or distribute water, sewage, gas, heat or electric power and energy, or any by-product resulting therefrom, within and outside the state, in such amounts as it shall determine to be necessary and appropriate to make the most effective use of its powers and to meet its responsibilities, and to enter into agreements with any person with respect to such purchase, sale, exchange, treatment, disposal or transmission, on such terms and for such period of time as its board of directors shall determine. Senate Amendment No. 32

AMEND Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill Nos. 1566 & 1810, Page 64, Section 205.577, Line 17, by inserting after all of said line the following:

“247.030. 1. Territory that may be included in a district sought to be incorporated or enlarged may be wholly within one or in more than one county, may take in school districts or parts thereof, and cities that do not have a waterworks system or cities whose governing body has by a majority vote requested that the city or part thereof be included within the boundaries of a public water supply district. For the purpose of this section, “city” means any city, town or village. The territory, however, shall be contiguous, and proceedings to incorporate shall be in the circuit court of the county in which the largest acreage is located. No two districts shall overlap.

2. Any two or more contiguous districts or any city and a contiguous district may, if there are no outstanding general obligation bonds relating to drinking water supply projects in either entity, by a majority vote of the governing body of each entity, provide for territory located in one entity to be annexed and served by the entity contiguous to the annexed territory. Notice of the proposed annexation shall be filed with the circuit court that originally issued the decree of incorporation for a district which is detaching territory through the proposed annexation or with the circuit court that originally issued the decree of incorporation for a district which is including a city or part thereof through the proposed annexation. The court shall set a date for a hearing on the proposed annexation and shall cause notice to be published in the same manner as for the filing of the original petition for incorporation; except that publication of notice shall not be required if a majority of the landowners in the territory proposed to be annexed consent in writing, and if notice of the hearing is posted in three public places within the territory proposed to be annexed at least seven days before the date of the hearing. If publication of the notice is not required pursuant to this section, the court shall only approve the proposed annexation if there is sworn testimony by at least five landowners in the area of the proposed annexation, or a majority of the landowners, if there are fewer than ten landowners in the area. If the court, after the hearing, finds that the proposed annexation would not be in the public interest, it shall order that the annexation not be allowed. If the court finds the proposed annexation to be in the public interest, it shall approve the annexation and the territory shall be detached from the one entity and annexed to the other. After the annexation is approved, the circuit court in which each district involved in the proceedings was incorporated shall amend the decree of incorporation for each district to reflect the change in the boundaries as a result of the annexation and to redivide each district into five subdistricts, fixing their boundary lines so that each of the five subdistricts have approximately the same area. A certified copy of the amended decree showing the boundary change and the new subdistricts shall be filed in the office of the recorder of deeds and in the office of the county clerk in each county having territory in the district and in the office of the secretary of state of the state of Missouri.

3. The boundaries of any district may be extended or enlarged from time to time upon the filing, with the clerk of the circuit court having jurisdiction, of a petition by either:

(1) The board of directors of the district and five or more voters within the territory proposed to be annexed by the district; or

(2) A majority of the landowners within the territory proposed to be annexed to the district.

If the petition is filed by a majority of the landowners within the territory proposed to be annexed, the publication of notice shall not be required, provided notice is posted in three public places within the territory proposed to be annexed at least seven days before the date of the hearing and provided that there is sworn testimony by at least five landowners in the territory proposed to be annexed, or a majority of the landowners if the total landowners in the area are fewer than ten. Upon the entry of a final order declaring the court's decree of annexation to be final and conclusive, the court shall

modify or rearrange the boundary lines of the subdistricts as may be necessary or advisable. The costs incurred in the enlargement or extension of the district shall be taxed to the district, if the district be enlarged or extended, otherwise against the petitioners; provided, however, that no costs shall be taxed to the directors of the district.

4. Should any voter who owns real estate that abuts upon a district once formed desire to have such real estate incorporated in the district, the voter shall first petition the board of directors thereof for its approval. If such approval be granted, the clerk of the board shall endorse a certificate of the fact of approval by the board upon the petition. The petition so endorsed shall be filed with the clerk of the circuit court in which the district is incorporated. It shall then be the duty of the court to amend the boundaries of such district by a decree incorporating the real estate in the same. A certified copy of this decree including the real estate in the district shall then be filed in the office of the recorder and in the office of the county clerk of the county in which the real estate is located, and in the office of the secretary of state. The costs of this proceeding shall be borne by the petitioning property owner.

5. In the event that the district becomes the successor, upon dissolution, to any joint municipal utility commission established by the district and any of the contracting entities described in subdivision (4) of section 393.705, RSMo, then, upon the petition of the board of directors to the circuit court, the court shall amend the boundaries of such district to incorporate any area previously served by the dissolved joint municipal utility commission that the district intends to continue to serve with water or sewer service. The court shall also modify or rearrange the boundary lines of the subdistricts as may be necessary or advisable.

247.050. The following powers are hereby conferred upon public water supply districts organized under the provisions of sections 247.010 to 247.220:

- (1) To sue and be sued;
- (2) To purchase or otherwise acquire water for the necessities of the district;

- (9) To contract indebtedness and issue general or special obligation bonds, or both, of the district therefor, as herein provided;
- (10) To acquire by purchase or otherwise, a system of waterworks, and to build, enlarge, improve, extend and equip such system for the uses and purposes of the district;

- (12) To create an incidental fund to take care of all costs and expenses incurred in incorporating the district, and all obligations contracted prior thereto and connected therewith; and
- (13) To purchase equipment and supplies needed in the operation of the water system of the district; provided, however, that the power to create an incidental fund by the levy of a general property tax shall cease after two annual levies therefor shall have been made, and such levy shall not exceed fifteen cents per annum on each one hundred dollars assessed valuation of taxable property within the district;
- (14) To provide for the collection of taxes and rates or charges for water and water service;
- (15) To sell and distribute water to the inhabitants of the district and to consumers outside the district, delivered within or at the boundaries of the district; **provided that, upon dissolution of any joint municipal utility commission established by the district and any municipality, public water supply district, sewer district, nonprofit water company or nonprofit sewer company, the district may continue to serve those locations and areas previously receiving service from the commission, regardless of whether or not such location receives such service outside the boundaries of such district; and provided further that such locations and areas previously receiving service from the commission are not located within:**
 - (a) Any county of the first classification with a population of more than six hundred thousand and less than nine hundred thousand;

(b) The boundaries of any sewer district established pursuant to article VI, section 30(a) of the Missouri Constitution; or

(c) The certificated area of a water corporation that is subject to the jurisdiction of the public service commission;

(16) To fix rates for the sale of water; and

(17) To make general rules and regulations in relation to the management of the affairs of the district.”; and

Further amend said title, enacting clause and intersectional references accordingly.

Senate Amendment No. 33

AMEND Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill Nos. 1566 & 1810, Page 27, Section 71.794, Line 6, by inserting after all of said line the following:

“99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the “Special Allocation Fund” of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861, RSMo. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031, RSMo, until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(3) For purposes of this section, “levies upon taxable real property in such redevelopment project by taxing districts” shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X, of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment

project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, RSMo, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, RSMo, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, RSMo, or effective January 1, 1998, taxes levied for the purpose of public transportation pursuant to section 94.660, RSMo, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. For redevelopment projects proposed on or after July 1, 2001, in any county of the first classification with a charter form of government with a population of at least two hundred twelve thousand but less than two hundred fourteen thousand, prior to a municipality passing an ordinance adopting tax increment allocation financing, approval is required of any taxing district which would be required to make payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project, before the payments in lieu of taxes of that taxing district may be included in tax increment allocation financing. The taxing district may register its approval by adoption of a resolution.

5. For redevelopment projects proposed on or after July 1, 2001, in any county of the first classification with a charter form of government with a population of at least two hundred twelve thousand but less than two hundred fourteen thousand, prior to a municipality passing an ordinance adopting tax increment allocation financing, approval is required of any taxing district which would be required to make payment of a portion of additional revenue from taxes imposed by that taxing district which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, before the increased economic activity taxes of that taxing district may be included in tax increment allocation financing. The taxing district shall register its approval by adoption of an ordinance.

[4.] **6.** Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections [4 to 12] **6 to 14** of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection [8] **10** of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection [10] **12** of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection [10] **12** of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

[5.] **7.** The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

[6.] **8.** No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall

be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

[7.] **9.** In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection [10] **12** of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

[8.] **10.** For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, RSMo, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, RSMo, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. The incremental increase in the general revenue portion of state sales tax revenues for an existing or relocated facility shall be the amount that current state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan as provided in subsection [10] **12** of this section; or

(2) The state income tax withheld on behalf of new employees by the employer pursuant to section 143.221, RSMo, at the business located within the project as identified by the municipality. The state income tax withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

[9.] **11.** Subsection [4] **6** of this section shall apply only to blighted areas located in enterprise zones, pursuant to sections 135.200 to 135.256, RSMo, blighted areas located in federal empowerment zones, or to blighted areas located in central business districts or urban core areas of cities which districts or urban core areas at the time of approval of the project by ordinance, provided that the enterprise zones, federal empowerment zones or blighted areas contained one or more buildings at least fifty years old; and

(1) Suffered from generally declining population or property taxes over the twenty-year period immediately preceding the area's designation as a project area by ordinance; or

(2) Was a historic hotel located in a county of the first classification without a charter form of government with a population according to the most recent federal decennial census in excess of one hundred fifty thousand and containing a portion of a city with a population according to the most recent federal decennial census in excess of three hundred fifty thousand.

[10.] **12.** The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsections [4 and 5] **6 and 7** of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by the municipality for the appropriation of the new state revenues. The municipality shall include in the application the following items in addition to the items in section 99.810:

(a) The tax increment financing district or redevelopment area, including the businesses identified within the redevelopment area;

(b) The base year of state sales tax revenues or the base year of state income tax withheld on behalf of existing employees, reported by existing businesses within the project area prior to approval of the redevelopment project;

(c) The estimate of the incremental increase in the general revenue portion of state sales tax revenue or the estimate for the state income tax withheld by the employer on behalf of new employees expected to fill new jobs created within the redevelopment area after redevelopment;

(d) The official statement of any bond issue pursuant to this subsection after December 23, 1997;

(e) An affidavit that is signed by the developer or developers attesting that the provisions of subdivision (1) of

section 99.810 have been met and specifying that the redevelopment area would not be reasonably anticipated to be developed without the appropriation of the new state revenues;

(f) The cost-benefit analysis required by section 99.810 includes a study of the fiscal impact on the state of Missouri; and

(g) The statement of election between the use of the incremental increase of the general revenue portion of the state sales tax revenues or the state income tax withheld by employers on behalf of new employees who fill new jobs created in the redevelopment area;

(2) The methodologies used in the application for determining the base year and determining the estimate of the incremental increase in the general revenue portion of the state sales tax revenues or the state income tax withheld by employers on behalf of new employees who fill new jobs created in the redevelopment area shall be approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. Upon approval of the application, the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee shall issue a certificate of approval. The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. At no time shall the aggregate annual appropriation of the new state revenues for redevelopment areas exceed fifteen million dollars;

(4) Redevelopment plans and projects receiving new state revenues shall have a duration of up to fifteen years, unless prior approval for a longer term is given by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee; except that, in no case shall the duration exceed twenty-three years.

[11.] **13.** In addition to the areas authorized in subsection [9] **11** of this section, the funding authorized pursuant to subsection [4] **6** of this section shall also be available in a federally approved levee district, where construction of a levee begins after December 23, 1997, and which is contained within a county of the first classification without a charter form of government with a population between fifty thousand and one hundred thousand inhabitants which contains all or part of a city with a population in excess of four hundred thousand or more inhabitants.

[12.] **14.** There is hereby established within the state treasury a special fund to be known as the "Missouri Supplemental Tax Increment Financing Fund", to be administered by the department of economic development. The department shall annually distribute from the Missouri supplemental tax increment financing fund the amount of the new state revenues as appropriated as provided in the provisions of subsections [4 and 5] **6 and 7** of this section if and only if the conditions of subsection [10] **12** of this section are met. The fund shall also consist of any gifts, contributions, grants or bequests received from federal, private or other sources. Moneys in the Missouri supplemental tax increment financing fund shall be disbursed per project pursuant to state appropriations.

[13.] **15.** All personnel and other costs incurred by the department of economic development for the administration and operation of subsections [4 to 12] **6 to 14** of this section shall be paid from the state general revenue fund. On an annual basis, the general revenue fund shall be reimbursed for the full amount of such costs by the developer or developers of the project or projects for which municipalities have made tax increment financing applications for the appropriation of new state revenues, as provided for in subdivision (1) of subsection [10] **12** of this section. The amount of costs charged to each developer shall be based upon the percentage arrived at by dividing the monetary amount of the application made by each municipality for a particular project by the total monetary amount of all applications received by the department of economic development."; and

Further amend the title and enacting clause accordingly.

“99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the “Special Allocation Fund” of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861, RSMo. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031, RSMo, until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

districts” shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X, of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, RSMo, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, RSMo, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, RSMo, or effective January 1, 1998, taxes levied for the purpose of public transportation pursuant to section 94.660, RSMo, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4

of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, RSMo, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, RSMo, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. The incremental increase in the general revenue portion of state sales tax revenues for an existing or relocated facility shall be the amount that current state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan as provided in subsection 10 of this section; or

(2) The state income tax withheld on behalf of new employees by the employer pursuant to section 143.221, RSMo, at the business located within the project as identified by the municipality. The state income tax withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

9. Subsection 4 of this section shall apply only to blighted areas located in enterprise zones, pursuant to sections 135.200 to 135.256, RSMo, blighted areas located in federal empowerment zones, or to blighted areas located in central business districts or urban core areas of cities which districts or urban core areas at the time of approval of the project by ordinance, provided that the enterprise zones, federal empowerment zones or blighted areas contained one or more buildings at least fifty years old; and

(3) Contains the site of a county convention and sports facilities authority established pursuant to sections 67.1150 to 67.1158, RSMo.

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by the municipality for the appropriation of the new state revenues. The municipality shall include in the application the following items in addition to the items in section 99.810:

(a) The tax increment financing district or redevelopment area, including the businesses identified within the redevelopment area;

(f) The cost-benefit analysis required by section 99.810 includes a study of the fiscal impact on the state of Missouri; and

employers on behalf of new employees who fill new jobs created in the redevelopment area shall be approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. Upon approval of the application, the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee shall issue a certificate of approval. The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. At no time shall the aggregate annual appropriation of the new state revenues for redevelopment areas exceed fifteen million dollars;

(4) Redevelopment plans and projects receiving new state revenues shall have a duration of up to fifteen years, unless prior approval for a longer term is given by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee; except that, in no case shall the duration exceed twenty-three years.

On an annual basis, the general revenue fund shall be reimbursed for the full amount of such costs by the developer or developers of the project or projects for which municipalities have made tax increment financing applications for the appropriation of new state revenues, as provided for in subdivision (1) of subsection 10 of this section. The amount of costs charged to each developer shall be based upon the percentage arrived at by dividing the monetary amount of the application made by each municipality for a particular project by the total monetary amount of all applications received by the department of economic development.""; and

All members shall serve without compensation but may be reimbursed for all actual and necessary expenses incurred in the performance of their official duties for the commission.

2. All meetings of the Missouri domestic violence commission shall be open to the public and shall, for all purposes, be deemed open public meetings under the provisions of sections 610.010 to 610.030, RSMo. The Missouri domestic violence commission shall meet no less than once every two months, and shall hold its first meeting no later than sixty days after January 1, 2001. Notice of all meetings of the commission shall be given to the general assembly in the same manner required for notifying the general public of meetings of the general assembly.

Further amend said bill, Page 3, Section 210.936, Line 4, by inserting after all of said line the following:

“375.1312. 1. As used in this section, the following terms mean:

(a) Attempting to cause or intentionally or knowingly causing bodily injury or physical harm;

(b) Knowingly engaging in a course of conduct or repeatedly committing acts toward another person under circumstances that place the person in reasonable fear of bodily injury or physical harm; or

(c) Knowingly committing forcible rape, sexual assault or forcible sodomy, as defined in chapter 566, RSMo;

(2) “Family or household member”, [a spouse, former spouse, person living with another person, whether or not as spouses, parent or other adult person related by consanguinity or affinity who is residing or has resided with the person committing the domestic violence and dependents of such persons] **spouses, former spouses, adults related by blood or marriage, adults who are presently residing together or have resided together in the past and adults who have a child in common regardless of whether they have been married or have resided together at any time;**

(3) “Innocent coinsured”, an insured who did not cooperate in or contribute to the creation of a property loss and the loss arose out of a pattern of domestic violence;

(4) “Sole”, a single act or a pattern of domestic violence which may include multiple acts;

Constitutionally protected activity is not included within the meaning of “course of conduct”.

(5) Terminate group coverage solely because of claims relating to the fact that any individual in the group is or has been a victim of domestic violence; or

(6) Fix any lower rate or discriminate in the fees or commissions of an agent for writing or renewing a policy insuring an individual solely because an individual is or has been a victim of domestic violence.

3. The fact that an insured or prospective insured has been a victim of domestic violence shall not be considered a permitted underwriting or rating criterion.

4. Nothing in this section shall prohibit an insurer from taking an action described in subsection 2 of this section if the action is otherwise permissible by law and is taken in the same manner and to the same extent with respect to all insureds and prospective insureds without regard to whether the insured or prospective insured is a victim of domestic violence.

5. If an innocent coinsured files a police report and completes a sworn affidavit that indicates both the cause of the loss and a pledge to cooperate in any criminal prosecution of the person committing the act causing the loss, then no insurer shall deny payment to an innocent coinsured on a property loss claim due to any policy provision that excludes coverage for intentional acts. Payment to the innocent coinsured may be limited to such innocent coinsured’s ownership interest in the property as reduced by any payment to a mortgagor or other secured interest; however, insurers shall not be required to make any subsequent payment to any other insured for the part of any loss for which the innocent coinsured has received payment.

6. A violation of this section shall be subject to the provisions of sections 375.930 to 375.948, relating to unfair trade practices.

(3) Temporarily enjoining the respondent from communicating with the petitioner in any manner or through any medium;

2. Mutual orders of protection are prohibited unless both parties have properly filed written petitions and proper service has been made in accordance with sections 455.010 to 455.085.

3. When the court has, after a hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

(2) Establish a visitation schedule that is in the best interests of the child;

(4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452, RSMo;

4. A verified petition seeking orders for maintenance, support, custody, visitation, payment of rent, payment of monetary compensation, possession of personal property, prohibiting the transfer, encumbrance, or disposal of property, or payment for services of a shelter for victims of domestic violence, shall contain allegations relating to those orders and shall pray for the orders desired.

5. In making an award of custody, the court shall consider all relevant factors including the presumption that the best interests of the child will be served by placing the child in the custody and care of the nonabusive parent, unless there is evidence that both parents have engaged in abusive behavior, in which case the court shall not consider this presumption but may appoint a guardian ad litem or a court-appointed special advocate to represent the children in accordance with chapter 452, RSMo, and shall consider all other factors in accordance with chapter 452, RSMo.

6. The court shall grant to the noncustodial parent rights to visitation with any minor child born to or adopted by the parties, unless the court finds, after hearing, that visitation would endanger the child's physical health, impair the child's emotional development or would otherwise conflict with the best interests of the child, or that no visitation can be arranged which would sufficiently protect the custodial parent from further abuse. The court may appoint a guardian ad litem or court-appointed special advocate to represent the minor child in accordance with chapter 452, RSMo, whenever the custodial parent alleges that visitation with the noncustodial parent will damage the minor child.

7. The court shall make an order requiring the noncustodial party to pay an amount reasonable and necessary for the support of any child to whom the party owes a duty of support when no prior order of support is outstanding and after all relevant factors have been considered, in accordance with Missouri supreme court rule 88.01 and chapter 452, RSMo.

8. The court may grant a maintenance order to a party for a period of time, not to exceed one hundred eighty days. Any maintenance ordered by the court shall be in accordance with chapter 452, RSMo.

455.085. 1. When a law enforcement officer has probable cause to believe a party has committed a violation of law amounting to abuse or assault, as defined in section 455.010, against a family or household member, the officer may arrest the offending party whether or not the violation occurred in the presence of the arresting officer. When the officer declines to make arrest pursuant to this subsection, the officer shall make a written report of the incident completely describing the offending party, giving the victim's name, time, address, reason why no arrest was made and any other pertinent information. Any law enforcement officer subsequently called to the same address within a twelve-hour period, who shall find probable cause to believe the same offender has again committed a violation as stated in this subsection against the same or any other family or household member, shall arrest the offending party for this subsequent offense. The primary report of nonarrest in the preceding twelve-hour period may be considered as evidence of the defendant's intent in the violation for which arrest occurred. The refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

2. When a law enforcement officer has probable cause to believe that a party, against whom a protective order has been entered and who has notice of such order entered, has committed an act of abuse in violation of such order, the officer shall arrest the offending party-respondent whether or not the violation occurred in the presence of the arresting officer. Refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

3. When an officer makes an arrest he is not required to arrest two parties involved in an assault when both parties claim to have been assaulted. The arresting officer shall attempt to identify and shall arrest the party he believes is the primary physical aggressor. The term "primary physical aggressor" is defined as the most significant, rather than the first, aggressor. The law enforcement officer shall consider any or all of the following in determining the primary physical aggressor:

- (1) The intent of the law to protect victims of domestic violence from continuing abuse;
- (2) The comparative extent of injuries inflicted or serious threats creating fear of physical injury;
- (3) The history of domestic violence between the persons involved.

No law enforcement officer investigating an incident of family violence shall threaten the arrest of all parties for the purpose of discouraging requests or law enforcement intervention by any party. Where complaints are received from two or more opposing parties, the officer shall evaluate each complaint separately to determine whether he should seek a warrant for an arrest.

4. In an arrest in which a law enforcement officer acted in good faith reliance on this section, the arresting and assisting law enforcement officers and their employing entities and superiors shall be immune from liability in any civil action alleging false arrest, false imprisonment or malicious prosecution.

5. When a person against whom an order of protection has been entered fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

6. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

7. A violation of the terms and conditions, with regard to abuse, stalking, child custody, **communication initiated by the respondent** or entrance upon the premises of the petitioner's dwelling unit, of an ex parte order of protection of which the respondent has notice, shall be a class A misdemeanor unless the respondent has previously pleaded guilty to or has been found guilty of violating an ex parte order of protection or a full order of protection within

five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior pleas of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

8. A violation of the terms and conditions, with regard to abuse, stalking, child custody, **communication initiated by the respondent** or entrance upon the premises of the petitioner's dwelling unit, of a full order of protection shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of the sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict. For the purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection if the law enforcement officer responding to a call of a reported incident of abuse or violation of an order of protection presented a copy of the order of protection to the respondent.

9. Good faith attempts to effect a reconciliation of a marriage shall not be deemed tampering with a witness or victim tampering under section 575.270, RSMo.

10. Nothing in this section shall be interpreted as creating a private cause of action for damages to enforce the provisions set forth herein.

455.205. 1. The governing body of any county, or of any city not within a county, by order or ordinance to be effective prior to January 1, [2000] **2001**, may impose a fee upon the issuance of a marriage license and may impose a surcharge upon any civil case filed in the circuit court [under the provisions of section 452.305, RSMo]. The surcharge shall not be charged when [no court costs are otherwise required, and shall not be charged when] costs are waived or are to be paid by the state, county or municipality.

2. The fee imposed upon the issuance of a marriage license shall be five dollars, shall be paid by the person applying for the license, and shall be collected by the recorder of deeds at the time the license is issued. The surcharge imposed upon the filing of a civil action shall be two dollars, shall be paid by the party who filed the petition, and shall be collected and disbursed by the clerk of the court in the manner provided by sections 488.010 to 488.020, RSMo. Such amounts shall be payable to the treasuries of the counties from which such surcharges were paid.

3. At the end of each month, the recorder of deeds shall file a verified report with the county commission of the fees collected pursuant to the provisions of subsection 2 of this section. The report may be consolidated with the monthly report of other fees collected by such officers. Upon the filing of the reports the recorder of deeds shall forthwith pay over to the county treasurer all fees collected pursuant to subsection 2 of this section. The county treasurer shall deposit all such fees upon receipt in a special fund to be expended only to provide financial assistance to shelters for victims of domestic violence as provided in sections 455.200 to 455.230.

455.220. 1. To qualify for funds allocated and distributed pursuant to section 455.215 a shelter shall meet all of the following requirements:

- (1) Be incorporated in the state as a nonprofit corporation;
- (2) Have trustees who represent the racial, ethnic and socioeconomic diversity of the community to be served, at least one of whom must possess personal experience in confronting or mitigating the problems of domestic violence;
- (3) Receive at least twenty-five percent of its funds from sources other than funds distributed pursuant to section 455.215. These other sources may be public or private and may include contributions of goods or services, including materials, commodities, transportation, office space or other types of facilities or personal services;
- (4) Provide residential service or facilities for children when accompanied by a parent, guardian, or custodian who is a victim of domestic violence and who is receiving temporary residential service at the shelter;
- (5) Require persons employed by or volunteering services to the shelter to maintain the confidentiality of any information that would identify individuals served by the shelter **and any information or records that are directly related to the advocacy services provided to such individuals;**
- (6) **Prior to providing any advocacy services, inform individuals served by the shelter of the nature and scope of the confidentiality requirement in subdivision (5) of this subsection.**

2. Any person employed by or volunteering services to a shelter for victims of domestic violence shall be

incompetent to testify concerning any confidential information described in subdivision (5) of subsection 1 of this section, unless the confidentiality requirement is waived in writing by the individual served by the shelter.

3. A shelter does not qualify for funds if it discriminates in its admissions or provision of services on the basis of race, religion, color, age, marital status, national origin, or ancestry.

455.230. 1. A shelter for victims of domestic violence that receives funds pursuant to sections 455.200 to 455.230 shall file an annual report with the designated authority of the county, or of the city not within a county, in which it is located, on or before the thirty-first day of March of the year following the year in which funds were received. The annual report shall include statistics on the number of persons served by the shelter, the relationship of the victim of domestic violence to the abuser, the number of referrals made for medical, psychological, financial, educational, vocational, child care services or legal services, and shall include the results of an independent audit. No information contained in the report shall identify any person served by the shelter or enable any person to determine the identity of any such person. **Any information contained in the report that is directly related to advocacy services provided by the shelter shall not be construed as a violation of section 455.220. - 5. County crime reduction funds shall be audited as are all other county funds.”; and**

Further amend said bill, Page 38, Section 550.120, Line 21, by inserting immediately after said line the following:

“558.019. 1. This section shall not be construed to affect the powers of the governor under article IV, section 7, of the Missouri Constitution. This statute shall not affect those provisions of section 565.020, RSMo, section 558.018 or section 571.015, RSMo, which set minimum terms of sentences, or the provisions of subsections 2 through 5 of section 559.115, RSMo, relating to probation.

2. The provisions of this section shall be applicable to all classes of felonies except those set forth in chapter 195, RSMo, and those otherwise excluded in subsection 1 of this section. For the purposes of this section, "prison commitment" means and is the receipt by the department of corrections of a defendant after sentencing. For purposes of this section, prior prison commitments to the department of corrections shall not include commitment to a regimented discipline program established pursuant to section 217.378, RSMo. Other provisions of the law to the contrary notwithstanding, any defendant who has pleaded guilty to or has been found guilty of a felony other than a dangerous felony as defined in section 556.061, RSMo, and is committed to the department of corrections shall be required to serve the following minimum prison terms:

(1) If the defendant has one previous prison commitment to the department of corrections for a felony offense, the minimum prison term which the defendant must serve shall be forty percent of his sentence or until the defendant attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first;

(2) If the defendant has two previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the defendant must serve shall be fifty percent of his sentence or until the defendant attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first;

(3) If the defendant has three or more previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the defendant must serve shall be eighty percent of his sentence or until the defendant attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

3. Other provisions of the law to the contrary notwithstanding, any defendant who has pleaded guilty to or has been found guilty of a dangerous felony as defined in section 556.061, RSMo, and is committed to the department of corrections shall be required to serve a minimum prison term of eighty-five percent of the sentence imposed by the court or until the defendant attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first. For purposes of this section, the phrase “sentence imposed by the court” means the total aggregate sentence actually imposed by the sentencing court.

4. For the purpose of determining the minimum prison term to be served, the following calculations shall apply:

(1) A sentence of life shall be calculated to be thirty years;

(2) Any sentence either alone or in the aggregate with other consecutive sentences for crimes committed at or near the same time which is over seventy-five years shall be calculated to be seventy-five years.

5. For purposes of this section, the term "minimum prison term" shall mean time required to be served by the defendant before he is eligible for parole, conditional release or other early release by the department of corrections. Except that the board of probation and parole, in the case of consecutive sentences imposed at the same time pursuant to a course of conduct constituting a common scheme or plan, shall be authorized to convert consecutive sentences to concurrent sentences, when the board finds, after hearing with notice to the prosecuting or circuit attorney, that the sum

of the terms results in an unreasonably excessive total term, taking into consideration all factors related to the crime or crimes committed and the sentences received by others similarly situated.

6. (1) A sentencing advisory commission is hereby created to consist of eleven members. One member shall be appointed by the speaker of the house. One member shall be appointed by the president pro tem of the senate. One member shall be the director of the department of corrections. Six members shall be appointed by and serve at the pleasure of the governor from among the following: the public defender commission; private citizens; a private member of the Missouri Bar; the board of probation and parole; and a prosecutor. Two members shall be appointed by the supreme court, one from a metropolitan area and one from a rural area. All members of the sentencing commission appointed prior to August 28, 1994, shall continue to serve on the sentencing advisory commission at the pleasure of the governor.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for defendants convicted of the same or similar crimes and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall establish a system of recommended sentences, within the statutory minimum and maximum sentences provided by law for each felony committed under the laws of this state. This system of recommended sentences shall be distributed to all sentencing courts within the state of Missouri. The recommended sentence for each crime shall take into account, but not be limited to, the following factors:

- (a) The nature and severity of each offense;
 - (b) The record of prior offenses by the offender;
 - (c) The data gathered by the commission showing the duration and nature of sentences imposed for each crime;
- and
- (d) The resources of the department of corrections and other authorities to carry out the punishments that are imposed.

(4) The commission shall publish and distribute its system of recommended sentences on or before July 1, 1995. The commission shall study the implementation and use of the system of recommended sentences until July 1, 1998, and return a final report to the governor, the speaker of the house of representatives, and the president pro tem of the senate. Following the July 1, 1998, report, the commission may revise the recommended sentences every three years.

(5) The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

(6) The members of the commission shall not receive compensation for their duties on the commission, but shall be reimbursed for actual and necessary expenses incurred in the performance of these duties and for which they are not reimbursed by reason of their other paid positions.

(7) The circuit and associate circuit courts of this state, the office of the state courts administrator, the department of public safety, and the department of corrections shall cooperate with the commission by providing information or access to information needed by the commission. The office of the state courts administrator will provide needed staffing resources.

7. If the imposition or execution of a sentence is suspended, the court may consider ordering restorative justice methods pursuant to section 217.777, RSMo, including any or all of the following, or any other method that the court finds just or appropriate:

- (1) Restitution to any victim for costs incurred as a result of the offender's actions;
- (2) Offender treatment programs;
- (3) Mandatory community services;
- (4) Work release programs in local facilities; and
- (5) Community based residential and nonresidential programs; and

8. If the imposition or execution of a sentence is suspended for a misdemeanor, in addition to the provisions of subsection 7 of this section, the court may order the assessment and payment of a designated amount of money to a county crime reduction fund established by the county commission pursuant to § 50.555, RSMo. Said contribution shall not exceed \$1,000 for any misdemeanor offense. Any money deposited into the county crime reduction fund pursuant to this section shall only be expended pursuant to the provisions of section 50.555 RSMo. An annual audit of the fund shall be conducted by the county auditor or the state auditor.

9. [8.] The provisions of this section shall apply only to offenses occurring on or after August 28, 1994.

559.021. 1. The conditions of probation shall be such as the court in its discretion deems reasonably necessary to ensure that the defendant will not again violate the law. When a defendant is placed on probation he shall be given a certificate explicitly stating the conditions on which he is being released.

2. In addition to such other authority as exists to order conditions of probation, the court may order such conditions as the court believes will serve to compensate the victim, any dependent of the victim, or society. Such conditions may include, but shall not be limited to:

- (1) Restitution to the victim or any dependent of the victim, in an amount to be determined by the judge; and
- (2) The performance of a designated amount of free work for a public or charitable purpose, or purposes, as determined by the judge.

3. In addition to such other authority as exists to order conditions of probation, in the case of a plea of guilty in a misdemeanor case or finding of guilt in a misdemeanor case, the court may order the assessment and payment of a designated amount of money to a county crime reduction fund established by the county commission pursuant to §50.555, RSMo. Said contribution shall not exceed \$1,000 for any misdemeanor offense. Any money deposited into the county crime reduction fund pursuant to this section shall only be expended pursuant to the provisions of section 50.555 RSMo.

[3.] 4. The defendant may refuse probation conditioned on the performance of free work. If he does so, the court shall decide the extent or duration of sentence or other disposition to be imposed and render judgment accordingly. Any county, city, person, organization, or agency, or employee of a county, city, organization or agency charged with the supervision of such free work or who benefits from its performance shall be immune from any suit by the defendant or any person deriving a cause of action from him if such cause of action arises from such supervision of performance, except for an intentional tort or gross negligence. The services performed by the defendant shall not be deemed employment within the meaning of the provisions of chapter 288, RSMo. A defendant performing services pursuant to this section shall not be deemed an employee within the meaning of the provisions of chapter 287, RSMo.

[4.] 5. The court may modify or enlarge the conditions of probation at any time prior to the expiration or termination of the probation term.

6. The defendant may refuse probation conditioned on a payment to a county crime reduction fund. If he does so, the court shall decide the extent or duration of sentence or other disposition to be imposed and render judgment accordingly. A judge may order payment to a crime reduction fund only if such fund had been created prior to sentencing by ordinance or resolution of a county of the state of Missouri. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering the probationers to make payments. A defendant who fails to make a payment or payments to a crime reduction fund may not have his probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the defendant either willfully refused to make the payment or that the defendant willfully, intentionally and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.”.

House Amendment No. 5

AMEND House Substitute for House Committee Substitute for Senate Substitute #2 for Senate Committee Substitute for Senate Bill Nos. 934, 546, 579 & 782, Page 40, Section 302.545, Line 3, by inserting at the end of said section the following:

“478.001. **1. Drug and alcohol abuse** courts may be established by any circuit court pursuant to sections 478.001 to 478.006 to provide an alternative for the judicial system to dispose of cases which stem from drug **and alcohol** use. A drug **and alcohol abuse** court shall combine judicial supervision, drug **and alcohol** testing and treatment of drug **and alcohol abuse** court participants. Except for good cause found by the court, a drug **and alcohol abuse** court making a referral for substance abuse treatment, when such program will receive state or federal funds in connection with such referral, shall refer the person only to a program which is certified by the department of mental health, unless no appropriate certified treatment program is located within the same county as the drug **and alcohol abuse** court. Upon successful completion of the treatment program, the charges, petition or penalty against a drug **and alcohol abuse** court participant may be dismissed, reduced or modified. Any fees received by a court from a defendant as payment for substance treatment programs shall not be considered court costs, charges or fines.

2. A court shall determine if an assessment for drug or alcohol abuse is appropriate for a defendant in any drug or alcohol-related prosecution. Such assessment shall be made before sentencing.

478.003. In any judicial circuit of this state, a majority of the judges of the circuit court may designate a judge to hear cases arising in the circuit subject to the provisions of sections 478.001 to 478.006. In lieu thereof and subject to appropriations or other funds available for such purpose, a majority of the judges of the circuit court may appoint a person or persons to act as drug **and alcohol abuse** court commissioners. Each commissioner shall be appointed for a term of four years, but may be removed at any time by a majority of the judges of the circuit court. The qualifications and compensation of the commissioner shall be the same as that of an associate circuit judge. If the compensation of a commissioner appointed pursuant to this section is provided from other than state funds, the source of such fund shall pay to and reimburse the state for the actual costs of the salary and benefits of the commissioner. The commissioner shall have all the powers and duties of a circuit judge, except that any order, judgment or decree of the commissioner shall be confirmed or rejected by an associate circuit or circuit judge by order of record entered within the time the judge could set aside such order, judgment or decree had the same been made by the judge. If so confirmed, the order, judgment or decree shall have the same effect as if made by the judge on the date of its confirmation.

478.005. **1. Each circuit court shall establish conditions for referral of proceedings to the drug and alcohol abuse court. The defendant in any criminal proceeding accepted by a drug and alcohol abuse court for disposition shall be a nonviolent person, as determined by the prosecuting attorney. Any proceeding accepted by the drug and alcohol abuse court program for disposition shall be upon agreement of the parties.**

2. Any statement made by a participant as part of participation in the drug and alcohol abuse court program, or any report made by the staff of the program, shall not be admissible as evidence against the participant in any criminal, juvenile or civil proceeding. Notwithstanding the foregoing, termination from the drug and alcohol abuse court program and the reasons for termination may be considered in sentencing or disposition.

3. Notwithstanding any other provision of law to the contrary, drug and alcohol abuse court staff shall be provided with access to all records of any state or local government agency relevant to the treatment of any program

participant. Upon general request, employees of all such agencies shall fully inform a drug **and alcohol abuse** court staff of all matters relevant to the treatment of the participant. All such records and reports and the contents thereof shall be treated as closed records and shall not be disclosed to any person outside of the drug **and alcohol abuse** court, and shall be maintained by the court in a confidential file not available to the public.

478.009. 1. In order to coordinate the allocation of resources available to drug and alcohol abuse courts throughout the state, there is hereby established a “Drug and Alcohol Abuse Courts Coordinating Commission” in the judicial department. The drug and alcohol abuse courts coordinating commission shall consist of one member selected by the director of the department of corrections; one member selected by the director of the department of corrections; one member selected by the director of the department of social services; one member selected by the director of the department of mental health; one member selected by the director of the department of public safety; one member selected by the state courts administrator; and three members selected by the supreme court. The supreme court shall designate the chair of the commission. The commission shall periodically meet at the call of the chair; evaluate resources available for assessment and treatment of persons assigned to drug and alcohol abuse courts or for operation of drug and alcohol abuse courts; secure grants, funds and other property and services necessary or desirable to facilitate drug and alcohol abuse court operation; and allocate such resources among the various drug and alcohol abuse courts within the state.

2. There is hereby established in the state treasury a “Drug and Alcohol Abuse Court Resources Fund”, which shall be administered by the drug and alcohol abuse courts coordinating commission. Funds available for allocation or distribution by the drug and alcohol abuse courts coordinating commission may be deposited into the drug and alcohol abuse court resources fund. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the drug and alcohol abuse court resources fund shall not be transferred or placed to the credit of the general revenue fund of the state at the end of each biennium, but shall remain deposited to the credit of the drug and alcohol abuse court resources fund.”; and

Within thirty days after any change of address, a licensee shall notify the board thereof. The principal place of business may be at a residence or at a business address, but it shall be the place at which the licensee maintains a permanent office.

650.368. 1. Any license issued pursuant to sections 650.350 to 650.384 shall expire two years after the date of its issuance. Renewal of any such license shall be made in the manner prescribed for obtaining an original license, including payment of the appropriate fee, except that:

(1) The application upon renewal need only provide information required of original applicants if the information shown on the original application or any renewal thereof on file with the board is no longer accurate;

(2) A new photograph shall be submitted with the application for renewal only if the photograph on file with the board has been on file more than two years; and

(3) Additional information may be required by rules and regulations adopted by the board of private investigator examiners.

2. A licensee shall at all times be legally responsible for the good conduct of each of the licensee's employees or agents while engaged in the business of the licensee, and the licensee is legally responsible for any acts committed by such licensee's employees or agents which are in violation of sections 650.350 to 650.384. A person receiving an agency license shall directly manage the agency and employees.

3. A license issued pursuant to the provisions of sections 650.350 to 650.384 shall not be assignable.

650.370. 1. Any licensee may divulge to the board, any law enforcement officer or prosecuting attorney, or such person's representative, any information such person may acquire as to any criminal offense, or instruct his or her client to do so if the client is the victim but such person shall not divulge to any other person, except

as he or she may be required by law to do, any information acquired by such person at the direction of the employer or client for whom the information was obtained.

2. No licensee or officer, director, partner, associate or employee thereof shall:

(1) Knowingly make any false report to his or her employer or client for whom information was being obtained;

(2) Cause any written report to be submitted to a client except by the licensee, and the person submitting the report shall exercise diligence in ascertaining whether or not the facts and information in such report are true and correct;

(3) Use a title, wear a uniform, use an insignia or an identification card or make any statement with the intent to give an impression that such person is connected in any way with the federal government, a state government or any political subdivision of a state government;

(4) Appear as an assignee party in any proceeding involving claim and delivery, replevin or other possessory action, action to foreclose a chattel mortgage, mechanic's lien, materialman's lien or any other lien; or

(5) Manufacture false evidence.

650.372. Each licensee shall maintain a record containing such information relative to the licensee's employees as may be prescribed by the board of private investigator examiners. Such licensee shall file with the board the complete address of the licensee's principal place of business including the name and number of the street. The board may require the filing of other information for the purpose of identifying such principal place of business.

650.374. Every advertisement by a licensee soliciting or advertising business shall contain the licensee's name and an address as they appear in the records of the board of private investigator examiners. A licensee shall not advertise or conduct business from any Missouri address other than that shown on the records of the board as the licensee's principal place of business unless the licensee has received a branch office certificate for such location after compliance with the provisions of sections 650.350 to 650.384 and such additional requirements necessary for the protection of the public as the board may prescribe by regulation. A licensee shall notify the board in writing within ten days after closing or changing the location of a branch office.

650.376. 1. The board of private investigator examiners may deny a request for a license, or may suspend or revoke a license issued pursuant to sections 650.350 to 650.384 or censure or place a licensee on probation if, after notice and opportunity for hearing in accordance with the provisions of chapter 621, RSMo, the board determines that the licensee has:

(1) Made any false statement or given any false information in connection with an application for a license or a renewal or reinstatement thereof;

(2) Violated any provision of sections 650.350 to 650.384;

(3) Violated any rule of the board of private investigator examiners adopted pursuant to the authority contained in sections 650.350 to 650.384;

(4) Has been convicted of a felony or misdemeanor involving theft or drugs;

(5) Impersonated, or permitted or aided and abetted an employee to impersonate, a law enforcement officer or employee of the United States of America, or of any state or political subdivision thereof;

(6) Committed or permitted any employee to commit any act, while the license was expired, which would be cause for the suspension or revocation of a license, or grounds for the denial of an application for a license;

(7) Knowingly violated, or advised, encouraged or assisted the violation of, any court order or injunction in the course of business as a licensee;

(8) Used any letterhead, advertisement or other printed matter, or in any manner whatever represented that such person is an instrumentality of the federal government, a state or any political subdivision thereof;

(9) Used a name different from that under which such person is currently licensed in any advertisement, solicitation or contract for business; or

(10) Committed any act which is grounds for denial of an application for a license pursuant to the provisions of section 620.1818.

2. After the filing of a complaint before the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621, RSMo. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 1 of this section, for disciplinary action are met, the board may singly or in combination, censure or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years, or may suspend,

for a period not to exceed three years, or revoke the license.

3. The record of conviction, or a certified copy thereof, shall be conclusive evidence of such conviction, and a plea or verdict of guilty is deemed to be a conviction within the meaning thereof.

4. The agency may continue under the direction of another employee if the individual holding the license is suspended or revoked as approved by the board. The board shall establish a time frame in which the agency shall identify an acceptable person who is qualified to assume control of the agency, as required by the board.

650.378. 1. Each private investigator or investigator agency operating pursuant to the provisions of sections 650.350 to 650.384 shall be required to keep a complete record of the business transactions of such investigator or investigator agency and upon the order of the board shall give free and full opportunity to inspect the same and to inspect reports made; but any information obtained by the board shall be kept confidential, except as may be necessary to commence and prosecute any legal proceedings. The board shall not personally enter a licensee's place of business to inspect records, but shall appoint another state agency to act as gatherers of information and facts to present to the board regarding any complaint or inspection they are looking into. The board may hire a private agency as long as the agency is conducting an audit and is not an investigative agency or affiliated in any way with a company that provides investigative services.

2. For the purpose of enforcing the provisions of sections 650.350 to 650.384, and in making investigations relating to any violation thereof or to the character, competency and integrity of the applicants or licensees hereunder, and for the purpose of investigating the business, business practices and business methods of any applicant or licensee, or of the officers, directors, partners or associates thereof, the board shall have the power to subpoena and bring before the board any person in this state and require the production of any books, records or papers which the board deems relevant to the inquiry. The board also may administer an oath to and take the testimony of any person, or cause such person's deposition to be taken, except that any applicant or licensee or officer, director, partner or associate thereof shall not be entitled to any fees or mileage. A subpoena issued pursuant to this section shall be governed by the rules of civil procedure. Any person duly subpoenaed, who fails to obey such subpoena without reasonable cause or without such cause refuses to be examined or to answer any legal or pertinent question as to the character or qualification of such applicant or licensee or such applicant's or licensee's business, business practices and methods or such violations, shall be guilty of a class A misdemeanor. The testimony of witnesses in any investigative proceeding shall be under oath, and willful false swearing in any such proceeding shall be perjury.

650.380. 1. The board shall adopt such rules and regulations as may be necessary to carry out the provisions of sections 650.350 to 650.384.

2. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in section 650.350 to 650.384 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void.

3. The department of public safety shall establish guidelines to permit a private investigator to carry a concealed firearm, not to be greater than the firearm training imposed on a P.O.S.T. commissioned officer of a county of the first classification. Any private investigator holding a valid firearm permit issued by any city not within a county or any city with a population of at least four hundred thousand inhabitants will be exempt from the requirements of this subsection.

650.382. 1. The board of private investigator examiners shall certify persons who are qualified to train private investigators.

2. In order to be certified as a trainer pursuant to this section, a trainer shall:

- (1) Be twenty-one or more years of age;
- (2) Have a minimum of one-year supervisory experience with a private investigator agency; and
- (3) Be personally licensed and qualified to train private investigators.

3. Persons wishing to become certified trainers shall make application to the board of private investigator examiners on a form prescribed by the board and accompanied by a fee determined by the board. The application shall contain a statement of the plan of operation of the training offered by the applicant and the materials and aids to be used and any other information required by the board.

4. A certificate shall be granted to a trainer if the board finds that the applicant:

(1) Meets the requirements of subsection 2 of this section;
(2) Has no felony convictions or misdemeanor involving theft or drugs or currently charged with either;
(3) Has sufficient knowledge of private investigator business to be a suitable person to train private investigators;

(4) Has supplied all required information to the board; and

(5) Has paid the required fee.

5. The certificate issued pursuant to this section shall expire on the second year after the year in which it is issued and shall be renewable biennially upon application and payment of a fee.

650.384. Any person who knowingly falsifies the fingerprints or photographs or other information required to be submitted pursuant to sections 650.350 to 650.384 is guilty of a class D felony; and any person who violates any of the other provisions of sections 650.350 to 650.384 is guilty of a class A misdemeanor.”; and

JOURNAL OF THE HOUSE

SECOND REGULAR SESSION, 90th GENERAL ASSEMBLY

SEVENTY-SECOND DAY, FRIDAY, MAY 12, 2000

Speaker Gaw in the Chair.

Prayer by Father David Buescher.

Almighty One of the Beginnings, powerful One of the Endings, we stand for a moment of silence in Your presence. These halls resound with the taste of gentility and sometimes endure the smell of legislative Armageddon. For just this one moment let us catch our breath before the last gasps of this legislative session.

Today brings victory for some, defeat for others. How we react to either and both may be determined by our inhaling now Your presence, and deciding again for human decency and the processes of honorable change. We began this session in Your company; we prepare to end it also with You, O Alpha and Omega, in our personal heart-space and in this vast Chamber. For this moment we are one with You. Amen.

Prayer by Representative Terry Riley.

Lord Jesus Christ, You are the way of peace. Come into the brokenness of our lives and our land with Your healing love. Help us to bow before You in true repentance, and to bow to one another in true repentance.

By the fire of Your Holy Spirit, melt our hard hearts and consume the pride and prejudice which separate us. Fill us, O Lord, with Your perfect love, which casts our fear, and bind us together in that unity which You share with the Father and the Holy Spirit forever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Megan Gross, Madelynn Gross, Chrissy Manuszak, Madalina Gabriella Matteucci, Florina Natalia Matteucci, Daniel David Matteucci, Cullan Brian May, Allison Elizabeth May, Brendan Michael May, Torie Murray, Madison Murray, Amanda Murray and Lori L. Robinett.

Representative Crump moved that Rule 2 be suspended for this day, May 12, 2000, until 12:00 p.m., to allow the printing of the House Journal to be completed, at which time the motion for approval of the Journal will be made.

Which motion was adopted by the following vote:

(2) Seizure may be effected by a law enforcement officer authorized to enforce the criminal laws of this state prior to the filing of the petition and without a writ of seizure if the seizure is incident to a lawful arrest, search, or inspection and the officer has probable cause to believe the property is subject to forfeiture and will be lost or destroyed if not seized. Within four days of the date of seizure, such seizure shall be reported by said officer to the prosecuting attorney of the county in which the seizure is effected or the attorney general; and if in the opinion of the prosecuting attorney or attorney general forfeiture is warranted, the prosecuting attorney or attorney general shall, within ten days after receiving notice of seizure, file a petition for forfeiture. The petition shall state, in addition to the information required in subdivision (1) of this subsection, the date and place of seizure. The burden of proof will be on the investigative agency to prove all allegations contained in the petition.

[6.] **7.** After the petition is filed or the seizure effected, whichever is later, every person known to have or claim an interest in the property shall be served, if not previously served, with a copy of the petition and a notice of seizure in the manner provided by the Missouri rules of court and rules of civil procedure. Service by publication may be ordered upon any party whose whereabouts cannot be determined or if there be unknown parties.

[7.] **8.** The prosecuting attorney or attorney general to whom the seizure is reported shall report annually by January thirty-first for the previous calendar year all seizures. Such report shall include the date, time, and place of seizure, the property seized, the estimated value of the property seized, the person or persons from whom the property was seized, the criminal charges filed, and the disposition of the seizure, forfeiture and criminal actions. The report shall be made to the director of the Missouri department of public safety and shall be considered an open record. **The prosecuting attorney or attorney general shall submit a copy of the report to the state auditor at the time the report is made to the director of the department of public safety.**

9. The state auditor shall make an annual report compiling the data received from law enforcement, prosecuting attorneys and the attorney general, and shall submit the report regarding seizures for the previous calendar year to the general assembly annually by February twenty-eighth.

10. Intentional or knowing failure to comply with any reporting requirement contained in this section shall be a class A misdemeanor, punishable by a fine of up to one thousand dollars."; and

Further amend said bill, Page 70, Section 491.076, Line 17, by inserting after all of said line the following:

"513.647. 1. No state or local law enforcement agency may transfer any property seized by the state or local agency to any federal agency for forfeiture under federal law until the prosecuting attorney and the circuit judge of the county in which the property was seized first review the seizure and approve the transfer to a federal agency, **regardless of the identity of the seizing agency**. The prosecuting attorney and the circuit judge shall not approve any transfer unless it reasonably appears the activity giving rise to the investigation or seizure involves more than one state or the nature of the investigation or seizure would be better pursued under federal forfeiture statutes. No transfer shall be made to a federal agency unless the violation would be a felony under Missouri law or federal law.

2. Prior to transfer, in an ex parte proceeding, the prosecuting attorney shall file with the court a statement setting forth the facts and circumstances of the event or occurrence which led to the seizure of the property and the parties involved, if known. The court shall certify the filing, and notify by mailing to the last known address of the property owner that his property is subject to being transferred to the federal government and further notify the property owner of his right to file a petition stating legitimate grounds for challenging the transfer. If within ninety-six hours after the filing of the statement by the prosecuting attorney, the property owner by petition shows by a preponderance of the evidence that the property should not be transferred to the federal government for forfeiture, the court shall delay such transfer until a hearing may be held. If the court orders a delay in transfer, no later than ten days after the filing of a petition under this section and sections 513.649 and 513.651, a hearing shall be held unless the court deems, for good cause shown, that a continuance should be granted. At the hearing, if the prosecutor has proved by a preponderance of the evidence that the investigation or seizure involved more than one state or that the nature of the investigation or seizure would be better pursued under the federal forfeiture statutes, the court shall order that the transfer shall be made."; and

Further amend said bill, Page 70, Section 491.076, Line 17, by inserting after all of said line the following:

"513.653. **1.** Law enforcement agencies involved in using the federal forfeiture system under federal law shall be required at the end of their respective fiscal year to acquire an independent audit of the federal seizures and the proceeds received therefrom and provide this audit to their respective governing body. A copy of such audit shall be provided to the state auditor's office. This audit shall be paid for out of the proceeds of such federal forfeitures.

2. Intentional or knowing failure to comply with the audit requirement contained in this section shall be a class A misdemeanor, punishable by a fine of up to one thousand dollars."; and

Further amend said title, enacting clause and intersectional references accordingly.

- (4) Chapter 565, RSMo, relating to offenses against the person;
- (5) Chapter 566, RSMo, relating to sexual offenses;
- (6) Chapter 567, RSMo, relating to prostitution;
- (7) Chapter 568, RSMo, relating to offenses against the family;
- (8) Chapter 569, RSMo, relating to robbery, arson, burglary and related offenses;

- (14) Chapter 575, RSMo, relating to offenses against the administration of justice;
- (15) Chapter 577, RSMo, relating to public safety offenses. Any clerk of the court receiving moneys pursuant to such judgments shall collect and disburse such crime victims' compensation judgments in the manner provided by [section 514.015] **sections 488.010 to 488.020**, RSMo. Such funds shall be payable to the state treasury and deposited to the credit of the crime victims' compensation fund.

[8.] **9.** The clerk of the court processing such funds shall maintain records of all dispositions described in subsection 1 of this section and all dispositions where a judgment has been entered against a defendant in favor of the state of Missouri in accordance with this section; all payments made on judgments for alcohol-related traffic offenses; and any judgment or portion of a judgment entered but not collected. These records shall be subject to audit by the state auditor. The clerk of each court transmitting such funds shall report separately the amount of dollars collected on judgments entered for alcohol-related traffic offenses from other crime victims' compensation collections or services to victims collections.

[9.] **10.** The clerks of the court shall report all delinquent payments to the department of revenue by October first of each year for the preceding fiscal year, and such sums may be withheld pursuant to subsection [14] **15** of this section.

[11.] **12.** Notwithstanding any other provision of law to the contrary, the provisions of subsections [8 and] 9 **and 10** of this section shall expire and be of no force and effect upon the effective date of the supreme court rule adopted pursuant to [section 514.015] **sections 488.010 to 488.020**, RSMo.

[12.] **13.** The state courts administrator shall include in the annual report required by section 476.350, RSMo, the circuit court caseloads and the number of crime victims' compensation judgments entered.

[13.] **14.** All awards made to injured victims [under] **pursuant to** sections 595.010 to 595.105 and all appropriations for administration of sections 595.010 to 595.105, except sections 595.050 and 595.055, shall be made from the crime victims' compensation fund. Any unexpended balance remaining in the crime victims' compensation

fund at the end of each biennium shall not be subject to the provision of section 33.080, RSMo, requiring the transfer of such unexpended balance to the ordinary revenue fund of the state, but shall remain in the crime victims' compensation fund. In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no funds in the crime victims' compensation fund, then no claim shall be paid until funds have again accumulated in the crime victims' compensation fund. When sufficient funds become available from the fund, awards which have not been paid shall be paid in chronological order with the oldest paid first. In the event an award was to be paid in installments and some remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this subsection is specifically not a claim against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund.

[14.] **15.** When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections.

[15.] **16.** All interest earned as a result of investing funds in the crime victims' compensation fund shall be paid into the crime victims' compensation fund and not into the general revenue of this state.

[16.] **17.** Any person who knowingly makes a fraudulent claim or false statement in connection with any claim hereunder is guilty of a class A misdemeanor.

[17.] **18.** Any gifts, contributions, grants or federal funds specifically given to the division for the benefit of victims of crime shall be credited to the crime victims' compensation fund. Payment or expenditure of moneys in such funds shall comply with any applicable federal crime victims' compensation laws, rules, regulations or other applicable federal guidelines."; and

6. The department shall set criteria that could result in the expiration of the loan, may require reasonable reports on the progress of housing construction and may inspect the construction sites and records of the nonprofit corporation.

7. A nonprofit corporation receiving a loan shall place the funds in an account to pay for the costs of construction, buying, selling, and preparing a property. Any interest earned on the account shall be kept in the account and used for the same purposes.

8. Upon the sale of a home, the proceeds shall be placed in the fund and used to finance the construction of another home or to repay the loan. Any deficit on a loan shall be repaid by the nonprofit corporation. Any surplus remaining after repayment of a loan shall remain in the fund to be used for the public benefit in construction or rehabilitation of housing.

9. Separate records shall be kept for the costs of each home built by the nonprofit corporation.

13. Homes constructed by nonprofit corporations pursuant to this section shall be sold at cost plus a two thousand five hundred dollar administration fee. Any such agent of the corporation shall ensure that all legal and insurance requirements are met. Any part of the administration fee remaining after paying such costs shall be placed into the fund.

14. The buyer of the home may use any available financing mechanism to make the purchase, including any other state or federal assistance programs.

15. The nonprofit corporation shall establish priorities for selling homes to low income or moderate income persons and families, as defined in section 215.010, insofar as such buyers have financing arrangements completed previous to occupancy. The nonprofit corporation shall contact any local housing authority or community housing development organization to ascertain qualified buyers prior to the completion of construction.

16. The nonprofit corporation shall ensure that the sales contract shall contain a clause to prevent

speculative purchases. The clause shall require an interest-free second mortgage to be obtained for the difference between the sale price and the appraised price, if any. The interest-free second mortgage shall be payable to the nonprofit organization and shall become due and payable to such organization if the buyer of the home sells the property prior to five years of ownership. The interest-free second mortgage shall be null and void after a period of five years following the closing date of the home purchase if the following requirements are met:

(1) The home has been the primary home of the purchaser for a period of five years after the closing date; and

Any investor that makes an investment of certified capital shall, in the year of investment, earn a vested credit against state premium tax liability equal to the applicable percentage of the investor's investment of certified capital. An investor shall be entitled to take up to ten percent of the vested credit in any taxable year of the investor. Any time after three years after August 28, 1996, the director, with the approval of the commissioner of administration, may reduce the applicable percentage on a prospective basis. 2. An insurance company claiming a state premium tax credit earned through an investment in a certified capital company shall not be required to pay any additional retaliatory tax levied pursuant to section 375.916, RSMo, as a result of claiming such credit.

3. The credit against state premium tax liability which is described in subsection 1 of this section may not exceed the state premium tax liability of the investor for any taxable year. Thereafter, the aggregate amount of earned and vested certified capital company credits that may be taken on an annual basis by all Missouri certified capital company investors shall not exceed an amount equal to ten percent of the cumulative credits earned in respect of certified capital invested in previous years.** During any calendar year in which the limitation described in this subsection will limit the amount of certified capital for which earned and vested credits against state premium tax liability are allowed, certified capital for which credits are allowed will be allocated in order of priority based upon the date of filing of information described in subdivision (1) of subsection 5 of section 135.516. [Certified capital limited in any calendar year by the application of the provisions of this subsection shall be allowed and allocated in the immediately succeeding calendar year in the order of priority set forth in this subsection.] The department shall make separate allocations of certified capital for which credits are allowed under the limitations described in this subsection and under the limitations described in subsection 5 of this section.

5. In addition to the maximum amount pursuant to subsection 4 of this section, the aggregate amount of certified capital for which earned and vested credits against state premium tax liability are allowed for persons pursuant to sections 135.500 to 135.529 shall be the following: for calendar year 1999 and for any year thereafter, an amount to be determined by the director which would entitle all Missouri certified capital company investors to take aggregate credits not to exceed four million dollars for any year with the approval of the commissioner of administration and reported to the general assembly as provided in subsection 2 of section 33.282, RSMo, provided that the amount so determined shall not impair the ability of an investor with earned and vested credits which have been allowed in previous years or pursuant to the provisions of subsection 4 of this section to take them, pursuant to subsection 1 of this section.

For purposes of any requirement regarding the schedule of qualified investments for certified capital for which earned and vested credits against state premium tax liability are allowed pursuant to this subsection only, the definition of a "qualified Missouri business" as set forth in subdivision [(13)] (14) of subsection 2 of section 135.500 means a Missouri business that is located in a distressed community as defined in section 135.530, and meets all of the requirements of subdivision [(13)] (14) of subsection 2 of section 135.500, except that its gross sales during its most recent complete fiscal year shall not have exceeded five million dollars. During any calendar year in which the limitation described in this subsection limits the amount of additional certified capital for which earned and vested credits against state premium tax liability are allowed, additional certified capital for which credits are allowed shall be allocated in order of priority based upon the date of filing of information described in subdivision (1) of subsection 5 of section 135.516 with respect to such additional certified capital. The department shall make separate allocations of certified capital for which credits are allowed under the limitations described in this subsection and under the limitations described in subsection 4 of this section. No limitation applicable to any certified capital company with respect to certified capital for which credits are allowed pursuant to subsection 4 of this section shall limit the amount of certified capital for which credits are allowed pursuant to this subsection. No limitation applicable to any certified capital company with respect to certified capital for which credits are allowed pursuant to this subsection shall limit the amount of certified capital for which credits are allowed pursuant to subsection 4 of this section.

6. The department shall advise any Missouri certified capital company, in writing, within fifteen days after receiving the filing described in subdivision (1) of subsection 5 of section 135.516 whether the limitations of subsection [3] 4 of this section then in effect will be applicable with respect to the investments and credits described in such filing with the department.

135.516. 1. To continue to be certified, a Missouri certified capital company shall make qualified investments according to the following schedule:

(1) Within two years after the date on which a Missouri certified capital company is designated as a Missouri certified capital company at least twenty-five percent of its certified capital shall be, or have been, placed in qualified investments;

(2) Within three years after the date on which a Missouri certified capital company is designated as a Missouri certified capital company at least forty percent of its certified capital shall be, or have been, placed in qualified investments;

(3) Within four years after the date on which a Missouri certified capital company is designated as a Missouri certified capital company, at least fifty percent of its total certified capital shall be, or have been, placed in qualified investments **and in the case of any certified capital raised after August 28, 2000, at least twenty-five percent of which in terms of dollars shall be, or have been, placed in qualified investments in qualified Missouri agricultural businesses.** A Missouri certified capital company may not make an investment in an affiliate of the certified capital company. For the purposes of this subsection, if a legal entity is not an affiliate before a certified capital company initially invests in the entity, it will not be an affiliate if a certified capital company provides additional investment in such entity subsequent to its initial investment;

(4) A certified capital company, at least fifteen working days prior to making what it determines to be an initial qualified investment in a specific qualified Missouri business, shall certify to the department that the company in which it proposes to invest meets the definition of a qualified Missouri business pursuant to subdivision (14) of subsection 2 of section 135.500. The certified capital company shall state the amount of capital it intends to invest and the name of the business in which it intends to invest. The certified capital company shall also provide to the department an explanation of its determination that the business meets the definition of a qualified Missouri business. If the department determines that the business does not meet the definition of a qualified Missouri business, it shall, within the fifteen-working-day period prior to the making of the proposed investment, notify the certified capital company of its determination and an explanation thereof. If the department fails to notify the certified capital company with respect to the proposed investment within the fifteen-working-day period prior to the making of the proposed investment, the company in which the certified capital company proposes to invest shall be deemed to be a qualified Missouri business. If a certified capital company fails to notify the department prior to making an initial investment in a business, the department may subsequently determine that the business in which the certified capital company invested was not a qualified Missouri business even though the business, at the time of the investment, met the requirements of subdivision (14) of subsection 2 of section 135.500;

(5) All certified capital which is not required to be placed in qualified investments or which has been placed in qualified investments and can be received by the company, may be held or invested in such manner as the Missouri certified capital company, in its discretion, deems appropriate, **including, subject to the approval of the department**

upon terms and conditions determined by it, investments with an investor of the Missouri certified capital company or an affiliate or subsidiary of such investor of the Missouri certified capital company which is providing a guarantee, indemnity, bond, insurance policy or other guaranteed payment undertaking in favor of the investors that have invested certified capital in the Missouri certified capital company and which is rated AA or better by Standard and Poor's Ratings Group or the equivalent by another nationally recognized agency. The proceeds of all certified capital which is received by a certified capital company after it was originally placed in qualified investments may be placed again in qualified investments and shall count toward any requirement in sections 135.500 to 135.529 with respect to placing certified capital in qualified investments.

2. A certified capital company may make qualified distributions at any time. In order to make distributions, other than qualified distributions, a certified capital company must have placed an amount cumulatively equal to one hundred percent of its certified capital in qualified investments **and, with respect to qualified investments made with certified capital raised after August 28, 2000, twenty-five percent of such qualified investment must be in qualified Missouri agricultural businesses.** Cumulative distributions to equity holders, other than qualified distributions, in excess of the certified capital company's original certified capital and any additional capital contributions to the certified capital company shall be subject to audit by a nationally recognized certified public accounting firm acceptable to the department, at the expense of the certified capital company. The audit shall determine whether aggregate cumulative distributions to all investors and equity holders, other than qualified distributions, when combined with all tax credits utilized by investors pursuant to sections 135.500 to 135.529, have resulted in an annual internal rate of return of fifteen percent computed on the sum of total original certified capital of the certified capital company and any additional capital contributions to the certified capital company. Twenty-five percent of distributions made, other than qualified distributions, in excess of the amount required to produce a fifteen percent annual internal rate of return, as determined by the audit, shall be payable by the certified capital company to the Missouri development finance board. Distributions or payments to debt holders of a certified capital company, however, may be made without restriction with respect to debt owed to them by a certified capital company. A debt holder that is also an investor or equity holder of a certified capital company may receive distributions or payments with respect to such debt without restriction.

3. No qualified investment may be made at a cost to a Missouri certified capital company greater than fifteen percent of the total certified capital under management of the Missouri certified capital company at the time of investment.

4. Documents and other materials submitted by Missouri certified capital companies or by businesses for purposes of the continuance of certification may be deemed "closed records" pursuant to the provisions of section 620.014, RSMo.

5. Each Missouri certified capital company shall report the following to the department:

(1) As soon as practicable after the receipt of certified capital, the name of each investor from which the certified capital was received, the amount of each investor's investment of certified capital and tax credits computed without regard to any limitations under subsection [3] 4 of section 135.503, and the date on which the certified capital was received;

(2) On a quarterly basis, the amount of the Missouri certified capital company's certified capital at the end of the quarter, whether or not the Missouri certified capital company has invested more than fifteen percent of the total certified capital under management in any one company, and all qualified investments that the Missouri certified capital company has made;

(3) Each Missouri certified capital company shall provide annual audited financial statements to the department which include an opinion of an independent certified public accountant to the department within ninety days of the close of the fiscal year. The audit shall address the methods of operation and conduct of the business of the Missouri certified capital company to determine if the Missouri certified capital company is complying with the statutes and program rules and that the funds received by the Missouri certified capital company have been invested as required within the time limits provided by sections 135.500 to 135.529."; and

"301.025. 1. No state registration license to operate any motor vehicle in this state shall be issued unless the application for license of a motor vehicle or trailer is accompanied by a tax receipt for the tax year which immediately precedes the year in which the vehicle's or trailer's registration is due and which reflects that all taxes, including delinquent taxes from prior years, have been paid, or a statement certified by the county or township collector of the county or township in which the applicant's property was assessed showing that the state and county tangible personal property taxes for such previous tax year and all delinquent taxes due have been paid by the applicant or that no such taxes were due or, if the applicant is not a resident of this state and serving in the armed forces of the United States, the application is accompanied by a leave and earnings statement from such person verifying such status. In the event the registration is a renewal of a registration made two or three years previously, the application shall be accompanied by proof that taxes were not due or have been paid for the two or three years which immediately precede the year in which the motor vehicle's or trailer's registration is due. The county or township collector shall not be required to issue a receipt for the immediately preceding tax year until all personal property taxes, including all delinquent taxes currently due, are paid. If the applicant was a resident of another county of this state in the applicable preceding years, he or she must submit to the collector in the county or township of residence proof that the personal property

tax was paid in the applicable tax years. Every county and township collector shall give each person a tax receipt or a certified statement of tangible personal property taxes paid. The receipt issued by the county collector in any county of the first classification with a charter form of government which contains part of a city with a population of at least three hundred fifty thousand inhabitants which is located in more than one county, any county of the first classification without a charter form of government with a population of at least one hundred fifty thousand inhabitants which contains part of a city with a population of at least three hundred fifty thousand inhabitants which is located in more than one county and any county of the first classification without a charter form of government with a population of at least one hundred ten thousand but less than one hundred fifty thousand inhabitants shall be determined null and void if the person paying tangible personal property taxes issues or passes a check or other similar sight order which is returned to the collector because the account upon which the check or order was drawn was closed or did not have sufficient funds at the time of presentation for payment by the collector to meet the face amount of the check or order. The collector may assess and collect in addition to any other penalty or interest that may be owed, a penalty of ten dollars or five percent of the total amount of the returned check or order whichever amount is greater to be deposited in the county general revenue fund, but in no event shall such penalty imposed exceed one hundred dollars. The collector may refuse to accept any check or other similar sight order in payment of any tax currently owed plus penalty or interest from a person who previously attempted to pay such amount with a check or order that was returned to the collector unless the remittance is in the form of a cashier's check, certified check or money order. If a person does not comply with the provisions of this section, a tax receipt issued pursuant to this section is null and void and no state registration license shall be issued or renewed. Where no such taxes are due each such collector shall, upon request, certify such fact and transmit such statement to the person making the request. Each receipt or statement shall describe by type the total number of motor vehicles on which personal property taxes were paid, and no renewal of any state registration license shall be issued to any person for a number greater than that shown on his or her tax receipt or statement except for a vehicle which was purchased without another vehicle being traded therefor, or for a vehicle previously registered in another state, provided the application for title or other evidence shows that the date the vehicle was purchased or was first registered in this state was such that no personal property tax was owed on such vehicle as of the date of the last tax receipt or certified statement prior to the renewal. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms. **If electronic data is not available, residents of counties with a township form of government and with township collectors shall present personal property tax receipts which have been paid for the preceding two years when registering under this section.**

2. Every county collector in counties with a population of over six hundred thousand and less than nine hundred thousand shall give priority to issuing tax receipts or certified statements pursuant to this section for any person whose motor vehicle registration expires in January. Such collector shall send tax receipts or certified statements for personal property taxes for the previous year within three days to any person who pays the person's personal property tax in person, and within twenty working days, if the payment is made by mail. Any person wishing to have priority pursuant to this subsection shall notify the collector at the time of payment of the property taxes that a motor vehicle registration expires in January. Any person purchasing a new vehicle in December and licensing such vehicle in January of the following year, may use the personal property tax receipt of the prior year as proof of payment.

3. In addition to all other requirements, the director of revenue shall not register any vehicle subject to the heavy vehicle use tax imposed by Section 4481 of the Internal Revenue Code of 1954 unless the applicant presents proof of payment, or that such tax is not owing, in such form as may be prescribed by the United States Secretary of the Treasury. No proof of payment of such tax shall be required by the director until the form for proof of payment has been prescribed by the Secretary of the Treasury.

4. Beginning July 1, 2000, a county or township collector may notify, by ordinary mail, any owner of a motor vehicle for which personal property taxes have not been paid that if full payment is not received within thirty days the collector may notify the director of revenue to suspend the motor vehicle registration for such vehicle. Any notification returned to the collector by the post office shall not result in the notification to the director of revenue for suspension of a motor vehicle registration. Thereafter, if the owner fails to timely pay such taxes the collector may notify the director of revenue of such failure. Such notification shall be on forms designed and provided by the department of revenue and shall list the motor vehicle owner's full name, including middle initial, the owner's address, and the year, make, model and vehicle identification number of such motor vehicle. Upon receipt of this notification the director of revenue may provide notice of suspension of motor vehicle registration to the owner at the owner's last address shown on the records of the department of revenue. Any suspension imposed may remain in effect until the department of revenue receives notification from a county or township collector that the personal property taxes have been paid in full. Upon the owner furnishing proof of payment of such taxes and paying a twenty dollar reinstatement fee to the director

of revenue the motor vehicle or vehicles registration shall be reinstated. In the event a motor vehicle registration is suspended for nonpayment of personal property tax the owner so aggrieved may appeal to the circuit court of the county of his or her residence for review of such suspension at any time within thirty days after notice of motor vehicle registration suspension. Upon such appeal the cause shall be heard de novo in the manner provided by chapter 536, RSMo, for the review of administrative decisions. The circuit court may order the director to reinstate such registration, sustain the suspension of registration by the director or set aside or modify such suspension. Appeals from the judgment of the circuit court may be taken as in civil cases. The prosecuting attorney of the county where such appeal is taken shall appear in behalf of the director, and prosecute or defend, as the case may require.

5. [No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo.] **Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void.**

[301.025. 1. No state registration license to operate any motor vehicle in this state shall be issued unless the application for license of a motor vehicle or trailer is accompanied by a tax receipt for the tax year which immediately precedes the year in which the vehicle's or trailer's registration is due or a statement certified by the county or township collector of the county or township in which the applicant's property was assessed showing that the state and county tangible personal property taxes for such previous tax year have been paid by the applicant or that no such taxes were due or, if the applicant is not a resident of this state and serving in the armed forces of the United States, the application is accompanied by a leave and earnings statement from such person verifying such status. Every county and township collector shall give each person a tax receipt or a certified statement of tangible personal property taxes paid. The collector may assess and collect in addition to any other penalty or interest that may be owed, a penalty of ten dollars or five percent of the total amount of the returned check or order whichever amount is greater to be deposited in the county general revenue fund, but in no event shall such penalty imposed exceed one hundred dollars. If a person does not comply with the provisions of this section, a tax receipt issued pursuant to this section is null and void and no state registration license shall be issued or renewed. Where no such taxes are due each such collector shall, upon request, certify such fact and transmit such statement to the person making the request. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms.

2. Every county collector in counties with a population of over six hundred thousand and less than nine hundred thousand shall give priority to issuing tax receipts or certified statements pursuant to this section for any person whose motor vehicle registration expires in January. AMEND House Substitute for House Committee Substitute for Senate Bill No. 573, by adding the following:

"163.031. 1. School districts which meet the requirements of section 163.021 shall be entitled to an amount computed as follows: an amount determined by multiplying the number of eligible pupils by the lesser of the district's equalized operating levy for school purposes as defined in section 163.011 or two dollars and seventy-five cents per one hundred dollars assessed valuation multiplied by the guaranteed tax base per eligible pupil times the proration factor plus an amount determined by multiplying the number of eligible pupils by the greater of zero or the district's equalized operating levy for school purposes as defined in section 163.011 minus two dollars and seventy-five cents per one

hundred dollars assessed valuation multiplied by the guaranteed tax base per eligible pupil times the proration factor. For the purposes of this section, the proration factor shall be equal to the sum of the total appropriation for distribution under subsections 1 and 2 of this section; and the state total of the deductions as calculated in subsection 2 of this section which do not exceed the district entitlements as adjusted by the same proration factor; divided by the amount of the state total of district entitlements before proration as calculated pursuant to this subsection; provided that, if the proration factor so calculated is greater than one, the proration factor for line 1(b) shall be the greater of one or the proration factor for line 1(a) minus five hundredths, and provided that if the proration factor so calculated is less than one, the proration factor for line 1(a) shall be the lesser of one or the proration factor for line 1(b) plus five hundredths.

2. From the district entitlement for each district there shall be deducted the following amounts: an amount determined by multiplying the district equalized assessed valuation by the district's equalized operating levy for school purposes times the district income factor plus ninety percent of any payment received the current year of protested taxes due in prior years no earlier than the 1997 tax year minus the amount of any protested taxes due in the current year and for which notice of protest was received during the current year; one hundred percent of the amount received the previous year for school purposes from intangible taxes, fines, forfeitures and escheats, payments in lieu of taxes and receipts from state assessed railroad and utility tax, except that any penalty paid after July 1, 1995, by a concentrated animal feeding operation as defined by the department of natural resources rule shall not be included; one hundred percent of the amounts received the previous year for school purposes from federal properties pursuant to sections 12.070 and 12.080, RSMo; federal impact aid received the previous year for school purposes pursuant to P.L. 81-874 less fifty thousand dollars multiplied by ninety percent or the maximum percentage allowed by federal regulation if that percentage is less than ninety; fifty percent, or the percentage otherwise provided in section 163.087, of Proposition C revenues received the previous year for school purposes from the school district trust fund pursuant to section 163.087; one hundred percent of the amount received the previous year for school purposes from the fair share fund pursuant to section 149.015, RSMo; and one hundred percent of the amount received the previous year for school purposes from the free textbook fund, pursuant to section 148.360, RSMo.

3. School districts which meet the requirements of section 163.021 shall receive categorical add-on revenue as provided in this subsection. There shall be individual proration factors for each categorical entitlement provided for in this subsection, and each proration factor shall be determined by annual appropriations, but no categorical proration factor shall exceed the entitlement proration factor established pursuant to subsection 1 of this section, except that the vocational education entitlement proration factor established pursuant to line 16 of subsection 6 of this section and the educational and screening program entitlements proration factor established pursuant to line 17 of subsection 6 of this section may exceed the entitlement proration factor established pursuant to subsection 1 of this section. The categorical add-on for the district shall be the sum of: seventy-five percent of the district allowable transportation costs pursuant to section 163.161 multiplied by the proration factor; the special education approved or allowed cost entitlement for the district, provided for by section 162.975, RSMo, multiplied by the proration factor; seventy-five percent of the district gifted education approved or allowable cost entitlement as determined pursuant to section 162.975, RSMo, multiplied by the proration factor; the free and reduced lunch eligible pupil count for the district, as defined in section 163.011, multiplied by twenty percent, for a district with an operating levy in excess of two dollars and seventy-five cents per one hundred dollars assessed valuation, or twenty-two percent, otherwise times the guaranteed tax base per eligible pupil times two dollars and seventy-five cents per one hundred dollars assessed valuation times the proration factor plus the free and reduced lunch eligible pupil count for the district, as defined in section 163.011, times thirty percent times the guaranteed tax base per eligible pupil times the following quantity: (the greater of zero or the district's operating levy for school purposes minus two dollars and seventy-five cents per one hundred dollars assessed valuation) times one or, beginning in the fifth year following the effective date of this section, the quotient of the district's fiscal instructional ratio of efficiency for the prior year divided by the fiscal year 1998 statewide average fiscal instructional ratio of efficiency, if the district's prior year fiscal instructional ratio of efficiency is at least five percent below the fiscal year 1998 statewide average) times the proration factor, minus court-ordered state desegregation aid received by the district for operating purposes; the career ladder entitlement for the district, as provided for in sections 168.500 to 168.515, RSMo, multiplied by the proration factor; the vocational education entitlement for the district, as provided for in section 167.332, RSMo, multiplied by the proration factor and the district educational and screening program entitlements as provided for in sections 178.691 to 178.699, RSMo, times the proration factor.

4. Each district's apportionment shall be the prorated categorical add-ons plus the greater of the district's prorated entitlement minus the total deductions for the district or zero.

5. (1) In the 1993-94 school year and all subsequent school years, pursuant to section 10(c) of article X of the state constitution, a school district shall adjust upward its operating levy for school purposes to the extent necessary for

the district to at least maintain the current operating expenditures per pupil received by the district from all sources in the 1992-93 school year, except that its operating levy for school purposes shall not exceed the highest tax rate in effect subsequent to the 1980 tax year, or the minimum rate required by subsection 2 of section 163.021, whichever is less.

(2) The revenue per eligible pupil received by a district from the following sources: line 1 minus line 10, or zero if line 1 minus line 10 is less than zero, plus line 14 of subsection 6 of this section, shall not be less than the revenue per eligible pupil received by a district in the 1992-93 school year from the foundation formula entitlement payment amount plus the amount of line 14 per eligible pupil that exceeds the line 14 per pupil amount from the 1997-98 school year, or the revenue per eligible pupil received by a district in the 1992-93 school year from the foundation formula entitlement payment amount plus the amount of line 14(a) per eligible pupil times the quotient of line 1 minus line 10, divided by the number of eligible pupils, or zero if line 1 minus line 10 is less than zero, divided by the revenue per eligible pupil received by the district in the 1992-93 school year from the foundation formula entitlement payment amount, whichever is greater. The department of elementary and secondary education shall make an addition in the payment amount of line 19 of subsection 6 of this section to assure compliance with the provisions contained in this section. **Beginning with the 2001-2001 school year, the eligible pupil number used in these calculations shall exclude voluntary transfer students, and the 1997-1998 line 14 total amount and amount per pupil will be recalculated to exclude the voluntary transfer students originally in the calculation. Beginning with the 2001-2001 school year, for any district with voluntary transfer students in 1997-1998, the current year per eligible pupil payment amount shall not be less than the previous year per eligible pupil payment amount.**

(3) For any school district which meets the eligibility criteria for state aid as established in section 163.021, but which under subsections 1 to 4 of this section, receives no state aid for two successive school years, other than categorical add-ons, by August first following the second such school year, the commissioner of education shall present a plan to the superintendent of the school district for the waiver of rules and the duration of said waivers, in order to promote flexibility in the operations of the district and to enhance and encourage efficiency in the delivery of instructional services. The provisions of other law to the contrary notwithstanding, the plan presented to the superintendent shall provide a summary waiver, with no conditions, for the pupil testing requirements pursuant to section 160.257, RSMo. Further, the provisions of other law to the contrary notwithstanding, the plan shall detail a means for the waiver of requirements otherwise imposed on the school district related to the authority of the state board of education to classify school districts pursuant to section 161.092, RSMo, and such other rules as determined by the commissioner of education, except that such waivers shall not include the provisions established pursuant to sections 160.514 and 160.518, RSMo.

(4) In the 1993-94 school year and each school year thereafter for two years, those districts which are entitled to receive state aid under subsections 1 to 4 of this section, shall receive state aid in an amount per eligible pupil as provided in this subsection. For the 1993-94 school year, the amount per eligible pupil shall be twenty-five percent of the amount of state aid per eligible pupil calculated for the district for the 1993-94 school year pursuant to subsections 1 to 4 of this section plus seventy-five percent of the total amount of state aid received by the district from all sources for the 1992-93 school year for which the district is entitled and which are distributed in the 1993-94 school year pursuant to subsections 1 to 4 of this section. For the 1994-95 school year, the amount per eligible pupil shall be fifty percent of the amount of state aid per eligible pupil calculated for the district for the 1994-95 school year pursuant to subsections 1 to 4 of this section plus fifty percent of the total amount of state aid received by the district from all sources for the 1992-93 school year for which the district is entitled and which are distributed in the 1994-95 school year pursuant to subsections 1 to 4 of this section. For the 1995-96 school year, the amount of state aid per eligible pupil shall be seventy-five percent of the amount of state aid per eligible pupil calculated for the district for the 1995-96 school year pursuant to subsections 1 to 4 of this section plus twenty-five percent of the total amount of state aid received by the district from all sources for the 1992-93 school year for which the district is entitled and which are distributed in the 1995-96 school year pursuant to subsections 1 to 4 of this section. Nothing in this subdivision shall be construed to limit the authority of a school district to raise its district operating levy pursuant to subdivision (1) of this subsection.

(5) If the total of state aid apportionments to all districts pursuant to subdivision (3) of this subsection is less than the total of state aid apportionments calculated pursuant to subsections 1 to 4 of this section, then the difference shall be deposited in the outstanding schools trust fund. If the total of state aid apportionments to all districts pursuant to subdivision (1) of this subsection is greater than the total of state aid apportionments calculated pursuant to subsections 1 to 4 of this section, then funds shall be transferred from the outstanding schools trust fund to the state school moneys fund to the extent necessary to fund the district entitlements as modified by subdivision (4) of this subsection for that school year with a district entitlement proration factor no less than one and such transfer shall be

given priority over all other uses for the outstanding schools trust fund as otherwise provided by law.

6. State aid shall be determined as follows:

*House Substitute Amendment No. 1
for
House Amendment No. 1*

AMEND Senate Bill No. 573, Page 1, by inserting the following:

“163.031. 1. School districts which meet the requirements of section 163.021 shall be entitled to an amount computed as follows: an amount determined by multiplying the number of eligible pupils by the lesser of the district's equalized operating levy for school purposes as defined in section 163.011 or two dollars and seventy-five cents per one hundred dollars assessed valuation multiplied by the guaranteed tax base per eligible pupil times the proration factor plus an amount determined by multiplying the number of eligible pupils by the greater of zero or the district's equalized operating levy for school purposes as defined in section 163.011 minus two dollars and seventy-five cents per one hundred dollars assessed valuation multiplied by the guaranteed tax base per eligible pupil times the proration factor. For the purposes of this section, the proration factor shall be equal to the sum of the total appropriation for distribution under subsections 1 and 2 of this section; and the state total of the deductions as calculated in subsection 2 of this section which do not exceed the district entitlements as adjusted by the same proration factor; divided by the amount of the state total of district entitlements before proration as calculated pursuant to this subsection; provided that, if the proration factor so calculated is greater than one, the proration factor for line 1(b) shall be the greater of one or the proration factor for line 1(a) minus five hundredths, and provided that if the proration factor so calculated is less than one, the proration factor for line 1(a) shall be the lesser of one or the proration factor for line 1(b) plus five hundredths.

2. From the district entitlement for each district there shall be deducted the following amounts: an amount determined by multiplying the district equalized assessed valuation by the district's equalized operating levy for school purposes times the district income factor plus ninety percent of any payment received the current year of protested taxes due in prior years no earlier than the 1997 tax year minus the amount of any protested taxes due in the current year and for which notice of protest was received during the current year; one hundred percent of the amount received the previous year for school purposes from intangible taxes, fines, forfeitures and escheats, payments in lieu of taxes and receipts from state assessed railroad and utility tax, except that any penalty paid after July 1, 1995, by a concentrated animal feeding operation as defined by the department of natural resources rule shall not be included; one hundred percent of the amounts received the previous year for school purposes from federal properties pursuant to sections 12.070 and 12.080, RSMo; federal impact aid received the previous year for school purposes pursuant to P.L. 81-874 less fifty thousand dollars multiplied by ninety percent or the maximum percentage allowed by federal regulation if that percentage is less than ninety; fifty percent, or the percentage otherwise provided in section 163.087, of Proposition C revenues received the previous year for school purposes from the school district trust fund pursuant to section 163.087; one hundred percent of the amount received the previous year for school purposes from the fair share fund pursuant to section 149.015, RSMo; and one hundred percent of the amount received the previous year for school purposes from the free textbook fund, pursuant to section 148.360, RSMo.

3. School districts which meet the requirements of section 163.021 shall receive categorical add-on revenue as provided in this subsection. There shall be individual proration factors for each categorical entitlement provided for in this subsection, and each proration factor shall be determined by annual appropriations, but no categorical proration factor shall exceed the entitlement proration factor established pursuant to subsection 1 of this section, except that the vocational education entitlement proration factor established pursuant to line 16 of subsection 6 of this section and the educational and screening program entitlements proration factor established pursuant to line 17 of subsection 6 of this section may exceed the entitlement proration factor established pursuant to subsection 1 of this section. The categorical add-on for the district shall be the sum of: **seventy-five percent of the costs of adopting and providing a violence prevention program pursuant to section 161.650, RSMo, multiplied by the proration factor;** seventy-five percent of the district allowable transportation costs pursuant to section 163.161 multiplied by the proration factor; the special education approved or allowed cost entitlement for the district, provided for by section 162.975, RSMo, multiplied by the proration factor; seventy-five percent of the district gifted education approved or allowable cost entitlement as determined pursuant to section 162.975, RSMo, multiplied by the proration factor; the free and reduced lunch eligible pupil count for the district, as defined in section 163.011, multiplied by twenty percent, for a district with an operating levy in excess of two dollars and seventy-five cents per one hundred dollars assessed valuation, or twenty-two percent, otherwise times the guaranteed tax base per eligible pupil times two dollars and seventy-five cents per one hundred dollars assessed valuation times the proration factor plus the free and reduced lunch eligible pupil count for the district, as defined in section 163.011, times thirty percent times the guaranteed tax base per eligible pupil times the following

4. Each district's apportionment shall be the prorated categorical add-ons plus the greater of the district's prorated entitlement minus the total deductions for the district or zero.

5. (1) In the 1993-94 school year and all subsequent school years, pursuant to section 10(c) of article X of the state constitution, a school district shall adjust upward its operating levy for school purposes to the extent necessary for the district to at least maintain the current operating expenditures per pupil received by the district from all sources in the 1992-93 school year, except that its operating levy for school purposes shall not exceed the highest tax rate in effect subsequent to the 1980 tax year, or the minimum rate required by subsection 2 of section 163.021, whichever is less.

(2) The revenue per eligible pupil received by a district from the following sources: line 1 minus line 10, or zero if line 1 minus line 10 is less than zero, plus line 14 of subsection 6 of this section, shall not be less than the revenue per eligible pupil received by a district in the 1992-93 school year from the foundation formula entitlement payment amount plus the amount of line 14 per eligible pupil that exceeds the line 14 per pupil amount from the 1997-98 school year, or the revenue per eligible pupil received by a district in the 1992-93 school year from the foundation formula entitlement payment amount plus the amount of line 14(a) per eligible pupil times the quotient of line 1 minus line 10, divided by the number of eligible pupils, or zero if line 1 minus line 10 is less than zero, divided by the revenue per eligible pupil received by the district in the 1992-93 school year from the foundation formula entitlement payment amount, whichever is greater. The department of elementary and secondary education shall make an addition in the payment amount of line 19 of subsection 6 of this section to assure compliance with the provisions contained in this section. **Beginning with the 2001-2001 school year, the eligible pupil number used in these calculations shall exclude voluntary transfer students, and the 1997-1998 line 14 total amount and amount per pupil will be recalculated to exclude the voluntary transfer students originally in the calculation. Beginning with the 2001-2001 school year, for any district with voluntary transfer students in 1997-1998, the current year per eligible pupil payment amount shall not be less than the previous year per eligible pupil payment amount.**

(3) For any school district which meets the eligibility criteria for state aid as established in section 163.021, but which under subsections 1 to 4 of this section, receives no state aid for two successive school years, other than categorical add-ons, by August first following the second such school year, the commissioner of education shall present a plan to the superintendent of the school district for the waiver of rules and the duration of said waivers, in order to promote flexibility in the operations of the district and to enhance and encourage efficiency in the delivery of instructional services. The provisions of other law to the contrary notwithstanding, the plan presented to the superintendent shall provide a summary waiver, with no conditions, for the pupil testing requirements pursuant to section 160.257, RSMo. Further, the provisions of other law to the contrary notwithstanding, the plan shall detail a means for the waiver of requirements otherwise imposed on the school district related to the authority of the state board of education to classify school districts pursuant to section 161.092, RSMo, and such other rules as determined by the commissioner of education, except that such waivers shall not include the provisions established pursuant to sections 160.514 and 160.518, RSMo.

(4) In the 1993-94 school year and each school year thereafter for two years, those districts which are entitled to receive state aid under subsections 1 to 4 of this section, shall receive state aid in an amount per eligible pupil as provided in this subsection. For the 1993-94 school year, the amount per eligible pupil shall be twenty-five percent of the amount of state aid per eligible pupil calculated for the district for the 1993-94 school year pursuant to subsections 1 to 4 of this section plus seventy-five percent of the total amount of state aid received by the district from all sources for the 1992-93 school year for which the district is entitled and which are distributed in the 1993-94 school year pursuant to subsections 1 to 4 of this section. For the 1994-95 school year, the amount per eligible pupil shall be fifty

percent of the amount of state aid per eligible pupil calculated for the district for the 1994-95 school year pursuant to subsections 1 to 4 of this section plus fifty percent of the total amount of state aid received by the district from all sources for the 1992-93 school year for which the district is entitled and which are distributed in the 1994-95 school year pursuant to subsections 1 to 4 of this section. For the 1995-96 school year, the amount of state aid per eligible pupil shall be seventy-five percent of the amount of state aid per eligible pupil calculated for the district for the 1995-96 school year pursuant to subsections 1 to 4 of this section plus twenty-five percent of the total amount of state aid received by the district from all sources for the 1992-93 school year for which the district is entitled and which are distributed in the 1995-96 school year pursuant to subsections 1 to 4 of this section. Nothing in this subdivision shall be construed to limit the authority of a school district to raise its district operating levy pursuant to subdivision (1) of this subsection.

(5) If the total of state aid apportionments to all districts pursuant to subdivision (3) of this subsection is less than the total of state aid apportionments calculated pursuant to subsections 1 to 4 of this section, then the difference shall be deposited in the outstanding schools trust fund. If the total of state aid apportionments to all districts pursuant to subdivision (1) of this subsection is greater than the total of state aid apportionments calculated pursuant to subsections 1 to 4 of this section, then funds shall be transferred from the outstanding schools trust fund to the state school moneys fund to the extent necessary to fund the district entitlements as modified by subdivision (4) of this subsection for that school year with a district entitlement proration factor no less than one and such transfer shall be given priority over all other uses for the outstanding schools trust fund as otherwise provided by law.

6. State aid shall be determined as follows:

Such amounts may be repaid by the district through the withholding of the amount of state aid.”; and

Further amend said Section 163.036, Page 4, by inserting the following:

“167.645. [No public school student shall be promoted to a higher grade level unless that student has a reading ability level at or above one grade level below the student's grade level; except that the provisions of this subsection shall not apply to students receiving special education services pursuant to sections 162.670 to 162.999, RSMo.] **1. For purposes of this section, the following terms mean:**

(1) "Reading assessment", a recognized method of judging a student's reading ability, with results expressed as reading at a particular grade level. The term reading assessment shall include, but is not limited to, standard checklists designed for use as a student reads out loud, paper-and-pencil tests promulgated by nationally recognized organizations and other recognized methods of determining a student's reading accuracy, expression, fluency and comprehension in order to make a determination of the student's grade-level reading ability. Assessments which do not give a grade-level result may be used in combination with other assessments to reach a grade-level determination. Districts are encouraged but not required to select assessment methods identified pursuant to section 167.346. Districts are also encouraged to use multiple methods of assessment;

(2) "Summer school", for reading instruction purposes, a minimum of forty hours of reading instruction and practice. A school district may arrange the hours and days of instruction to coordinate with its regular program of summer school.

2. For purposes of this section, methods of reading assessment shall be determined by each school district. Unless a student has been determined in the current school year to be reading at grade level or above, each school district shall administer a reading assessment or set of assessments to each student within forty-five days of the end of the third-grade year, except that the assessment and retention provisions of this section shall not apply to:

(1) Students receiving special education services under an individualized education plan pursuant to sections 162.670 to 162.999, RSMo;

(2) Students whose second language is English;

(3) Students in an educational plan under section 504 of the Federal Rehabilitation Act of 1973, 20 U.S.C. Section 794, as amended, where it is determined that such student's disability affects such student's ability to read; or

(4) Students who have been determined, prior to the beginning of any school year, to have an intellectual ability insufficient to meet the reading requirement set out in this section. Although students in this category are exempt from the assessment and retention provisions of this section, districts shall provide reading improvement plans for these students.

The assessment required by this subsection shall also be required for students who enter a district in grades 4 or 5 unless such student has been determined in the current school year to be reading at grade level or above.

3. (1) For each student whose third-grade reading assessment determines that such student is reading below second-grade level, the school district shall design a reading improvement plan for the student's fourth-grade year.

(2) For the 2000-2001 school year only, school districts shall administer a reading assessment or set of assessments to each fourth and fifth grade student within forty-five days of the end of the school year, unless such student has been determined in the current school year to be reading at grade level or above. For any fourth grade student who is reading below third grade level and for any fifth grade student who is reading below fourth grade level, the school district shall design a reading improvement plan for the student's next school year. Such students may be required to attend summer school following the regular 2000-2001 school term as a condition of promotion to fifth or sixth grade and shall be given an assessment within forty-five days of the end of school year 2001-2002. Such students who do not meet the target level shall be required to attend summer school and be reassessed at the end of summer school. Such students who do not meet the target level at the end

of summer school following the regular 2001-2002 school term shall be retained, following the notification procedure and limitations described in subsection 4 of this section.

(3) Such reading improvement plan shall include, at a minimum, thirty hours of additional reading instruction or practice outside the regular school day during the fourth-grade year. The school district shall determine the method of reading instruction necessary to enforce this subsection. The school district may also require the student to attend summer school for reading instruction as a condition of promotion to fourth grade.

4. Each student for whom a reading improvement plan has been designed pursuant to subsection 3 of this section shall be given another reading assessment, to be administered within forty-five days of the end of such student's fourth-grade year. If such student is determined to be reading below third-grade level, the student shall be required to attend summer school to receive reading instruction. At the end of such summer school instruction, such student shall be given another reading assessment. If such student is determined to be reading below third-grade level, the district shall notify the student's parents or guardians, and the student shall not be promoted to fifth grade. No student shall be denied promotion more than once solely for inability to meet the reading standards set out in this section.

5. The process described in subsections 3 and 4 of this section shall be repeated as necessary through the end of the sixth grade, with the target grade level rising accordingly. Mandatory retention grade shall not apply to grades subsequent to fourth grade except as provided in subdivision (2) of subsection 3 of this section.

6. The mandatory process of additional reading instruction pursuant to this section shall cease at the end of the sixth grade or when a student reaches the target grade level for reading ability at any point before sixth grade.

7. Each school district shall be required to offer summer school reading instruction to any student with a reading improvement plan. Districts may fulfill the requirement of this section through cooperative arrangements with neighboring districts. If a district offers transportation to such students, the mileage shall be considered as approved mileage eligible for reimbursement pursuant to sections 163.161 and 167.231, RSMo.

8. A school district may adopt a policy that requires retention in grade of any student who has been determined to require summer school instruction in reading and who does not fulfill the summer school attendance requirement.

9. Nothing in this section shall preclude a school district from retaining any student in grade when a determination is made in accordance with district policy that retention is in the best interests of the student.

10. The state board of education shall not incorporate information about the number of students receiving additional instruction pursuant to this section into any element of any standard of the Missouri school improvement program or its successor assessment program.

11. Each school district shall make an effort to systematically inform parents of the methods and materials used to teach reading in grades kindergarten through 4 (four), in terms understandable to a lay person.”; and

Further amend the title to say “**relating to education**” instead of current title language “**relating to state school aid payments**”; and

Further amend the title and enacting clause accordingly.

VETO SESSION

SECOND REGULAR SESSION, 90th GENERAL ASSEMBLY

FIRST DAY, WEDNESDAY, SEPTEMBER 13, 2000

Speaker Gaw in the Chair.

Prayer by Father David Buescher.

God of Justice, God of Freedom, God of responsible Growth and Progress, Your presence is requested in this Chamber today. We desire Your influence to center these deliberations ----- that decisions may be made in grace, not selfishness; in altruism, not antagonism; in service, not dominance. As we hold these men and women up to You, we pray that they be accountable to their constituents, indeed, but also to their own consciences. At the end of these short but important days, may their spirits resound with that special kind of victory, the job well done, the moral fiber more sound, our state well-assisted.

We also ask a special blessing for Sandy Friley, the wife of our Reading Clerk, John, who is battling for her life against illness. Give her health, God. You are our God, a God of people on the move into more life, love, and happiness, a God truly holy and awesome, now and forever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Andrea Jean Baker.

Representative Crump suggested the absence of a quorum.

MESSAGE FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SR 1**.

Senate Resolution No. 1

BE IT RESOLVED by the Senate that the Secretary of Senate inform the House of Representatives that the Senate is duly convened and is now in session as provided by Section 32, Article III of the Constitution and is ready for the consideration of its business.

MESSAGES FROM THE GOVERNOR

**EXECUTIVE OFFICE
State of Missouri
Room 216
State Capitol
Jefferson City 65101**

June 28, 2000

TO SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for House Bill No. 1103** entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Higher Education and the several divisions, programs, and institutions of higher education included therein to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2000 and ending June 30, 2001.

Section 3.090

I hereby veto \$50,000 general revenue for Crowder College to offer out-of-district classes at Mt. Vernon. This expansion of services was neither requested by the institution nor recommended by the Coordinating Board for Higher Education, and was not part of my budget recommendations. Such review is essential to ensure that state resources are allocated in the most cost-effective manner. This veto is necessary to ensure a balanced budget.

For selected out-of-district courses by \$50,000 from \$1,480,566 to \$1,430,566 general revenue.
From \$151,899,466 to \$151,849,466 in total for the section.

On June 28, 2000, I approved said **Conference Committee Substitute for House Bill No. 1103**, except for those items specifically vetoed and not approved.

Respectfully submitted

June 28, 2000

TO SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for House Bill No. 1106** entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Agriculture, Department of Natural Resources, Department of Conservation, and the several divisions and programs thereof and for the expenses, grants, refunds, distributions, and capital improvement projects involving the repair, replacement and maintenance of state buildings and facilities of the Department of Natural Resources and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds, for the period beginning July 1, 2000 and ending June 30, 2001.

Section 6.030

I hereby veto \$100,000 general revenue for the Food and Agricultural Policy Research Institute (FAPRI) at the University of Missouri - Columbia. There is no evidence that additional money will generate measurable results. FAPRI will receive substantial new funds from the federal government for their activities during Fiscal Year 2001. This veto is necessary to ensure a balanced budget.

For the purpose of funding research and related activities of the Food and Agriculture Policy Research Institute (FAPRI) by \$100,000 from \$400,000 to \$300,000 from General Revenue Fund.
From \$400,000 to \$300,000 in total for the section.

On June 28, 2000, I approved said **Conference Committee Substitute for House Bill No. 1106**, except for those items specifically vetoed and not approved.

Respectfully submitted

June 28, 2000

TO SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for House Bill No. 1109** entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Corrections and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 2000 and ending June 30, 2001.

Section 9.105

I hereby veto \$370,000 general revenue for special sensitivity training or POST training. The Department of Corrections receives over \$1.9 million in general revenue funding for training. Corrections officers are not required to have the specific law enforcement training that this additional funding would provide. This veto is necessary to ensure a balanced budget.

Expense and Equipment by \$370,000 from \$2,276,575 to \$1,906,575 from General Revenue Fund.
From \$2,276,575 to \$1,906,575 in total for the section.

Section 9.520

I hereby veto \$500,000 general revenue for case management grants. Case Management Programs are currently in effect through community sentencing programs and local sentencing initiatives. Funding of \$250,000 was approved for this purpose in Fiscal Year 2000. These grants should be evaluated for performance prior to expanding funding. This veto is necessary to ensure a balanced budget.

Expense and Equipment by \$500,000 from \$743,750 to \$243,750 from General Revenue Fund.
From \$743,750 to \$243,750 in total for the section.

On June 28, 2000, I approved said **Conference Committee Substitute for House Bill No. 1109**, except for those items specifically vetoed and not approved.

TO SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute No. 2 for House Bill No. 1110** entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Mental Health, the Board of Public Buildings, the Department of Health, and the several divisions and programs thereof and the Missouri Health Facilities Review Committee to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 2000 and ending June 30, 2001.

Section 10.760

I hereby veto \$370,000 donated funds for the diet pill education program. The appropriation is being reduced to reflect an anticipated spending level consistent with the legislative fiscal note projection.

For a diet pill education program by \$370,000 from \$500,000 to \$130,000 from Department of Health Donated Funds. From \$12,158,463 to \$11,788,463 in total for the section.

On June 28, 2000, I approved said **Conference Committee Substitute No. 2 for House Bill No. 1110**, except for those items specifically vetoed and not approved.

June 28, 2000

TO SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for House Bill No. 1111** entitled:

"AN ACT"

To appropriate money for the expenses, grants, and distributions of the Department of Social Services and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 2000 and ending June 30, 2001.

Section 11.010

I hereby veto \$200,000 general revenue that will be provided to the Department of Economic Development for a St. Louis Cyber Community Center. This veto is necessary to ensure a balanced budget.

For the purpose of funding data processing expenses associated with Automated Intake Expense and Equipment by \$200,000 from \$650,000 to \$450,000.
From \$650,000 to \$450,000 from General Revenue Fund.
From \$26,196,095 to \$25,996,095 in total for the section.

Section 11.055

I hereby veto \$42,288 general revenue for an additional employee at Prince Hall that is unnecessary. This veto is necessary to ensure a balanced budget.

Personal Services by \$42,288 from \$2,213,261 to \$2,170,973 from General Revenue Fund.
From \$3,181,639 to \$3,139,351 in total from General Revenue Fund.
From \$8,059,183 to \$8,016,895 in total for the section.

Section 11.300

I hereby veto \$100,000 general revenue for three staff to expand the Scared Straight program currently operating at the Jefferson City Correctional Center. Money for this program currently exists in the Department of Correction's budget. This veto is necessary to ensure a balanced budget.

For the purpose of funding the operations of scared straight type programs including, but not limited to, the youth services group program operating at the Jefferson City Correctional Center
Personal Service by \$100,000 from \$100,000 to \$0 from General Revenue Fund.

From \$3,235,102 to \$3,135,102 in total for the section.

Section 11.400

I hereby veto \$50,000 general revenue for grants to welfare boards. There are currently monies available through the Department of Economic Development for these purposes. Therefore, these funds would be a duplication of effort. This veto is necessary to ensure a balanced budget.

Also, I hereby veto \$30,000, including \$15,000 general revenue to expand the pager pilot program. In Fiscal Year 2000, \$60,000 was appropriated for this program which has not been fully expended. As a result, those funds have been reappropriated for Fiscal Year 2001. Therefore, it is premature to expand this pilot program at this time. This veto is necessary to ensure a balanced budget.

In addition, I hereby veto the words "Provided that additions of drugs to the prior authorization list shall be subject to approval by the Joint Committee on Administrative Rules". The inclusion of legislation of a general character within an appropriation bill is prohibited by the Missouri Constitution in Article III, Section 23. This is an attempt to hinder the Division of Medical Services' ability to manage and utilize the state's resources efficiently. This action will only heighten the escalating costs of pharmacy services in the Medicaid program. Many private health care organizations utilize prior authorization as a tool to control their costs as well as ensuring the appropriate utilization of prescriptions. In addition, I hereby veto \$20, including \$10 general revenue related to implementing the approval of all drugs on the prior authorization list by the Joint Committee on Administrative Rules. This veto is necessary to ensure a balanced budget.

Expense and Equipment by \$65,010 from \$602,911 to \$537,901 from General Revenue Fund.

From \$4,145,108 to \$4,080,098 in total from General Revenue Fund.

Expense and Equipment by \$15,010 from \$2,516,251 to \$2,501,241 from Federal Funds.

From \$7,371,169 to \$7,356,159 in total from Federal Funds.

From \$13,570,596 to \$13,490,576 in total for this section.

Section 11.420

I hereby veto \$250,000 including \$100,000 general revenue for funding a pilot project related to professional pharmacy services. There has been no documentation provided to demonstrate the efficiencies or cost savings that could be achieved in the Medicaid pharmacy program as a result of this pilot project. This veto is necessary to ensure a balanced budget.

For the purpose of funding pharmaceutical payments under the Medicaid fee-for-service and managed care programs and for the purpose of funding professional fees for pharmacists

From \$197,473,871 to \$197,373,871 in total from General Revenue Fund.

From \$374,171,174 to \$374,021,174 in total from Federal Funds.

From \$613,436,630 to \$613,186,630 in total for the section.

Section 11.435

I hereby veto \$500,000 general revenue to purchase dental equipment. The state should continue to focus its limited resources on increasing the overall reimbursement structure to dentists that provide services to Medicaid recipients rather than funding additional untested pilot programs. In addition, the Division of Medical Services is unable to obtain federal matching funds for this pilot program. Finally, in Fiscal Year 2000, \$500,000 was appropriated for a dental pilot project; however, the contractor did not utilize these funds and as a result those funds have been reappropriated for Fiscal Year 2001. This veto is necessary to ensure a balanced budget.

For the purpose of funding dental services under the Medicaid fee-for-service and managed care programs

From \$5,617,096 to \$5,117,096 in total from General Revenue Fund.

From \$13,676,183 to \$13,176,183 in total for the section.

Section 11.446

I hereby veto \$100,000, including \$50,000 general revenue for funding telephone assurance pilot projects. The pilot program was funded in Fiscal Year 1999; however, to date has only served five individuals. Some Area Agencies on Aging are providing this service and therefore this funding is duplicative in nature. This veto is necessary to ensure a balanced budget.

Said section is vetoed in its entirety from \$50,000 to \$0 from General Revenue Fund.

From \$50,000 to \$0 from Federal Funds.

From \$100,000 to \$0 in total for the section.

On June 28, 2000, I approved said **Conference Committee Substitute for House Bill No. 1111**, except for those items specifically vetoed and not approved.

TO SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for House Bill No. 1120** entitled:

"AN ACT"

To appropriate money for planning, expenses, and for capital improvements including but not limited to major additions and renovations, new structures, and land improvements or acquisitions.

Section 20.010

I hereby veto \$75,000 general revenue for planning for a south campus at Mineral Area College. This project was not recommended by the Coordinating Board for Higher Education, nor was it part of my budget recommendations. Such review is essential to ensure state resources are allocated in the most cost-effective manner. The project may be worthy but cannot be reviewed because it has not yet been properly defined in terms of scope of work, timing of construction, or cost. This veto is necessary to ensure a balanced budget.

For planning, design, construction, renovation, and improvements for community colleges by \$75,000 from \$75,000 to \$0 from General Revenue Fund.

From \$5,924,819 to \$5,849,819 in total for the section.

Section 20.081

I hereby veto \$265,405 general revenue for road and bridge improvements for an access road north of the Vandalia Correctional Center. The road in question is not part of the state highway system, so needed improvements should be addressed by the local government. The state provides significant funding to cities and counties for road and bridge construction and maintenance projects through the constitutionally mandated distribution of motor fuel taxes. This veto is necessary to ensure a balanced budget.

Said section is vetoed in its entirety from \$265,405 to \$0 in total from General Revenue Fund.

From \$265,405 to \$0 in total for the section.

On June 28, 2000, I approved said **Conference Committee Substitute for House Bill No. 1120**, except for those items specifically vetoed and not approved.

TO SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Committee Substitute for House Bill No. 1396** entitled:

"AN ACT"

To repeal sections 172.360, 174.620 and 175.021, RSMo 1994, and sections 172.020, 172.037, 174.610 and 175.020, RSMo Supp. 1999, relating to public schools, and to enact in lieu thereof fifteen new sections relating to the same subject.

I disapprove of Senate Committee Substitute for House Bill No. 1396. My reasons for disapproval are as follows:

The bill appears to repeal the law that creates the University of Missouri, its governing body, the Curators, and the powers invested in the Curators.

Specifically, the bill repeals section 172.020, RSMo. This section in part states the following:

“The university is hereby incorporated and created a body politic and shall be known by the name of “The Curators of the University of Missouri”, and by that name shall have perpetual succession, power to sue and be sued, complain and defend in all courts; to make and use a common seal, and to alter the same at pleasure; to take, purchase and to sell, convey and otherwise dispose of lands and chattels.....”

Because of the potential detrimental effect such a repeal would have on the governance of the university, I object and veto the above titled bill. I encourage the General Assembly to correct this technical error and pass this same legislation next session.

For all of the above stated reasons for disapproval, I am returning **Senate Committee Substitute for House Bill No. 1396** without my approval.

TO SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **House Bill No. 1596** entitled:

"AN ACT"

To amend chapter 375, RSMo, relating to insurance companies by adding thereto one new section relating to the same subject.

I disapprove of House Bill No. 1596. My reasons for disapproval are as follows:

It conflicts with provisions of Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Bill 896, hereinafter referred to as SB 896, which was also approved by the General Assembly during the 2000 session. The language in SB 896 makes it clear that entities in which an insurer may invest must be regulated by only one of three regulatory bodies, whereas House Bill No. 1596 may be interpreted to require the same entities to be regulated by all three regulatory bodies.

For all of the above stated reasons for disapproval, I am returning **House Bill No. 1596** without my approval.
